**Life in Trans Activism, A** - A. Revathi. As told to Nandini Murali 2016-11-21

When Revathi's powerful memoir, *The Truth About Me*, first appeared in 2011, it caused a sensation. Readers learned of Revathi's childhood unease with her male body, her escape from her birth family to a house of hijras (the South Asian generic term for transgender people), and her eventual transition to being the woman she always knew she was. This new book charts her remarkable journey from relative obscurity to becoming India's leading spokesperson for transgender rights and an inspiration to thousands. Revathi describes her life, her work in the NGO Sangama, which works with people across a spectrum of gender identities and sexual orientations, and how she rose from office assistant to director in the organization. Today she is an independent activist, theatre person, actor and writer, and works for the rights of transgender persons. In the second part of the book, Revathi offers the reader an

insight into one of the least talked about experiences on the gender trajectory: that of being trans men. Calling several female-to-male trans persons her 'sons', Revathi puts before us their moving, passionate and sometimes tragic stories of marginalization, courage, resistance and triumph. An unforgettable book, *A Life in Trans Activism* will leave the reader questioning the 'safe' and 'comfortable' binaries of male/female that so many of us take for granted.

*French Quarter Flirt* - Melissa Chambers 2023-05-23

He's New Orleans' biggest player. She just needs to control the game. When Garrett Broussard is caught dipping Savannah Sanderson on the dancefloor of the Mardi Gras ball, they're mistaken for a romantic couple and asked to attend a formal dinner that could boost Savannah's career. Garrett capitalizes on the opportunity, trading a date for a date—he'll attend the formal dinner if she'll help him get his boss off his back, who wants to set Garrett up with his daughter. It's a weekend trip, and they'll have to share a room to make the fake relationship seem legit. He can handle it. He'll just sweep the little crush he's had on her all these years under the rug and pretend she's not hot at all walking around in his Saints T-shirt and no shorts. Savannah is at her wits' end with Garrett Broussard. He shamelessly flirts with her but never puts his money where his mouth is. She suspects that if she took him up on his empty advances, he'd cower like a shaking Chihuahua. She has half a mind to put him to the test on this upcoming weekend trip, but she knows better than to play with fire when it comes to a Broussard brother. She just has to make it through the weekend without letting New Orleans' biggest flirt trample her heart. *French Quarter Flirt* is book two in the Broussard Brothers series, which is set in the Big Easy and features three hot brothers and two interconnected New Orleans families with enough drama to fuel a Mardi Gras float.

*The Unexpected Love* - Asma Anam

"You hate me, right?" I shook my head but he pulled me closer to his chest. "Feelings are mutual honey," his hot minty breath reached to my ears. He gripped my arms tightly and I winced from the pain. A tear fell from my eyes, I tried to push him but he was way stronger than me.

"Daniyal, it's hurting" i cried out. "I know right," he smirked at me. He leaned into me and his lips were about to touch mine, I pushed him away with full force "What were you doing with me Daniyal?" I yelled, his face was red from anger, he held my wrist and pushed me to the walls. "You think, I'll do this with you, really?" He let out a loud chuckle and shot a glare at me. "You're just a piece of trash,my dad bought for me to play but I don't wanna lower my standard so don't worry, I'm not gonna touch you, " his words shattered my heart into pieces. I was his wife, his unwanted wife.

*The Guyde* - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction.

How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

[Girl Meets Ghost](#) - Lauren Barnholdt 2013-02-05

A tween girl becomes a reluctant medium in this start to a hilariously haunting series. Kendall Williams sees dead people. Not only can she see them, she can speak to them...and they can speak to her. It's that last little detail that really causes all kinds of problems. The dead don't have much in the way of boundaries, and they tend to pop up whenever—and wherever—they please. They want Kendall to help them move on by resolving any remaining issues from when they were alive.

Unfortunately, they're not too great at explaining what those issues might be, so Kendall has to become a sort of psychic sleuth and figure it out for them. This time around, there's a really annoying blonde gymnast who can't stop popping up at the worst moments and demanding that Kendall help her. If Kendall doesn't want people to think she's crazy and always talking to herself, she'll have to get busy and get rid of this perky pest. Then she can go back to crushing on the cute boy in her math class. And that's a whole other problem...
