Bagels and Cream Cheese - Richard Bartlett 2023-11-14

Charles is a 54-year-old businessman with offices in Saint Petersburg, Russia and New York. He's the CEO and Owner of Clean Power, inc., a company that drills for and installs Geothermal energy systems. An internal theft of confidential information nearly causes the failure of his company. He is broken emotionally after losing his biological family, and combined with the theft, he's on the verge of a nervous breakdown and suicide. A 32-year-old driven and successful entrepreneur, Marina, owns Marina's Fashions in chic downtown Saint Petersburg, Russia, next door to Clean Power, Inc. She meets Charles at an office party at Marina's Fashions. They are attracted to each other but after several failed attempts to meet for intimacy, they finally have sex on their third date. Charles travels to different countries, proposing Geothermal power to private and governmental entities. He meets Marina at romantic getaways as he travels for business. They visit exciting places like the Chichen Itza pyramids in the Yucatan, the Amazon Rainforest, the Caribbean, Egypt, and more. They eat exotic foods indigenous to the cultures they're visiting. He introduces her to Churrasco in the Amazon Rainforest, Mayan food in Chichen Itza, they swim nude in a Cenote. They learn of the medicinal qualities of plants native to the Amazon Rainforest. Natalia is a beautiful 28-year-old woman who studied to be a nun but decided she wanted to enjoy sex for the first time and to have a family. So she drops her studies to be a nun and goes to nursing school instead. She is assigned to a remote village in the Urals where CP, Inc. is drilling to install a Geothermal unit. She travels to Saint Petersburg, Russia for a meeting with one of her sponsors and meets Charles in a thunderstorm. They are attracted to each other, and Natalia eventually gives Charles her virginity.

Making a Joke out of One's Life - Ken Willidau 2008-12-15

Written for people who aren't laughing at the joke their own life has become, *Making a Joke Out of Ones Life* contains over 2,500 jokes and

one-liners that lets readers laugh at someone else's for a change. Ken Willidau's unique brand of humour addresses all aspects of life - from birth to death and everything in between. Willidau employs a variety of humorous devices to convey his message. Mostly drugs, alcohol and his brain. Ken Willidau's philosophy is that if you're going to make a joke out of your life you might as well make it one everyone can get a good laugh out of, too. The myriad of one-liners includes dark humour, tongue-in-cheek, a few jokes going around town about you, jest, self-defecating humour, plays on words and more. Book sections revolve around themes such as school, religion, sporting, sex, depression and aging. The chapters chart a route through life that make for interesting reading from innocent beginnings to the bitter end and Willidau hopes you'll be just killing yourself laughing by the end of it all, too. Throughout the course of the book, *Here Goes Nothing The First Weak, The Deformative Years, Friends and Enemas, Sporting A Black Eye, Proxy Morons and Th-Th-Th-That's All Fooks* are just a few of the given takes on the stages of life you'll encounter. Looking at life through Ken Willidau's eyes will give you more appreciation for your own life or, at the very least, give you a reason to laugh through some of it, if not exactly at it, right now. *Making a Joke Out of Ones Life* is a perfect read for one of those dismal days when that lonely bottle of wine just isn't enough and adding some cheese would, at least, make it look like you're a happy party of one, anyway, and not just your own funeral party waiting to happen.

The Sex of Men in Premodern Europe - Patricia Simons 2011-10-13

A richly textured cultural history that investigates the characterization of the sex of adult male bodies before the Enlightenment.

Poetry for Laughing out Loud - Richard O Jones 2010-06-22

This book is an auxiliary of my Ministry of Laughter and to that end, it is my privilege and appointed duty to sprinkle as much laughter into the world until a psych squad scraps me down and hauls me away kicking and laughing. Laughter can save you from danger. It's true! I once made

a street robber laugh so hard that he left me alone and robbed my grandmother standing next to me. But granny wasn't one to hold a grudge. Instead of staying angry with me, she later asked me to teach her some one-liners. However, I discovered, years later after she died, that I was the only family member not in her will. Humor has been known to revive dying parties, bring people out of depression, and even restore health. Humor should be shared. What is the benefit of knowing a good joke or funny poem and get anal retentive with it? Not only will you enjoy the easy to remember poems alone but you can share a favorite selection before a boring meeting begins, share with a hospitalized friend, or at a party setting because a good laugh is always welcome. After you purchase this book, the next time you're in the mood for cheer sit down and flip through a few pages, you'll be glad you did... is my prayer.

[Billion Jokes, A \(Volume 1\)](#) - Peter Serafinowicz 2012-12-01

An endlessly inventive book of one-liners from the cult comedian, actor and Twitter legend. "I used to find buying books from Amazon slow and inconvenient, until one day the receptionist suggested I use their website." If you're new to Twitter, you'll probably at some point ask what "PSQA" means, and why it trends worldwide on a weekly basis. Peter Serafinowicz's Questions and Answers is a showcase for the razor wit and joyful nonsense of one of Britain's cleverest comedians, firing back genuinely funny instant replies to a stream of questions from the general public. This book collects together over a thousand jokes from both PSQA and Peter's own store of one-liners in a stylish, faux-Victorian, gifty hardback, just in time for Christmas. "I prefer to call Swiss cheese 'sparkling cheese'" "Some very sweaty geniuses are actually 100% perspiration" "The final version of James Brown's Sex Machine contained over 6,000 moving parts" "Who would be your dream dinner party guests, living or dead? I'd choose 'living'" "Spiderman's pyjamas are just a looser-fitting version of his daytime suit" "I think pigs have that curious smile because they know how delicious they are"

Animal pulp desire: omnibus poems II - Steve Isaak

Jokes in Greek Comedy - Naomi Scott 2023-09-21

In ancient Greek comedy, nothing is ever 'just a joke'. This book treats jokes with the seriousness they deserve, and shows that far from being mere surface-level phenomena, jokes in Greek comedy are in fact a site of poetic experimentation whose creative force expressly rivals that of serious literature. Focusing on the fragments of authors including Cratinus, Pherecrates, and Archippus alongside the extant plays of Aristophanes, Naomi Scott argues that jokes are critical to comedy's engagement with the language and convention of poetic representation. More than this, she suggests that jokes and poetry share a kind of kinship as two modes of utterance which specifically set out to flout the rules of ordinary speech. Starting with bad puns, and taking in crude slapstick, vulgar innuendo and frivolous absurdism, *Jokes in Greek Comedy* demonstrates that the apparently inconsequential jokes which pepper the surface of Greek comedy in fact amplify the impossible and defamiliarizing qualities of standard poetic practice, and reveal the fundamental ridiculousness of treating make-believe as a serious endeavour. In this way, jokes form a central part of Greek comedy's contestation of the role of language, and particularly poetic language, in the truthful representation of reality.

Not for the faint of heart, this is a rip roaring journey through a world where women rule and the telephone is king.

Sex, Cheese and French Fries - Carine Fabius 2009-08

The Shakespeare Insults Coloring Book - Patricia Crouch 2016-03-28

You'll be saying "oh, snap!" Shakespeare-style as you color 30 of the wittiest and most vivid insults ever uttered in this collection of invectives drawn from the bard's plays. Will's insults are illustrated by an eclectic array of designs, many modeled on early British book illustrations and works of art. Take guilty pleasure as you color in Shakespearean short jokes ("out, you three-inch fool!"), fat jokes ("she is spherical, like a globe"), carpe-diem sex slurs ("your virginity breeds mites, much like cheese"), slut slandering ("my wife is a hobby-horse"), zombie curses ("out, you green-sickness carrion!"), catch-all insults ("thou art a flesh-monger, a fool, and a coward") and much more!

Predictable Pleasures - Lauren A. Wynne 2020-05-01

The pursuit of balance pervades everyday life in rural Yucatán, Mexico, from the delicate negotiations between a farmer and the neighbor who wants to buy his beans to the careful addition of sour orange juice to a rich plate of eggs fried in lard. Based on intensive fieldwork in one indigenous Yucatecan community, Predictable Pleasures explores the desire for balance in this region and the many ways it manifests in human interactions with food. As shifting social conditions, especially a decline in agriculture and a deepening reliance on regional tourism, transform the manners in which people work and eat, residents of this community grapple with new ways of surviving and finding pleasure. Lauren A. Wynne examines the convergence of food and balance through deep analysis of what locals describe as acts of care. Drawing together rich ethnographic data on how people produce, exchange, consume, and talk about food, this book posits food as an accessible, pleasurable, and deeply important means by which people in rural Yucatán make clear what matters to them, finding balance in a world that seems increasingly imbalanced. Unlike many studies of globalization that point to the dissolution of local social bonds and practices, Predictable Pleasures presents an array of enduring values and practices, tracing their longevity to the material constraints of life in rural Yucatán, the deep historical and cosmological significance of food in this region, and the stubborn nature of bodily habits and tastes.
