Jerusalem - Yotam Ottolenghi 2012-09-06

Winner of the Observer Food Monthly Cookbook of the Year 2013. Yotam Ottolenghi and Sami Tamimi are the men behind the bestselling Ottolenghi: The Cookbook. Their chain of restaurants is famous for its innovative flavours, stylish design and superb cooking. At the heart of Yotam and Sami's food is a shared home city: Jerusalem. Both were born there in the same year, Sami on the Arab east side and Yotam in the Jewish west. Nearly 30 years later they met in London, and discovered they shared a language, a history, and a love of great food. Jerusalem sets 100 of Yotam and Sami's inspired, accessible recipes within the cultural and religious melting pot of this diverse city. With culinary influences coming from its Muslim, Jewish, Arab, Christian and Armenian communities and with a Mediterranean climate, the range of ingredients and styles is stunning. From recipes for soups (spicy frikkeh soup with meatballs), meat and fish (chicken with caramelized onion and cardamom rice, sea bream with harissa and rose), vegetables and salads (spicy beetroot, leek and walnut salad), pulses and grains (saffron rice with barberries and pistachios), to cakes and desserts (clementine and almond syrup cake), there is something new for everyone to discover. Packed with beautiful recipes and with gorgeous photography throughout, Jerusalem showcases sumptuous Ottolenghi dishes in a dazzling setting.

'BRAVE, BOLD COOKING THAT PUTS WHOLE VEGETABLES AT THE CENTRE OF YOUR PLATE. I WANT TO COOK (AND EAT) IT ALL.' - ANNA JONES More than 100 everyday, plant-based recipes, including several with QR links to online videos. Each recipe in Vegan Love has a veggie as the star, treated as you would meat or fish - so slow-cooked, baked, roasted, pan-fried or grilled. Each one also consists of the same 4 components: a big veggie (the main) + a protein side (a pulse or grain) + a sauce or cream or dressing + a topping (herbs and crunch) Many can be cooked in 30 minutes, none use less-than-healthy vegan substitutes and all elevate veggies to the next level, showing how simple and tasty they can be. Several are also accompanied by QR codes for online tutorials.

Salad Love - David Bez 2014-07-03

How many of us have sat at our desk at work, counting down the minutes until it's time for lunch and our staple option that is bland, expensive, unhealthy or just too similar to what we had yesterday - and the day before? The author, David Bez, is not a chef. He is a food lover with a limited lunch break; an Italian who cares about what's on his plate; a designer who knows that you eat with your eyes first. For the past three years, he has made himself a salad for lunch every day at work, with fresh ingredients, minimum preparation time, and maximum flavour. Day after day, his colleagues peer over his shoulder to watch him craft yet another beautiful salad perfectly balanced in its composition and bound to both satisfy him and energize him for the afternoon ahead. He has developed a winning formula for creating salads by layering a

base, vegetables or fruit, fresh herbs, protein toppings and dressings, which creates a perfect salad every time. Clearly marked with a vegetarian, vegan, raw, omnivore or pescatarian designation, every salad is an inspiration and can be adapted to suit a different diet. Fresh, tinned, jarred and pre-cooked ingredients are all explored; seasonality is key and variety keeps things nutritious and exciting.

He never expected to find the hunters stalking one of their own. Rissa watched Stan from the safety of her window in the kitchen, until the day he rescued her from those who would do her harm. She knew she should be more concerned about the hunters trying to kill her, but she was just too excited to finally be spending time with the man she secretly loved. With many young girls in the cross-hairs, Avorn's team must work fast if they hope to dismantle the threat before anyone gets hurt. But who is the Preacher, and how many has he influenced to do his dark work?
