**The Luminaries** Eleanor Catton 2013-09-05 WINNER OF THE BOOKER PRIZE FOR FICTION 2013 It is 1866, and Walter Moody has come to make his fortune upon the New Zealand goldfields. On arrival, he stumbles across a tense gathering of twelve local men, who have met in secret to discuss a series of unsolved crimes. A wealthy man has vanished, a whore has tried to end her life, and an enormous fortune has been discovered in the home of a luckless drunk. Moody is soon drawn into the mystery: a network of fates and fortunes that is as complex and exquisitely patterned as the night sky. *The Luminaries* is an extraordinary piece of fiction. It is full of narrative, linguistic and psychological pleasures, and has a fiendishly clever and original structuring device. Written in pitch-perfect historical register, richly evoking a mid-19th century world of shipping and banking and goldrush boom and bust, it is also a ghost story, and a gripping mystery. It is a thrilling achievement and will confirm for critics and readers that Catton is one of the brightest stars in the international writing firmament.

Retribution Anne Marie Erskine 2021-10-15 Retribution By: Anne Marie Erskine Retribution focuses on the lives of six female bullies, the harm they cause, and the ironic twist they themselves create for their demise. While the subject of the novel itself is serious-bullying-the characters and their deserved endings are, in many ways, exaggerated dark comedies that will surprise and delight the reader, especially those readers who have suffered from the torment of a bully. Retribution presumes that all choices have consequences; that innocents must be protected at all costs; that people have the power, the right, and the duty to stand up for and protect innocents no matter the cost. The hero, Gemini Jones, is a sensitive but strong and resolute character who shows how to help Justice deliver its rightful reckoning. She is a role model for all heroes who desire to bring good and light to the world. Retribution is a novel of hope and satisfaction for those who have been bullied and know that evil must be punished and defeated. It is a novel for all who believe in Justice and want to see it prevail. In the end, Justice always reigns when GOOD fights for it.

Let Me Be Frank Tracy Dawson 2022-05-10 In this entertaining and eye-opening collection, writer, actor, and feminist Tracy Dawson showcases trailblazers throughout history who disguised themselves as men and continuously broke the rules to gain access and opportunities denied them because they were women. "This book will surprise, astonish, and hopefully anger you on the lengths women have had to go to pursue their dreams. Tracy has such a gift for storytelling and making history leap off the page. Tracy as a fellow sketch comedian on the vomit-soaked stages of the Toronto comedy scene. And like the brilliant, resourceful, rule-breaking, damn-well-stubborn sisters in *Let Me Be Frank*, Tracy is someone who gets the job done, and gets it done well.”—Samantha Bee, *Full Frontal with Samantha Bee*

*Let Me Be Frank* illuminates with a wry warmth the incredible stories of a diverse group of women from different ethnicities and cultural backgrounds who have defied the patriarchy, refusing to allow men or the status quo to define their lives or break their spirit. An often sardonic and thoroughly impassioned homage to female ingenuity and tenacity, the women profiled in this inspiring anthology broke the rules to reach their goals and refused to take “no” for an answer. These women took matters into their own hands, dressing—sometimes literally, sometimes figuratively—as men to do what they wanted to do. This includes competing in marathons, publishing books, escaping enslavement, practicing medicine, tunneling deep in the earth as miners, taking to the seas as pirates and serving on the frontlines in the military, among many other pursuits. Not only did these women persist, many unknowingly made history and ultimately inspired later generations in doing so. This compendium is an informative and enthralling celebration of these revolutionary badasses who have changed the world and our lives. *Let Me Be Frank* is filled with more than two dozen specially commissioned, full-color illustrations and hand-lettering by artist Tina Berning, whose multi-award-winning work has been published in numerous publications and anthologies worldwide, and is designed by Alex Kalman. **Friends on a Rotten Day** Hazel Dixon-Cooper 2008-05-01 It's about time for Friends on a Rotten Day, the first astrology book to focus entirely on friendships. After all, lovers come and go, but our girlfriends sustain, nurture, and protect us from cradle to grave. Friends on a Rotten Day explores the supportive, uproarious, and sometimes complex, relationships between girlfriends through an in-depth astrological analysis of each Sun sign. Dixon-Cooper shows readers what makes their friend tick on a soul level, revealing each friend's inner character, friendship style, love style (including what to do or not do if a pal picks a loser), and party style. She offers suggestions on the best gifts to buy your friend, how to calm her down, cheer her up, and return the unconditional support and love that she gives you. Readers will discover why their Gemini buddy changes her mind so often, why the Virgo gal pal sweats the small stuff, why a Scorpio girlfriend sometimes seems distant, and why the Leo chum needs frequent headpats. They'll also learn why a Pisces pal should never be forced to make a snap decision, why a Capricorn girlfriend might seem too serious for her own good, the truth about a Taurus friend's hidden anxieties, the competitive side of an Aries chum, what causes Cancer pal's emotional train wrecks, why the Aquarius buddy has a rebellious side, and why the Sagittarius girlfriend has occasional angry outbursts. "Dixon-Cooper reveals what every astrologer knows but none has dared say. (She) takes us on a seriously humorous ride through the land of truth and consequences. I highly recommend it." --Suzanne White

*The Man's Guide to Women* John Gottman 2016-02-02 A great "philosopher" once said, "Trying to understand women is like trying to smell the color 9." But the fact is, men can understand women to their great benefit. All they need is the right teacher. And arguably there is no better teacher than John Gottman, PhD, a world-renowned relationships researcher and author of the bestselling 7 principles of *Making Marriage Work*. His new book, written with wife Julie Gottman, a clinical psychologist, and Doug Abrams and Rachel Carlton Abrams, MD, is based on 40 years of scientific study, much of it gleaned from the Gottman's popular couple's workshops and the "love lab" at the University of Washington. It's written primarily for men because new research suggests that it is the man in a relationship who wields the most influence to make it great or screw it up beyond repair. *The Man's Guide to Women* offers the science-based answers to the question: What do women really want in a man? The book explains the hallmarks of manhood that most women find attractive, and helps men hone those skills to be the man she desires.
