Born to Die - Noble David Cook 1998-02-13
The biological mingling of the Old and New Worlds began with the first voyage of Columbus. The exchange was a mixed blessing: it led to the disappearance of entire peoples in the Americas, but it also resulted in the rapid expansion and consequent economic and military hegemony of Europeans. Amerindians had never before experienced the deadly Eurasian sicknesses brought by the foreigners in wave after wave: smallpox, measles, typhus, plague, influenza, malaria, yellow fever. These diseases literally conquered the Americas before the sword could be unsheathed. From 1492 to 1650, from

The Black Legend, which attempts to place all of the blame of the injustices of conquest on the Spanish, must be revised in light of the evidence that all Old World peoples carried, though largely unwittingly, the germs of the destruction of American civilization.

It doesn't take long before she realizes there's more going on than the vagaries of an old house. Something, or someone, is playing poltergeist with her house, and whatever it is keeps stroking her with ghostly fingers and haunting her dreams. Derrick and Mark learned the hard way not to piss off a witch. But in their defense, as cocky werewolves, they weren't used to anything actually defying them. Unable to ask for help, they're forced to haunt their own home, which turns out to be less boring than expected

their marriages have become dull, because they need an encounter with an aggressive alpha male, because they want to get pregnant, because they need to feel what it's like to have multiple strange men use them at the same time, and because their husbands know that a wife's pleasure has to come first. Real life cuckoldress Raven Merlot and her collaborator, Alexandra Noir, are proud to give you a peek into the exciting lifestyles that they enjoy. Don't worry! We understand your hidden desires and your secrets are safe with us. In Cuckolded by Her Stepbrother, Lana has been secretly lusting after her step-brother for years. As a teenager she accidentally walked in on him in the shower and no other man since has "measured up." No matter how hard her husband tried, he just couldn't be the man that she'd dreamed about. Finally, Lana hatches a plan over Thanksgiving to make her cuckolding fantasy come true. In My Wife Submits to Him, Jake is determined to see his wife Stella become a submissive sex puppet

but he knows that he isn't the man for the job. He's fantasized about another man making his wife into a sex slave for years and he's finally hatched a plan to make sure it happens. In Taken By My Husband's Boss, Kenny has already come to terms with his wife Eva's slutty ways. He's figured that she could have a waiter or a bartender here and there if it made her truly happy. What he never reckoned with was Eva deciding that Kenny's boss, Marco, was next on her list. She'd always had her eye on him and now that Kenny is in line for a promotion Eva sees this as the perfect to cuckold Kenny for his own good. Her husband would never admit it but the thought of being one-upped by his boss might just be the cuckolding fantasy that he'd always dreamed of. In My Husband Doesn't Satisfy Me, Jenny and Stan are newlyweds, barely out of the honeymoon stage. But something was missing. Every time they were out and about her eyes would linger over the bodies, the eyes, the breasts of other women.
