*Sex God* Rob Bell 2012-07-24 From Rob Bell, the author of the phenomenal New York Times bestseller *Love Wins* and a Christian pastor named by Time Magazine as one of the most influential people in 2011, comes *Sex God*, an enlightening exploration of sexuality and spirituality. With profound beauty and insight, Bell addresses the truism that we can't talk about ourselves as sexual beings without asking who made us that way. For progressive Christians and readers who enjoy the writings of Donald Miller, N.T. Wrighter, Brian McLaren and Timothy Keller, Rob Bell is a pioneer among those seeking a new kind of Christian teaching.

*God and Sex* Michael Coogan 2010-10-01 An examination of sex and the Bible by one of the leading biblical scholars in the United States. For several decades, Michael Coogan's introductory course on the Old Testament has been a perennial favorite among students at Harvard University. In *God and Sex*, Coogan examines one of the most controversial aspects of the Hebrew Scripture: What the Old Testament really says about sex, and how contemporary understanding of those writings is frequently misunderstood or misrepresented. In the engaging and witty voice generations of students have appreciated, Coogan explores the language and social world of the Bible, showing how much innuendo and euphemism is at play, and illuminating the sexuality of biblical figures as well as God. By doing so, Coogan reveals the immense gap between popular use of Scripture and its original context. *God and Sex* is certain to provoke, entertain, and enlighten readers.

*Sex and God* Linda Hurcombe 2016-10-24 These stories, essays and poems by women examine the connections feminists are making between sex and God. The women write from very different perspectives, cutting across the spectrum of feminist

writing about sexuality and spirituality within the Judeo-Christian tradition. Some writers, though critical, are determined to retain their radicality in the very teeth of patriarchy by remaining within the traditional forms of faith. Others ÷ impatient, suggests the editor, with the ÷great inseminator in the sky÷ ÷ have moved on to what might be described as a post-patriarchal spirituality.

Contributions indicate the exciting spiritual journeys women are currently making and focus on the following areas: monogamy and promiscuity; sex, politics and spirituality; childbirth; sex and healing in dying; feminist sexual psychology; lesbian identity; and feminist ÷embodied÷ theology. The recent and continuing debate about women priests in the Anglican church uneasily echoes the rumblings of change at a fundamental level in the relationship between women and religion. This book, with its reflections on both the politics of Christian feminism and the more widespread expression of women's spirituality, makes an important contribution to that change. First published in 1987.

**Fill These Hearts** Christopher West 2018-06-12 The bestselling author, speaker, and teacher of John Paul II's Theology of the Body explores the yearning we all have for God and each other. Fill These Hearts is a book about desire. Not trivial wants or superficial cravings, but the most vital powers of body and soul, sexuality and spirituality, that haunt us and compel us on our search for something. Weaving life-altering lessons together from classical and contemporary art, pop music, movies, and the Christian mystical tradition, popular theologian Christopher West explores the ancient but largely forgotten idea that the restless, erotic yearnings we feel in both our bodies and our spirits reveal the cry of our hearts for God. Along the way, West blows the lid off the idea of Christianity as a repressive, anti-sex religion by demonstrating that Christ came to stretch and inflame our desire for love and union to the point of infinity.

*Finding God Through Sex* David Deida 2011-01-26 Drawing on David Deida's own history of sexual spiritual practice, *Finding God Through Sex* presents a highly unconventional, liberating, demanding, blissful picture of what spiritual intimacy can be.

**On the Bright Side, I'm Now the Girlfriend of a Sex God**

Louise Rennison 2002-05-14 Georgia Nicolson has started dating the Sex God (aka Robbie). So life should be perfect . . . except in Georgia's life, nothing is ever perfect. Her cat, Angus (the size of a small Labrador), is terrorizing the neighborhood. Her sister, Libby (who is slightly mad), hides her pooey knickers at the bottom of Georgia's bed. Then the Sex God breaks it off because she's too young. It's time for a plan. It's time for a Red Herring. It's time for Georgia to become a "heartless boy magnet!"

*Sex, God, and Rock 'n' Roll* Barry Taylor 2020-06-04 Each of us experience moments that shift the axis of our lives, nudging us into new perspectives and sometimes altering our course completely. These are thread--threads that seem mundane, silly,

or even trite but, woven together over the course of a life, bring us to places we never imagined. Sex, God, and Rock 'n' Roll is a story of such threads in one extraordinary life. Barry Taylor began adulthood on the road with a world-famous rock band, and there he found religion. He then became a theologian, priest, teacher, and a theist-non-theist-post-theist. Some of his stories will shock and others will provoke laughter and tears. Taken together, they will show just how poignantly the sacred moves in all of our lives.

**God, Sex, and Your Marriage** Juli Slattery 2022-06-07 Many Christian books talk about sexual issues within broader works on marriage, but few resources comprehensively and biblically guide couples specifically on sexual intimacy. *God, Sex, and Your Marriage* challenges the common assumptions couples have about sexuality and presents the richer biblical narrative of sex as a metaphor of God's covenant love. Dr. Juli Slattery applies that biblical framework to the practical challenges in sexual intimacy. Godly sexuality extends far beyond sexual purity and calls us to sexual integrity. God invites every couple to view their sexual relationship, including their greatest struggles, as an avenue to learn about the nature of His covenant love. It's God desire to make us more like Himself and sex within marriage is often a powerful training ground for godly character. That desire gives purpose and context to addressing pornography, healing from past wounds, sexual incompatibility, pursuing pleasure together, and forgiveness.

Comedy Sex God Pete Holmes 2019-05-14 Part autobiography, part philosophical inquiry, and part spiritual quest, *Comedy Sex God* is a hilarious, profound, and enlightening romp around the fertile mind of stand-up stand-out, podcast king, and HBO superstar Pete Holmes. Pete Holmes is a sold-out-every-night stand-up comedian with two HBO specials and the host of the hugely successful podcast *You Made It Weird*, and he was the creator-star of the hit HBO show *Crashing*. But it wasn't always

roses for Pete. Growing up, Pete was raised an evangelical Christian, but his religion taught him that being “bad”—smoking, drinking, having doubts or premarital sex—would get him sent to an eternity in hell. So, terrified of the God he loved, Pete devoted his life to being “good,” even marrying his first girlfriend at the age of twenty-two only to discover a few years later he was being cheated on. Thanks for nothing, God. Pete’s failed attempt at a picture-perfect life forced him to reexamine his beliefs, but neither atheism, nor Christianity, nor copious bottles of Yellow Tail led him to enlightenment. Pete longed for a model of faith that served him and his newfound uncertainties about the universe, so he embarked on a soul-seeking journey that continues to this day. Through encounters with mind-altering substances, honing his craft in front of thousands of his comedy fans, and spending time with savants like Ram Dass, Pete forged a new life—both spiritually and personally. Beautifully written and often completely hilarious—imagine Dass’s *Be Here Now* if penned by one of the funniest people alive—*Comedy Sex God* reveals a man at the top of his game and a seeker in search of the deeper meanings of life, love, and comedy.

**How to Become a Sex God** E. M. Lovejoy 2010-01-01 A practical guide to improving your sexual prowess and spicing up your sex life. Experienced sex therapist and counselor, E.M. Lovejoy, provides expert advice on ways to boost libido and improve sexual satisfaction.

**Rethinking Sexuality** Dr. Juli Slattery 2018-07-24 This groundbreaking resource challenges and equips Christians to think and act biblically and compassionately in matters of sexuality. Sexual abuse, sex addiction, gender confusion, brokenness, and shame plague today's world, and people are seeking clarity and hope. By contesting long-held cultural paradigms, this book equips you to see how sexuality is rooted in the broader context of God's heart and His work for us on earth. It provides a framework from which to understand the big picture of sexual challenges and wholeness,

and helps you recognize that every sexual question is ultimately a spiritual one. It shifts the paradigm from combating sexual problems to confidently proclaiming and modeling the road to sacred sexuality. Instead of arguing with the world about what's right and wrong about sexual choices, this practical resource equips you to share the love and grace of Jesus as you encounter the pain of sexual brokenness--your own or someone else's.

If It Wasn't Love Bernard J. Lynch 2012-05-25 All Religion is about the denial of God. This is a book about Life, Love, Sexuality, Death and God. It is a story of many people's stories, but most of all it is my story. Here for the first time is a truth birthed from fear and oppression and redeemed by love. When I first started putting the book together, I had some scattered ideas as to how I would do this. Some of the scenes written in the early seventies and eighties were never intended to form part of a whole. They stood alone, as a lecture here or an article there. This is in fact true for most of the project in hand. It is my hope and indeed my belief that the book holds together as one man's attempt to be honest with God. I hasten to add that in no way is this a holy book. The words erection and Resurrection, masturbation and Holy Mass all appear with equal authenticity, pain and celebration. It is no book for the pious or those seeking a quick fix.

*God and Sex* Rosalind Atkinson 2019-05-27 God and Sex: the two most powerful and misunderstood words in the English language. The presumed separation between God and Sex has vulgarized both and made them painful, anxiety inducing, and useless to our lives. Lucid, radical and gentle, this long-awaited book from globally beloved teacher Mark Whitwell clarifies the old cultural division of the sacred and the profane and how it has affected all of our lives, whether we are religious or no, and charts a way through the mess. At gatherings around the world, Mark breaks down these inherited divisions with great humour, kindness and depth of presence, opening tens of thousands of hearts to the beauty that they already are. What if I were to tell you that you can fully participate in both God and Sex? By bringing them together into clear association, each purifies the other, and both can be made profoundly useful to your life. Life is Sex. The pollen in the air is the Sex of plants. The flowers and the sounds of animals are the Sex of nature. No matter how convoluted the human mind becomes, we are still this condition. We do not need to 'become' anything in order to have a free and healthy life.

There is nothing to be liberated from. This book is for any sincere religious person conflicted about Sex, and any secular modern person trying to find a positive and enriched sexuality. It's for anyone who thinks they have to give up Sex to get to God, and anyone who thinks they have to give up God in order to enjoy Sex. It is for both men and women, for those in same-sex or opposite-sex partnerships, for those looking for partnership, and for those happily by themselves. It is for anyone wondering "What is intimacy?" and wanting a framework to understand the damage done to our lives by the belief systems that suggested God was above and Sex was below. It's for anyone dissatisfied or bored by relationship drama and the normal definitions of God and Sex-God as 'other,' Sex as something sleazy, effortful, hard to get, or fundamentally disappointing. It is for those who wish to turn their sexual life into the heart's activity, participation in God, and for those who wish to turn their religious life into the heart's activity, participation in profound intimacy with their breath, their body, and relationship of every kind. We have all been affected by the dysfunctional separation of sacred and profane. This writing is transmission that will dismiss the absurd idea that you can have God or Sex, but not both, and enable you to realise that you are, in fact, the power of the cosmos, arising as pure intelligence and utter beauty. "Mark's presentation of the teachings of Krishnamacharya as modified by the Krishnamurthis is like a sharp knife cutting through a dense mound of bullshit, and what remains is compelling in its simplicity and its humanity." - Galen Tromble, founder of Climate Yogi Chapters include, 'The Hoax of Enlightenment,' 'The Heart's Embrace of Ordinary Conditions,' and 'Regenerative Sexuality'

*Sex God* Rob Bell 2010-01-02 Sex. God. You know the two subjects are connected; you just don't have the words for how they are connected. And they cannot be separated. Where the one is, you will always find the other. When you actually live and feel and engage, you discover that the physical things around us are like windows into more. And when you talk about sexuality, you quickly end up in the spiritual---because 'this' is always about 'that.' Something deeper. Something behind it all. You can't talk about sexuality without talking about how we were made. About how we relate to each other. About how we were made to relate to each other. And that will inevitably lead you to who made us. At some point you have to talk about God. To make sense of the one, we have to explore the other. That is what this book is about.

**Sexuality: God's Gift** Anne Krabill Hershberger 2010-06-17 Big business makes big money selling a phony notion of what we want and need as sexual people. Ads insist that certain products will make us more sexually appealing. But what we really want and need is true intimacy—the knowledge that we matter to another person and are loved for who we are. We all are sexual beings, all of our lives, and relate to each other sexually all the time. God marvelously made us this way. Using the metaphor of sexuality as a good gift from God, this book offers Christian resources for living a sexually healthy and fulfilling life. "Extraordinarily

**Daniel Rose's Sex God Method** Daniel Rose 2018-09-27 The Sex God Method is a complete and comprehensive guide to sexual mastery. But, before reading it, there are a few things you should know. First, you are taking a risk of pregnancy and STDs every time you have sex. Although this risk can be minimized by safe sexual practices, it is always present. Second, you should always practice safe protected sex until you are sure that you can trust your partner. This book describes controversial sexual practices and fantasies. They are advocated only in the context of being role-playing fantasies. Keep an open mind at all times when reading this book. It is called The Sex God Method for a reason - the ideas presented in this book are not a collection of nifty tricks and techniques, but rather a system intended to change you from a sexual dud to a Sex God. Be prepared to have all your beliefs about sex challenged.

In 'The Way You Must Play Always', Gretchen, a thirteen year old who looks even younger, heads into her weekly piano lesson in nervous anticipation of her next illicit meeting with her teacher's brother, Wesley. 'Vulnerability' charts the edgy attraction a promising young artist begins to feel for her art dealer. And in the title story, 'Virgin', Jake grapples with the growing chasm between him and his wife, Sheila, a woman who was still a virgin when they wed. At a cocktail party thrown by a wealthy donor to his hospital, he ponders the intertwining imperatives of marriage - sex and love, violation and trust, spirituality and desire - even as he finds himself succumbing to the temptations of his host. Self-assured and sensual, this collection introduces the work of a young writer of unusual mastery.

Daniel Akin sets the many and varied misconceptions about sex alongside God's design to reveal His intention and blessing for this vital dimension of life.
