Match Play Blair Babylon 2022-09-13 From USA Today Bestselling Author Blair Babylon comes a laugh-out-loud rom com about a sports billionaire who has a business emergency and needs a fake girlfriend. This intense romantic comedy about the sports business has the feels of the hit movie *Jerry Maguire* and the spicy laughs of *Bull Durham*. Billionaire Mitchell Saltonstall needs a girlfriend right now, and a pretend girlfriend is just fine with him. One drunken New Year's Eve, Mitchell and his buddies wagered a hundred mil each against Gabriel "The Shark" Fish that they were better at business than he was. Never, ever bet that kind of cash against a guy with a nickname like "The Shark." Mitchell tried to buy a golf course, but that fell through. He tried to buy a sports store, and that deal blew up in his face. Finally, he found a golf tee-times booking app that was floundering. He bought it from the original investor for pennies on the dollar and rechristened it Match Play, a dating service app for single golfers, assuring them that "It's just golf!" and they can "Play a round!" with golfing singles in their area. Oh, the puns are endless, but pictures of "giant knobby-headed drivers" are strictly forbidden. The problem is that Mitchell accidentally became the face of Match Play in an interview, and no one will trust a dating app with a single CEO. The very last person he should have conscripted to be his fake fiancée was Arielle Carter, the cute, sassy brunette HR admin in the front office, whom he'd literally grabbed around the waist during an interview and dragged against his side, whispering that he'd pay her ten thousand dollars to kiss him for the cameras. He didn't know she'd melt against him and her kiss would turn him on like stadium lights. Or that with a makeover for the television commercials, Arielle Carter would become an absolute bombshell, and he wouldn't be able to take his eyes off her. And he really hadn't known that Arielle's father was the original investor who'd lost his life savings in the failing tee-times app, and that's why she hates Mitchell's guts. During the months-long promotional tour to regional golf shows to sign up new singles, the air between them crackles with attraction, and their kisses and caresses seem more real. In Los Angeles, after a particularly convincing photo spread for *Golf Journal*, they discover that the five-star hotel room has only one bed. They're stuck together until next New Year's Eve when the bet with *The Shark* ends, or Mitchell will lose everything he's worked for. Assuming Arielle doesn't bean him with a golf club first. **ALL THE TROPES YOU LOVE:** ☐ Fake Relationship ☐ Oh no! Only one bed! ☐ Billionaire lifestyle ☐ Blair Babylon's patented laugh-out-loud style you won't be able to put down!

Home Wrecker Jody Kaye 2021-08-24 To get my head screwed on straight before it's too late, I took on a mentor role with the big brother program. Shallow as it sounds, what any nine-year-old got from having me as a role model wasn't a priority. Then Bhodi reminds me of everything I lost out on during my childhood. Unlike the adults in my life, I'd planned on doing right by the kid. And not because of the way his mom, Holly's, bare midriff always peeks over those signature cut-off shorts. Or the way the woman—old enough to be my... older sister—looks at me from under those thick lashes. After Holly gives me one night, she's stolen my heart, and I'm set on winning hers over. I'll do anything to keep them, including chasing off Bhodi's old man, who is looking for a second chance. And it leaves everyone around us wondering who is the real home wrecker? I kept them at bay as long as I could, but we're not running a charity operation here. Crazy chemistry aside, I'm the wrong guy for her — a monster disguised in an expensive suit. But no matter how hard I try to resist, I can't stop thinking of making her my toy. Showing her the rules of my game. Risking just one touch to fulfill a forever fantasy. She is sunshine and I am darkness, and I assumed I controlled the stakes between us. But now Tessa's in real trouble. You can bet your life on it, there's going to be hell to pay. Captive Thirst - A cartel princess in disguise. An attempted kidnapping. One arranged marriage to strengthen the crime family syndicate. Carlos Drago: Her scent gave her away. Pure female. The problem is, she makes me feel. Gabriela has no idea about my plans for us both, and when she finds out, that spark in her smile that I love so much might go away. Ours will be a marriage that unites our families. The very thought of her unhappiness makes this fearsome soldier, whose body is a deadly weapon, deeply, irrevocably afraid. I can't lose her. Though my hands are scarred with murder, I lull her to sleep every night and kiss her eyes. She is my weakness. Despite being stronger than iron, I cannot resist her. The Forgotten Prince Patricia McLinn 2016-09-15 □ They have a history -- can it be rewritten?□ Prince Karl longs to once more be plain Karl Wethers, Wyoming rancher. Instead, his sense of responsibility, nurtured as a cowboy and honed in the U.S. Army, won't let him turn his back on King Jozef of Bariavak. But he has a plan. If he can pull it off. Then international media consultant Harmon Reed re-enters his life. The Army brat who liked to juggle lit sticks of dynamite is now a woman who could explode that dynamite in his face. He's fully occupied with trying to keep her from knowing anything about the complications of his royal life, because he will never trust her again, despite the pull of a love long gone. For Harmon, what started as a youthful summer fling ignited into a love that shook her to her core. Equally smitten, Karl saw something beyond her beauty and rebellious streak. Then Harmon broke it off - and broke Karl's heart. They went their separate ways, but no matter how far apart they traveled, the embers of first love remained. And the slim hope of a second chance floated in the periphery. Oh, yes, these two have a history. A history neither has forgotten ... but can they forgive? The Forgotten Prince, Book 9 of USA Today bestselling author Patricia McLinn's The Wedding Series, is a moving, passionate contemporary romance. Revisit characters you've come to love in Prelude to a Wedding, Wedding Party, Grady's Wedding, The Christmas Princess, The Surprise Princess and At the Heart's Command (from the A Place Called Home series). And don't miss meeting a younger Karl in the full-length prequel Not a Family Man. 5-star praise for The Forgotten Prince ... "A wonderfully complicated story bringing political intrigue, family dynamics, and unforgotten love into a whirlwind of raw emotion. ...The real beauty ... is found in the many and varied relationships of the characters. Their hopes, their fears, their sacrifices, their loves, will so draw one into the story that when it is done you can't help but feel you really know these people."
