

Sex Change Operation Female To Male Youtube

She's Not There - Jennifer Finney Boylan 2004

A memoir that tells the story of a person who changed genders chronicles the life of James, a critically acclaimed novelist, who eventually became Jenny, a happy and successful English professor.

Irreversible Damage - Abigail Shrier 2020-06-30

NAMED A BOOK OF THE YEAR BY THE ECONOMIST AND ONE OF THE BEST BOOKS OF 2021 BY THE TIMES AND THE SUNDAY TIMES

"Irreversible Damage . . . has caused a storm. Abigail Shrier, a Wall Street Journal writer, does something simple yet devastating: she rigorously lays out the facts." —Janice Turner, The Times of London Until just a few years ago, gender dysphoria—severe discomfort in one's biological sex—was vanishingly rare. It was typically found in less than .01 percent of the population, emerged in early childhood, and afflicted males almost exclusively. But today whole groups of female friends in colleges, high schools, and even middle schools across the country are coming out as "transgender." These are girls who had never experienced any discomfort in their biological sex until they heard a coming-out story from a speaker at a school assembly or discovered the internet community of trans "influencers." Unsuspecting parents are awakening to find their daughters in thrall to hip trans YouTube stars and "gender-affirming" educators and therapists who push life-changing interventions on young girls—including medically unnecessary double mastectomies and puberty blockers that can cause permanent infertility. Abigail Shrier, a writer for the Wall Street Journal, has dug deep into the trans epidemic, talking to the girls, their agonized parents, and the counselors and doctors who enable gender transitions, as well as to "detransitioners"—young women who bitterly regret what they have done to themselves. Coming out as transgender immediately boosts these

girls' social status, Shrier finds, but once they take the first steps of transition, it is not easy to walk back. She offers urgently needed advice about how parents can protect their daughters. A generation of girls is at risk. Abigail Shrier's essential book will help you understand what the trans craze is and how you can inoculate your child against it—or how to retrieve her from this dangerous path.

Gender Identity - Kate Light 2016-12-15

As acceptance for the LGBT community grows, our society is coming to understand that many gender identities are not binary. Young adulthood is a critical time for exploring and coming to terms with gender identity. Readers learn about non-binary identities and the issues the community still faces despite the progress that has been made in the 21st century. Fact boxes highlight transgender and non-binary role models in the media, and contact information for LGBT organizations is provided. This volume is an important resource for young adults of all genders and their allied friends and family.

As a Woman - Paula Stone Williams 2021-06

"A moving and unforgettable memoir of a transgender pastor's journey from despair to joy as she transitioned from male to female and learned about gender inequity, at home and in the workplace—perfect for fans of *Redefining Realness* and *There Is Room for You*"--

Surpassing Certainty - Janet Mock 2017-06-13

The writer, TV host, and advocate examines her life and career, including the challenges of being trans, a woman, and a person of color.

He Said, She Said - Gigi Gorgeous 2019-04-02

Today, Gigi Gorgeous is beloved for her critically-acclaimed documentary, her outrageous sense of humor, her no-holds-barred honesty, and her glam Hollywood lifestyle. Ten years ago, she was a

gawky Canadian teen named Gregory. In *He Said, She Said*, Gigi brings us on her personal journey from Gregory to Gigi, going deeper than ever before and exposing her vulnerability behind each struggle and triumph, with her signature humor on every page. With stunning photography and heirloom snapshots, *He Said, She Said* takes us back to Gigi's early years as an Olympic-bound diver and high school mean girl, losing her mom at a tragically young age, and her journey of opening up about her sexuality and gender identity. She walks us through her transition, baring it all about dating and heartbreak in her stories of falling in love with both men and women. Uproarious, unconventional, and unabashedly candid, Gigi shares never-before-heard stories, inspiration, and advice about how your life can take you to incredible places once you get real with yourself.

Laverne Cox - Erin Staley 2016-07-15

In 2013, *Orange Is the New Black* began captivating audiences with its cast of female characters representing diverse strata of society. Perhaps no star on the show has inspired as much as Laverne Cox, who plays the black transgender inmate Sophia Burset. Cox's work, both as an actor and off-screen, has brought attention to the risks faced by vulnerable populations, particularly racial minority transgender individuals. This biography documents Cox's triumphant life and work as an activist, documenting her own growth from troubling times she recalls as a teenager to becoming the first openly transgender actor nominated for an Emmy.

Irreversible Damage - Abigail Shrier 2020-12-11

NAMED A BOOK OF THE YEAR BY THE ECONOMIST AND ONE OF THE BEST BOOKS OF 2021 BY THE TIMES 'Abigail Shrier does something simple yet devastating: she rigorously lays out the facts' The Times Groups of female friends in schools across the world are coming out as 'transgender'. Most are girls who have never expressed any discomfort in their biological sex until they hear a coming out story from a speaker at a school assembly or discover the internet community of trans influencers. 'Gender-affirming' therapists now recommend medical interventions for them. Abigail Shrier, a writer for the Wall Street Journal, investigates

this phenomenon. Shrier has talked to the girls, their agonised parents, and the therapists and doctors who enable gender transitions, as well as to 'detransitioners' - young women who regret what they have done to themselves. Shrier concludes that far too much of the discourse around being female is negative, and offers a series of steps parents can take to enhance their daughters' well-being. 'Every parent needs to read this' Helen Joyce

To Be a Woman - Katie J. McCoy 2023-06-06

We live in a cultural moment where the definition of "woman" eludes the keenest of thinkers and brightest of scientists, where one's biological sex and one's gender are divorced, where the meaning of gender itself is a constantly moving target, and where girls and women, especially, struggle to know who they are. Where societal confusion has naturally ensued from this state of affairs, and Christians especially wonder how to think and respond to it, Katie J. McCoy offers a clear and helpful guide in her debut trade book, *To Be a Woman*. In these pages, Katie will help you understand: Why, as a culture, we've arrived in such a place of gender confusion What the relationship is between biological sex and gender, and why this relationship is so crucial The truth about gender transitioning, including the irreversible damage of hormone therapy on the female human body Common myths and misunderstandings in the gender debate What Scripture and science have to say on the matter Ways to respond in a Christlike way to loved ones struggling with gender identity

Out Online: Trans Self-Representation and Community Building on YouTube - Tobias Raun 2016-05-05

Trans people are increasingly stepping out of the shadow of pathologization and secretiveness to tell their life stories, share information and to connect with like-minded others, using YouTube as a platform. *Out Online: Trans Self-Representation and Community Building on YouTube* explores the digital revolution of trans video blogging, addressing 'trans' in its many meanings and configurations to examine the different ways in which the body in transformation and the vlog as a medium intersect. Drawing on rich, virtual ethnographic studies of trans

video blogging, the author sheds light on the ways in which the video blog (or 'vlog') as a multimodal medium enables trans people to tell their stories with the use of sound, text, music, and pictures - thus offering new ways to construct and archive bodily changes, and to revise the story endlessly. A groundbreaking study of the intersection between trans identity and technology, *Out Online* explores the transformative and therapeutic potential of the video blog as a means by which trans vloggers can emerge and develop online, using the vlog as a site for creation, intervention, community building and resistance. As such, it will appeal to social scientists and scholars of cultural and media studies with interests in gender, sexuality and embodiment.

The New Girl: A Trans Girl Tells It Like It Is - Rhyannon Styles
2017-06-01

'Inspiring and heart-wrenching' Paloma Faith 'Love Rhyannon. Love this book' Grace Dent The remarkable transgender memoir you won't stop hearing about. Rhyannon Styles will do for transgender what Matt Haig did for mental health. Elle columnist Rhyannon Styles tells her unforgettable life story in *THE NEW GIRL*, reflecting on her past and charting her incredible journey from male to female. A raw, frank and utterly moving celebration of life. Imagine feeling lost in your own body. Imagine spending years living a lie, denying what makes you 'you'. This was Ryan's reality. He had to choose: die as a man or live as a woman. In 2012, Ryan chose Rhyannon. At the age of thirty she began her transition, taking the first steps on the long road to her true self. Rhyannon holds nothing back in *THE NEW GIRL*, a heartbreakingly honest telling of her life. Through her catastrophic lows and incredible highs, she paints a glorious technicolour picture of what it's like to be transgender. From cabaret drag acts, brushes with celebrity and Parisian clown school, to struggles with addiction and crippling depression, Rhyannon's story is like nothing you've read before. Narrated with searing honesty, humour and poignancy, *THE NEW GIRL* is a powerful book about being true to ourselves, for anyone who's ever felt a little lost.

Before I Had the Words - Skylar Kergil 2017-09-05

At the beginning of his physical transition from female to male, then-seventeen-year-old Skylar Kergil posted his first video on YouTube. In the months and years that followed, he recorded weekly update videos about the physical and emotional changes he experienced. Skylar's openness and positivity attracted thousands of viewers, who followed along as his voice deepened and his body changed shape. Through surgeries and recovery, highs and lows, from high school to college to the real world, Skylar welcomed others on his journey. *Before I Had the Words* is the story of what came before the videos and what happened behind the scenes. From early childhood memories to the changes and confusion brought by adolescence, Skylar reflects on coming of age while struggling to understand his gender. As humorous as it is heartbreaking and as informative as it is entertaining, this memoir provides an intimate look at the experience of transitioning from one gender to another. Skylar opens up about the long path to gaining his family's acceptance and to accepting himself, sharing stories along the way about smaller challenges like choosing a new name and learning to shave without eyebrow mishaps. Revealing entries from the author's personal journals as well as interviews with members of his family lend remarkable depth to Skylar's story. A groundbreaking chronicle of change, loss, discovery, pain, and relief, *Before I Had the Words* brings new meaning to the phrase "formative years."

Finding Masculinity - Emmett J.P. Lundberg 2015-05-13

"Living out something you've spent countless hours daydreaming about and wondering about is an experience that isn't easily put into words." - Will Krisanda *Finding Masculinity* is a collection of stories from a small cross section of the transgender male community that shares insight into the diversity of life experiences of transgender men, beyond the traditional narrative. This anthology examines the many facets of life that transition impacts; transitioning on the job, emotional and spiritual growth, family, navigating the medical community, as well as romantic relationships. The stories within come from scientists, teachers, fathers, veterans, and artists who share how being visible as the masculine humans they identify as has developed, changed, and evolved their sense

of masculinity.

Sorted - Jackson Bird 2020-08-04

An unflinching and endearing memoir from LGBTQ+ advocate Jackson Bird about how, through a childhood of gender mishaps and an awkward adolescence, he finally sorted things out and came out as a transgender man in his mid-twenties. When Jackson Bird was twenty-five, he came out as a transgender to his friends, family, and anyone in the world with an internet connection. Assigned female at birth and raised as a girl, he often wondered if he should have been born a boy. Jackson didn't share this thought with anyone because he didn't think he could share it with anyone. Growing up in Texas in the 1990s, he had no transgender role models. He barely remembers meeting anyone who was openly gay, let alone being taught that transgender people existed outside of punchlines. In this "soulful and heartfelt coming-of-age story" (Jamia Wilson, director and publisher of the Feminist Press), Jackson chronicles the ups and downs of growing up gender confused. Illuminated by journal entries spanning childhood to adolescence to today, he candidly recalls the challenges and loneliness he endured as he came to terms with both his gender and his bisexual identity. With warmth and wit, Jackson also recounts how he navigated the many obstacles and quirks of his transition--like figuring out how to have a chest binder delivered to his NYU dorm room and having an emotional breakdown at a Harry Potter fan convention. From his first shot of testosterone to his eventual top surgery, Jackson lets you in on every part of his journey--taking the time to explain trans terminology and little-known facts about gender and identity along the way. "A compassionate, tender-hearted, and accessible book for anyone who might need a hand to hold as they walk through their own transition or the transition of a loved one" (Austin Chant, author of *Peter Darling*), *Sorted* demonstrates the power and beauty in being yourself, even when you're not sure who "yourself" is.

Trans Mission - Alex Bertie 2017-11-02

I guess we should start at the beginning. I was born on 2 November 1995. The doctors in the hospital took one look at my genitals and slapped an F on my birth certificate. 'F' for female, not fail - though that

would actually have been kind of appropriate given present circumstances. When I was 15, I realised I was a transgender man. That makes it sound like I suddenly had some kind of lightbulb moment. In reality, coming to grips with my identity has taken a long time. Over the last six years, I've come out to my family and friends, changed my name, battled the healthcare system, started taking male hormones and have had surgery on my chest. My quest to a beard is almost complete. This is my story.

Male, Female, Other? - Jason Evert 2022-12-01

What is gender? Few words today generate as much controversy as "gender." Students, parents, and educators are asking: How many genders are there? What if my daughter says she's trans? Do some people have an intersex brain? Should I use their preferred pronouns? Is gender a social construct? Does surgery prevent suicide? Are puberty blockers safe? What if I experience gender dysphoria? In *Male, Female, Other?* Jason Evert addresses the most common claims of gender theory and shows how to respond with charity and clarity. If you care about someone who identifies as trans and don't know how to respond, or you experience gender dysphoria and wonder what God's plan is for you, you'll find the answers inside.

[Trans Life Survivors](#) - Walt Heyer 2018-10-23

Trans Life Survivors powerfully portrays the human toll inflicted by so-called "gender experts" who push gender transition on people who don't need it. This one-of-a-kind book is packed with information: - Emails from 30 transgender survivors - The latest research - A section for transgender teens and children - Lists of other resources

[To My Trans Sisters](#) - Charlie Craggs 2017-10-19

Lambda Literary Award Finalist - LGBTQ Anthology Dedicated to trans women everywhere, this inspirational collection of letters written by successful trans women shares the lessons they learnt on their journeys to womanhood, celebrating their achievements and empowering the next generation to become who they truly are. Written by politicians, scientists, models, athletes, authors, actors, and activists from around the world, these letters capture the diversity of the trans experience and

offer advice from make-up and dating through to fighting dysphoria and transphobia. By turns honest and heartfelt, funny and furious or beautiful and brave, these letters send a clear message of hope to their sisters: each of these women have gone through the struggles of transition and emerged the other side as accomplished, confident women; and if we made it sister, so can you!

The T Guide - Gigi Gorgeous 2023-05-16

Real talk about transgender experiences from Gigi Gorgeous and Gottmik In this fabulous, fashion-forward guide, transgender icons Gigi Gorgeous and Gottmik discuss the ins and outs of being transgender with their honest, hilarious, and GORGEOUS tales of what it means to be true to oneself-and they've picked up a few friends along the way. Whether you're embarking on your own transgender journey or seeking the knowledge to be the best ally you can be, there is something to be learned from every story they tell. Join the conversation with Gigi and Gottmik as they get real with discussions on: -the gender and sexuality spectrums -the experience of coming out -navigating gendered public restrooms -parenting transgender children -the concepts of physical and internal transitions -tips and tricks for more masculine or feminine features -cosmetic and confirmation surgery The T Guide also includes anecdotes and advice from advocates, allies, and activists across the gender spectrum. Contributors include U.S. Senator Sarah McBride, musician Adam Lambert, and the iconic Paris Hilton.

The Making of a Man - Maxim Februari 2015-04-15

In the autumn of 2012, Maxim Februari—known until then as writer and philosopher Marjolijn Februari—announced his intention to live as a man. The news was greeted with a diversity of reactions, from curiosity to unease. These responses made it absolutely clear to Februari that most of us don't know how to think about transsexuality. *The Making of a Man* explores this lacuna through a deeply personal meditation on a profoundly universal aspect of our identities. Februari contemplates the many questions that sexual transitions entail: the clinical effects of testosterone, the alteration of sexual organs, and its effects on sexual intimacy; how transsexuality figures in the law; and how it challenges the way we talk about sex and gender, such as the seemingly minor—but crucially important—difference between the terms “transsexual” and “transgender.” He analyzes our impressions of effeminate men and butch women, separating apparent acceptance from actual prejudice, and critically examines the curious requirement in many countries that one must demonstrate a psychological disturbance—a “gender identity disorder”—in order to be granted sex change therapies. From there he explores the seemingly endless minutiae changing genders or sex effect, from the little box with an M or an F on passports to the shockingly sudden way testosterone can adjust physical features. With his characteristically clear voice combined with intimate—sometimes moving, sometimes funny—ruminations, Februari wakes readers up to all the ways, big and small, our world is structured by sex and gender.
