How to Attract Women If You're Not That Attractive - Enrique Voltaire 2017-04-13

What is the Best Way to Approach an Attractive Lady? How do you get her attention? What should you say? How do you ask for her phone number? Some guys are so good-looking that girls naturally flock to them. Other guys, who are not as genetically blessed, have to use courage, humor, intelligence, psychology, and resiliency to attract beautiful women. How to Attract Women if You're Not That Attractive answers everything you need to know about attracting women if you do not look like Prince Charming.

It's Great to Be a Girl! - Dannah Gresh 2020-09-01

Help Your Daughter Celebrate and Care for Her Changing Body Your tween daughter (age 8-12) will be going through a physical and emotional transformation in the coming years. Prepare her for what's ahead with this fun and informative user's manual to the body God created especially for her. It's Great to Be a Girl! tells your daughter everything she needs to know, in kid-friendly terms, about the many changes she can expect during puberty and how to handle them, including tips on hygiene, hair care, makeup, nutrition, exercise, and more. Best of all, your daughter will learn that her body was made for a purpose—to honor and glorify God. This truth is the basis for a lifetime of positive self-image and a rich, vibrant faith. Help your daughter recognize the beauty of her changing body as she agrees with her Creator that "it's great to be a girl!"

Everyday Sexism - Laura Bates 2014-04-10

'If Caitlin Moran's How To Be A Woman is the fun-filled manual for female survival in the 21st century, everyday sexism is its more politicised sister' (Independent on Sunday). After experiencing a series of escalating sexist incidents, Laura Bates started the everyday sexism project and has gone on to write 'a pioneering analysis of modern day misogyny' (Telegraph). After an astounding response from the wide range of stories that came pouring in from all over the world, the project quickly became one of the biggest social media success stories of the internet. From being harassed and wolf-whistled at on the street, to discrimination in the workplace and serious sexual assault, it is clear that sexism had become normalised. But Bates inspires women to lead a real change and writes this 'extremely powerful book that could, and should, win hearts and minds right across the spectrum' (Financial Times). Often shocking, sometimes amusing and always poignant, everyday sexism is a protest against inequality and a manifesto for change. It's 'a game-changing book, a must-read for every woman' (Cosmopolitan). 'Admirable and culturally transferable. "A storm is coming," writes Bates. After reading this book you'll hope so' (Independent). Welcome to the fourth wave of feminism.

The Five Love Languages - Gary Chapman 2009-12-17

Marriage should be based on love, right? But does it seem as though you and your spouse are speaking two different languages? #1 New York Times bestselling author Dr. Gary Chapman guides couples in identifying, understanding, and speaking their spouse's primary love language-quality time, words of affirmation, gifts, acts of service, or physical touch. By learning the five love languages, you and your spouse will discover your unique love languages and learn practical steps in truly loving each other. Chapters are categorized by love language for easy reference, and each one ends with simple steps to express a specific language to your spouse and guide your marriage in the right direction. A newly designed love languages assessment will help you understand and strengthen your relationship. You can build a lasting, loving marriage together. Gary Chapman hosts a nationally syndicated daily radio program called A Love Language Minute that can be heard on more than 150 radio stations as well as the weekly syndicated program Building Relationships with Gary Chapman, which can both be heard on fivelovelanguages.com. The Five Love Languages is a consistent New York Times bestseller - with over 5 million copies sold and translated into 38 languages. This book is a sales phenomenon, with each year outselling the prior for 16 years running!

Pocket Book of Hospital Care for Children - World Health Organization 2013

The Pocket Book is for use by doctors nurses and other health workers who are responsible for the care of young children at the first level referral hospitals. This second edition is based on evidence from several WHO updated and published clinical guidelines. It is for use in both inpatient and outpatient care in small hospitals with basic laboratory facilities and essential medicines. In some settings these guidelines can be used in any facilities where sick children are admitted for inpatient care. The Pocket Book is one of a series of documents and tools that support the Integrated Management.

The Guyde - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings

and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

Quirkyalone - Sasha Cagen 2006-01-03

quirkyalone (kwur.kee.uh.lohn) n. adj. A person who enjoys being single (but is not opposed to being in a relationship) and generally prefers to be alone rather than date for the sake of being in a couple. With unique traits and an optimistic spirit; a sensibility that transcends relationship status. Also adj. Of, relating to, or embodying quirkyalones. See also: romantic, idealist, independent. Are you a quirkyalone? Do you know someone who is? Do you believe life can be prosperous and great with or without a mate? Do you value your friendships as much as your romantic relationships? Do gut instincts guide your most important decisions? Are you often among the first on the dance floor? Coupled or single, man or woman, social butterfly or shrinking violet, quirkyalones have walked among us, invisible until now. Through the coining of a new word, this tribe has been given a voice. Meet the quirkyalones. Read about: The quirkyalone nation: where we live, what we do Quirkytogethers (quirkyalones who have entered long-term relationships) Sex and the single quirkyalone Romantic obsession: the dark side of the quirkyalone's romantic personality Quirkyalones throughout history (profiles in courage)

Conversational Style - Deborah Tannen 2005-07-21

This revised edition of Deborah Tannen's first discourse analysis book, *Conversational Style*--first published in 1984--presents an approach to analyzing conversation that later became the hallmark and foundation of her extensive body of work in discourse analysis, including the monograph *Talking Voices*, as well as her well-known popular books *You Just Don't Understand*, *That's Not What I Meant!*, and *Talking from 9 to 5*, among others. Carefully examining the discourse of six speakers over the course of a two-and-a-half hour Thanksgiving dinner conversation, Tannen analyzes the features that make up the speakers' conversational styles, and in particular how aspects of what she calls a 'high-involvement style' have a positive effect when used with others who share the style, but a negative effect with those whose styles differ. This revised edition includes a new preface and an afterword in which Tannen discusses the book's place in the evolution of her work. *Conversational Style* is written in an accessible and non-technical style that should appeal to scholars and students of discourse analysis (in fields like linguistics, anthropology, communication, sociology, and psychology) as well as general readers fascinated by Tannen's popular work. This book is an ideal text for use in introductory classes in linguistics and discourse analysis.

Girl Up - Laura Bates 2017-07-11

"They told you that you need to be thin and beautiful. They told you to wear longer skirts, avoid going out late at night, and move in groups. Wear shoes you can run in more easily than heels. Dress to flatter your apple, pear, hourglass figure, but don't look like a slut. They said if you're strong or opinionated, you'll be shrill, bossy, a ballbreaker. They said 'That's not for girls,' 'Take it as a compliment,' 'Don't rock the boat.' They told you 'Beauty is on the inside,' but you knew they didn't really mean it. Well screw that. I'm here to tell you something else. Everyday Sexism Project founder Laura Bates mocks the ludicrous pressures and stereotypes faced by young women today. Hilarious, bold, and unapologetic, *Girl Up* sets the record straight."--Back cover.
