The Female Gaze in Documentary Film - Lisa French 2021-07-04

The Female Gaze in Documentary Film - an International Perspective makes a timely contribution to the recent rise in interest in the status, presence, achievements and issues for women in contemporary screen industries. It examines the works, contributions and participation of female documentary directors globally. The central preoccupation of the book is to consider what might constitute a 'female gaze', an inquiry that has had a long history in filmmaking, film theory and women's art. It fills a gap in the literature which to date has not substantially examined the work of female documentary directors. Moreover, research on sex, gender and the gaze has infrequently been the subject of scholarship on documentary film, particularly in comparison to narrative film or television drama. A distinctive feature of the book is that it is based on interviews with significant female documentarians from Europe, Asia and North America.

Swedish Cinema and the Sexual Revolution - Elisabet Björklund 2016-06-29

Swedish cinema became recognized for daring representations of sexuality with such films as One Summer of Happiness (1951), The Silence (1963), I Am Curious (Yellow) (1967) and a wave of sex films in the late 1960s and 1970s. The association between Swedish film and sexuality shows up frequently in popular culture. From Taxi Driver (1976) to Mad Men (2007-2015), dirty Swedish movie references abound. Yet the connection has attracted little critical attention. In this collection of new essays, Swedish and American scholars go beyond popular misconceptions to explore the origins, influences and reception of sexuality in Swedish cinema during the "sexual revolution" on both sides of the Atlantic. A broad range of topics are covered, from analyses of key films, to a behind-the-scenes study of the Swedish Film Institute, which played a significant role in opposing Swedish film censorship.

New Free Chocolate Sex - Keith Lowe 2006-03-07

Originally published in the UK, popular "lad lit" author Keith Lowe's latest book is a delicious tale of love, loss, and longing for life's sweetest rewards. Can your sworn enemy become your romantic obsession? What lies between sugar and spice? Do personal tastes ever change? And when should we try something new? As this irresistible novel reminds us, sometimes love is the least predictable flavor in life's box of chocolates. Matt, the brilliant young marketing director of the confectionery Trundel & Barr, loves chocolate. To him it represents sensuousness and innocent joy; it is to be adored, worshipped -- and exploited -- at every opportunity. For Samantha, however, chocolate represents something more sinister: While researching for a television documentary she learns that there is a darker side to Trundel & Barr, in the horrendous conditions of its African cocoa plantations. So Sam sets out to expose Matt -- until she finds herself locked up with him in his own chocolate factory. Stuck together, they are at risk of having a complete meltdown. But if Sam and Matt can find a way to confront their differences and learn to accept each other's passion for chocolate, their bitter situation stands a chance of turning out sweet....

American Masculinities in Contemporary Documentary Film - Sara Martín 2023-05-24

Most documentaries deal with men, but what do they actually say about masculinity? In this

groundbreaking volume Sara Martín analyses more than forty 21st-century documentaries to explore how they represent American men and masculinity. From Jennifer Siebel Newsom's The Mask You Live In to Raoul Peck's I Am Not Your Negro, this volume explores sixteen different faces of American masculinity: the good man, the activist, the politician, the whistleblower, the criminal, the sexual abuser, the wrongly accused, the dependent man, the soldier, the capitalist, the adventurer, the sportsman, the architect, the photographer, the musician, and the writer. The collective portrait drawn by the documentaries discloses a firm critical stance against the contradictions inherent in patriarchy, which makes American men promises of empowerment it cannot fulfill. The filmmakers' view of American masculinity emphasizes the vulnerability of disempowered men before the abuses of the patriarchal system run by hegemonic men and a loss of bearings about how to be a man after the impact of feminism, accompanied nonetheless by a celebration of resilient masculinity and of the good American man. Firmly positioning documentaries as an immensely flexible, relevant tool to understand 21st-century American men and masculinity, their past, present, and future, this book will interest students and scholars of film studies, documentary film, American cultural studies, gender, and masculinity.

Reality Fictions - Thomas W. Benson 2002

Rather than write briefly about each of the many documentary films Wiseman has made over the past 20 years, Benson (rhetoric and communication arts and sciences, Pennsylvania State U.) and Anderson (communication, U. of Massachusetts-Amherst) choose a few representative examples. They interpret the films, look at the rhetorical structures, and explore the people and processes. The first edition was published in 1989. Annotation copyrighted by Book News, Inc., Portland, OR

The Art of Arousal - Ruth Westheimer 2022-05-10

A delightful tour through the sensual side of fine art, from America's favorite sex therapist This irresistible volume presents 130 of the most engagingly erotic paintings, sculptures, prints, and drawings from diverse eras and cultures, coupled with revealing commentaries about their sexual and aesthetic content. In its organization, The Art of Arousal traces the course of a sensual relationship. It begins by examining the elements of eroticism, and then progresses from flirtation and seduction through kisses and other foreplay before ultimately arriving at consummation and blissful exhaustion. The irrepressible Dr. Ruth explores every element of sexuality in these provocative works of art, including the pleasures of looking, creative fantasizing, and the effects on male and female pleasure of the various positions depicted. All the art in this book has been chosen to meet two essential criteria: everyone portrayed must be having a good time, and each image must satisfy the high aesthetic standards of Dr. Ruth and an art historian friend, who writes with witty scholarship about the artistic aspects of these works. Now available in a revised edition that includes delightful new works by contemporary artists, The Art of Arousal is a stimulating gift for art lovers.

Sex & Genius - Conrad Williams 2016-06-02

In Michael Lear's opinion, James Hillyard is the master of the contemporary novel. Travelling to this genius's home in Italy, Michael is disappointed when Hillyard turns down the TV profile he wants to produce, but is bafflingly offered a job as the great man's literary secretary instead. This peaceful break from his failing London media career seems just what Michael needs - until beautiful actress Adela Fairfax comes to town, followed by a pack of Hollywood hounds sniffing at her heels, all trying to buy the film rights on Hillyard's as yet unpublished novel. Hillyard believes 'adaptation of any decent novel is

vandalism' but the truth is that there is a terrible secret about himself contained in it. However, Adela is convinced that she can get the rights, and will stop at nothing to secure them. Who or what are destroyed on the way are of no relevance where the Hollywood system is involved. SEX AND GENIUS is set on that high plane where creative genius and big business clash. Williams knows the territory well and he plays out his drama there with tension and panache.

Film and Sexual Politics - Kylo-Patrick R. Hart 2009-01-14

Film and Sexual Politics: A Critical Reader features a variety of noteworthy critical essays that explore the evolution, representation, and social construction of sex, gender, and sexual orientation from the early days of cinema to the early twenty-first century. This collection investigates the complex relations between film form/style and sexual politics (past and present), as well as the ideological and social ramifications of those relations for the lived realities of individuals in the United States over the course of the twentieth century and beyond. Contrary to popular perceptions of films as relatively simplistic forms of "entertainment," the essays in this collection demonstrate clearly how the act of producing meaning through the use of cinematic verbal and visual signs is far from a simple process with negligible historical consequences. This book offers insightful and satisfying reading to established and emerging scholars who explore film history, theory, and criticism, as well as to all readers with a general interest in film history and the effects of cinema on individuals and popular culture. The range of films analyzed includes Being John Malkovich, Citizen Kane, Elizabeth, Female Perversions, From Here to Eternity, Gidget, The Incredible Shrinking Man, Jackass the Movie, The Matrix, Maurice, My Own Private Idaho, Porcile, The Road to Ruin, and Wilde.

Framing the Sex Scene: A New Take on Israeli Film History - Naomi Rolef 2021-02-22

This book retells the history of Israeli film in the 1960s and 1970s in sex scenes. Through close readings of the first sex scenes in mainstream Israeli movies from this period, it explores the cultural and social contexts in which these movies were made. More specifically, it discusses how notions of collective identity, individual agency, and the public and private spheres are inscribed into and negotiated in sex scenes, especially in light of the historical events that marked these decades. This study thus pushes away from the traditional academic perception of Israeli film and opens up new ways of understanding how it has developed in recent decades. It draws on a growing international body of academic literature on the cinematic representation of sex in order to illuminate the particularities of the Israeli context in the 1960s and 1970s. Apart from film scholars and scholars of Israeli film, this study also addresses readers interested in Israeli cultural history more broadly.

In Her Place - S. T. Joshi 2006

The long history of prejudice against women has been the focus of many academic studies, but until now there has been no attempt to collect actual examples of this prejudice from books, articles, and scholarly monographs. Now S.T. Joshi has gathered together dozens of works that document the scorn and contempt for the weaker sex that most women endured for countless generations until very recently. As Joshi points out, this is the work, not of a few isolated cranks, but of the leading members of the intellectual, social, and political communities: scientists, educators, clerics, and politicians. Reading the unabashed bias against women so evident in these pages brings the entrenched misogyny of American society into vivid focus and makes one appreciate all the more the immense efforts of feminists who for more than a century have worked to overcome the stereotypes of womanly behavior long enforced by men.

In Pursuit of the English - Doris Lessing 2010-10-05

"One of the most authentic books ever written about the English....Funny, touching and so real that the smell and taste of London seem to rise from its pages." — San Francisco Chronicle
In Pursuit of the English is a novelist's account of a lusty, quarrelsome, unscrupulous, funny, pathetic, full-blooded life in a working-class rooming house. It is a shrewd and unsentimental picture of Londoners you've probably never met or even read about—though they are the real English. The cast of characters — if that term can be applied to real people — includes: Bobby Brent, a con man; Mrs. Skeffington, a genteel woman who bullies her small child and flings herself down two flights of stairs to avoid having another; and Miss Priest, a prostitute, who replies to Lessing's question "Don't you ever like sex?" with "If you're going to talk dirty, I'm not interested." In swift, barbed style, in high, hard, farcical writing that is eruptively funny, Doris Lessing records the joys and terrors of everyday life. The truth of her perception shines through the pages of a work that is a brilliant piece of cultural interpretation, an intriguing memoir and a thoroughly engaging read.

Cinema At the Edges - Abigail Loxham 2014-05-30

The works of popular Spanish film directors Julio Medem, Juan José Bigas Luna, and José Luis Guerín are newly appraised in relation to their engagement with alternative national and cinematic subjectivities. Their films examine the limitations of the cinematic gaze, as the author shows, highlighting the ways in which these directors make recourse to hybridity, contact, and interface to overcome the binary power dynamic previously thought to be a feature of cinema. This book explores their status as solely "Spanish" filmmakers while focusing on their diverse and immensely creative output, offering new readings that engage with current debates in visual culture surrounding psychoanalytic theory, phenomenology, and theories of documentary practice.

Crazy for You - Kerry Cohen 2021-09-21

A psychologist and bestselling author redefines love and sex addiction as a spectrum disorder, and offers a new approach for healing. For anyone who has wondered Why does everyone else seem to be able to make romantic relationships work, and I can't? What's wrong with me? Why is love so hard? Psychologist and bestselling memoirist Kerry Cohen is all too familiar with the questions she often hears from her clients—and has asked herself. Even though sex and love are some of the most universal, sought-after experiences we have, many of us lack the tools and understanding to approach them in a healthy way. Without knowing it, many people struggling with sex and love actually fall somewhere on the spectrum of

sex and love addiction (SLA). Sex and love addiction is still wildly misunderstood. It's shrouded in secrecy and shame, and many counselors lack the training to address it—leaving people who need help without resources. Yet SLA isn't a binary of you are or you aren't, rather, it's a spectrum. Kerry Cohen knows this all too well as both a therapist and someone who identifies on the SLA spectrum. Based on research and her own clinical experience, *Crazy for You* dives into SLA and provides an inclusive framework for understanding relationships, along with practical exercises and advice for self-assessment, discovery, and healing: Part one explains the sex and love addiction spectrum, helping you determine where you fall on it and how you got there Part two introduces strategies for breaking the spell of sex and love addiction, like behavior modifications and self-awareness techniques Part three teaches you how to navigate healthy, safe, and fulfilling relationships
