Dangerous Refuge - Elizabeth Lowell 2013-04-09

Murder and mystery spark unexpected romance in this captivating new tale from the beloved New York Times bestselling author Elizabeth Lowell. On the surface Shaye Townsend has little in common with Tanner. He's a hard-edged big city cop come home to the historic Davis family ranch to settle his uncle's estate. She's working for an environmental conservancy that acquires and protects old ranches—and she wants to preserve the Davis homestead. When the suspicious death of Tanner's uncle at his ranch throws the two opposites together, tempers flare and sparks fly. While they have trouble seeing eye to eye, Shaye and Tanner agree on one thing: They need to uncover the truth. Combining their unique skills—Shaye's low-key approach and local connections and Tanner's experience as a homicide detective—the unlikely pair share long nights in the pursuit of justice. Before they know it, the friction they generate turns to heat, igniting a love neither ever expected to find. They believe passion this intense cannot last. But when Shaye becomes a killer's target, Tanner realizes he'd give up anything to protect her—including his life.

Blood Roses - Lindsay J. Pryor 2013-04-23

'She was supposed to kill vampires, not save them. Those were the rules. That was the lore.' A rare and powerful witch whose blood is lethal to vampires, Leila has always viewed her seryn abilities as a curse. After seeing her mother slaughtered as a child, Leila longs for a safe, quiet life. That wish is shattered by Caleb Dehain - a vampire with a dark past and a darker heart. The most feared seryn hunter of his generation, Caleb now needs the help of one of the witches he despises to save his dying brother. A seryn who has no reason to help him. Except that he has her sister. Caleb and Leila are each other's worst nightmare - but the slow-burning spark of attraction between them is undeniable. Will Leila's blood be his damnation? Or could her kiss be his salvation? Combining sizzling passion and dark, sinfully seductive vampire heroes, Lindsay J. Pryor's writing is an exciting new find for those who love paranormal romance and urban fantasy. If you're a fan of J.R Ward, Sherrilyn Kenyon, Lara Adrian, Jeaniene Frost, Kelley Armstrong, Christine Feehan or Kresley Cole then you'll love Lindsay J. Pryor's books too. Praise for *Blood Roses* 'Blood Roses was an awesome continuation of the Blackthorn series. Not only are Pryor's characters and fathomlessly dark love stories fabulous, but her continual world building of Blackthorn blows me away. *Blood Roses* is a highly recommended read! Gravetells 'It pulls no punches, its heroes are on the edge, and its sex scenes are off the charts.' Thedemonlibrarian 'I felt as much a part of the emotional rollercoaster the characters themselves. Needless to say, I devoured the

book in a single sitting! After reading the first two books of the Blackthorn series I am definitely on the Lindsay Pryor fan bandwagon!' VampireRomanceBooks 'This is a deliciously dark book. This isn't your typical happily ever after story, and I think that's what drew me to the series in the first place. This is the second book I've read, and I honestly think it's better than the first.' RomFan Reviews '...paranormal romance mixed with urban fantasy the way I like it - clever world-building, intense characters and no easy options for them to take.' Nocturnal Book Reviews The Blackthorn series reading order Book 1: Blood Shadows Book 2: Blood Roses Book 3: Blood Torn Book 4: Blood Deep Book 5: Blood Dark Book 6: Blood Instinct Book 7: Blood Bound Book 8: Blood Broken Blackthorn is an eight book series with an over-arching plot - so the books are best read in order. The full series is available now.

A Meeting at Corvallis - S. M. Stirling 2007-09-04

"A major work by an authentic master of alternate history." - Booklist (Starred Review) In the tenth year of the Change, the survivors in western Oregon live in a world without technology. Michael Havel's Bearkillers hold the lands west of Salem in peace and order. To the east, the Clan Mackenzie flourishes under the leadership of Juniper Mackenzie, bard and High Priestess. Together, they have held Norman Arminger—the warlord of Portland—at bay. With his dark fantasies of a neofeudal empire, Arminger rules much of the Pacific Northwest, spreading fear with his knights, castles, and holy inquisition. Even more dangerous, and perhaps Arminger's most powerful weapon of all, is his ruthlessly cunning consort, Lady Sandra. These factions haven't met in battle because Arminger's daughter has fallen into Clan Mackenzie's hands. But Lady Sandra has a plan to retrieve her—even if it means plunging the entire region into open warfare...

Fire and Rain - Elizabeth Lowell 2002

Winter Fire - Elizabeth Lowell 1997-10-01

Orphaned at thirteen, a mail-order bride at fourteen, widowed at sixteen,

Sarah Kennedy has learned to depend upon no one but herself--reserving all her love for her younger brother Conner, and for the wounded hawks she heals and returns to the air. A hardened Civil War veteran, personal tragedy has taught Case Maxwell three things: to be a patient, deadly fighter, to love nothing that can die; and that justice is blind. But when a confrontation with his sworn enemies, the Culpepper clan, leaves him near death, Case finds himself, like many another damaged wild creature, under the tender, unwanted care of Sarah Kennedy. Destiny has brought the healer and the warrior together to brave chilling risks and dangerous truths in a hard, magnificent land--two souls haunted by a perilous present and the bitter ghosts of the past. But the intense emotion both Case and Sarah fear--the passion that burns like fire in the very heart of winter--is the only thing that can truly save them, as together they seek the courage to face the greatest risk of all: love. 1.BLOOD SHADOWS 2.BLOOD ROSES 3.BLOOD TORN 4.BLOOD DEEP 5.BLOOD DARK 6. BLOOD INSTINCT 7. BLOOD BOUND What readers are saying about Blood Shadows 'Blood Shadows honestly blew me away. This series starter was intelligent, dark, and very intricate... Blood Shadows is a GraveTells Must Read' GraveTells.com 'If you're looking for a new PNR series that has a dark world and complicated characters, then you'll want to grab a copy of this. I can't wait to read the next book.' FictionVixen.com 'The push-pull dynamic between Caitlin and Kane is superb and quite possibly the best I've ever read... Pryor makes every moment between these characters count, and the result is a complex, fully developed, and insanely hot romance... Blood Shadows is a deliciously twisted and exciting tale... It will shake and stir you in the best of ways. I couldn't put it down.' TheDemonLibrarian.com - Janice 'Kane, the vampire in question, was just ridiculously sexy. I mean ridiculously so; no woman even stands a chance. I wouldn't even bother putting up a fight, to be honest. Just accept the sexiness that is Kane, because resistance is futile. But as well as all that yumminess, he was also a very intriguing and complex character; a real anti-hero and an alpha male of the highest order.' TheDemonLibrarian.com - Lynsey 'Blood Shadows is a wonderful start to a new paranormal romance series by Lindsay J. Pryor... Weaved around the emotional romance is an amazing plot. It has a complex storyline with twists and turns. You won't be able to put this book down, and you'll be wondering what is going to happen up until the last page.' Paranormal Opinion
