

So You Think You're Attracted To The Same Sex

Living in a Gray World - Zondervan, 2015-12-08

In today's world, the topic of homosexuality seems to be part of daily conversation in the media, in politics, and even inside churches, with pressure to accept one view or the other. And if you're a Christian teen, you may feel overwhelmed by the opinions. New York Times bestselling author Dr. Preston Sprinkle has encountered these same questions, and as a theologian and a college professor he has dealt with these issues firsthand. Through honest conversation, real-life examples, and biblical research, Dr. Sprinkle unpacks what we can know to be true, and how Scripture's overall message to us today allows us to move forward and find answers that align with God's intent. *Living in a Gray World* explores with readers: Homosexuality and other related issues, such as what it means to identify as transgender and intersex What the Bible says about homosexuality How to cultivate a heart for people Dr. Sprinkle shares biblical truth and compassion about this important topic. This book isn't just for straight students, it's for all students looking for information and guidance. *Living in a Gray World* is also an educational book that parents can read and discuss with their children.

Psychological Perspectives on Sexual Problems - Jane M. Ussher 1993

The regulation of sexuality and the careful distinction between normality and abnormality has a long and checkered history--with psychologists at the forefront of this debate. Yet any attempt to identify a simple and unitary 'psychology of sexual problems' inevitably becomes the focus of a great deal of criticism, particularly from the disciplines of psychoanalysis and feminism. The aim of *Psychological Perspectives on Sexual Problems* is both to provoke and to promote a glasnost between those whose work directly involves research and intervention in the arena of sexuality, and those who would deconstruct, criticize, and reframe any understanding of sexuality outside of the dominant discourse of psychology. The contributors examine the psychological theories associated with sexuality and sexual problems and at the same time present examples of positive and empowering practice with groups of individuals whose sexuality is often ignored or marginalized. These individuals include those with learning difficulties or physical disabilities, sex offenders, gay men with AIDS, and women with eating disorders. *Psychological Perspectives on Sexual Problems* is the first text to integrate critical theory and current clinical practice, in an attempt to arrive at a revolutionary approach to the psychology of sexuality.

FOR AS I THINK IN MY HEART SO I AM - Edward D. Andrews 2013-08-17

In *For As I Think in My Heart--So I Am: Combining Biblical Counseling with Cognitive Behavioral Therapy*, Edward D. Andrews offers practical and biblical insights on a host of issues, from the challenge of forgiveness to eating disorders, anger, alcoholism, depression, anxiety, and many others. Based on Proverbs 23:7 (NKJV): "For as he thinks in his heart, so is he," Andrews' text works from the position that if we can change the way that we think, we can change the way that we behave. *For As I Think in My Heart* enables readers to examine the lies and half-truths they tell themselves repeatedly; lies, which as one argues, contribute to mental distress and a wide range of issues in their lives. In this text, Andrews seeks to wash those lies with biblical truth by combining biblical counseling with cognitive behavioral therapy "in an effort to better understand our human condition" and give readers tools to face these challenges.

Mostly Straight - Ritch C. Savin-Williams 2017-11-13

Based on research, the author explores in this publication the personal stories of forty young men to help us understand the biological and psychological factors that led them to become mostly straight and the cultural forces that are loosening the sexual bind that many boys and young men experience.

So You Think You're Attracted to the Same Sex? - John Hart 1984

Rape Culture, Gender Violence, and Religion - Caroline Blyth 2018-03-19

This volume explores the multiple intersections between rape culture, gender violence, and religion. Each

chapter considers the ways that religious texts, theologies, and traditions engage with contemporary cultural discourses of gender, sexuality, gender violence, and rape culture. Particularly, they interrogate the multifaceted roles that religious texts and teachings can have in challenging, confirming, querying, or redefining socio-cultural understandings of rape culture and gender violence. Unique to this volume, authors explore the topic from a range of disciplinary perspectives, including anthropology, theology, biblical studies, gender and queer studies, politics, modern history, art history, linguistics, religious studies, and English literature. Together, these interdisciplinary approaches resist the tendency to oversimplify the complexity of the connections between religion, gender violence, and rape culture; rather, the volume offers readers a multi-vocal and multi-perspectival view of this crucial subject, inviting readers to think deeply about it in light of the global crisis of gender violence.

Be Yourself: Questions & Answers for Gay, Lesbian, Bisexual and Transgender Youth - 2006

Queering Law and Order - Kevin Leo Yabut Nadal 2020-08-15

Throughout US history, lesbian, gay, bisexual, transgender, and queer (LGBTQ) people have been pathologized, victimized, and criminalized. Reports of lynching, burning, or murdering of LGBTQ people have been documented for centuries. Prior to the 1970s, LGBTQ people were deemed as having psychological disorders and subsequently subject to electroshock therapy and other ineffective and cruel treatments. LGBTQ people have historically been arrested or imprisoned for crimes like sodomy, cross-dressing, and gathering in public spaces. And while there have been many strides to advocate for LGBTQ rights in contemporary times, there are still many ways that the criminal justice system works against LGBTQ and their lives, liberties, and freedoms. *Queering Law and Order: LGBTQ Communities and the Criminal Justice System* examines the state of LGBTQ people within the criminal justice system. Intertwining legal cases, academic research, and popular media, Nadal reviews a wide range of issues—ranging from historical heterosexist and transphobic legislation to police brutality to the prison industrial complex to family law. Grounded in Queer Theory and intersectional lenses, each chapter provides recommendations for queering and disrupting the justice system. This book serves as both an academic resource and a call to action for readers who are interested in advocating for LGBTQ rights.

Be True to Yourself - Matt Fuller 2020-01-01

Hear what the Bible says about how to be true to yourself. Our culture tells us that the way to be happy is to "be true to yourself". It's posted on social media, promoted in adverts, taught in schools and, even, expressed in churches. But what does that mean, and does it actually work? Matt Fuller explores how true happiness, wholeness and freedom can be found not by turning inwards and listening to our fluctuating feelings, but by listening to our creator and allowing ourselves to be shaped by who the Bible says we are. In the process, this book draws on a broad range of fascinating research and examples to give us a fresh biblical take on some of today's biggest hot-button issues. By cutting through the confusion and showing us what the Bible says, this is a book to help every Christian live with confidence in today's culture.

Gay Personality And Sexual Labeling - John Dececco, Phd 2013-12-16

Are scientists--who by definition are supposed to be objective and clinical in their theories--actually assuming common cultural prejudices and moral standards when it comes to their research on homosexuality? Some of the best minds in sexual liberation take a hard look at how homosexuality is still defined and viewed by established schools of thought and propose fascinating and often controversial ideas on the true nature of the gay personality and identity. This challenging book explores how gay people can "label" themselves or avoid the gay label entirely while still being homosexual, as well as how others label gay people.

Screw Your Perception - Kareem A Rashed 2022-08-22

Basically, Screw Your Perception is to remind us all that we are one. How is our ego getting in the way and stopping us from listening and accepting others just as they are? How can we learn to live in love and in relation with another? How can we learn and understand one another? What if we listened? What if we allowed others to be themselves? What if we let go? What if we were willing to look ourself in the mirror? What if we might just be each other's reflection? What if we were here to learn, to show empathy, to love, and to accept one another? Can we accept others just as they are? Can we accept them even when to us, what they are saying, thinking, or doing seems so different from what we are saying, thinking, or doing? The big question: Can we deflate our ego and stop trying to change everyone else? Maybe it is about changing ourselves. Maybe it is all about connection rather than division?

When Homosexuality Hits Home - Joe Dallas 2004-07-15

The heart-wrenching declaration that a loved one is a homosexual is increasingly being heard in Christian households across America. How can this be? What went wrong? Is there a cure? In this straightforward book, Joe Dallas offers practical counsel, step by step, on how to deal with the many conflicts and emotions parents, grandparents, brothers and sisters or any family member will experience when learning of a loved one's homosexuality. Drawing from his own experience and from his many years of helping families work through this perplexing and unexpected situation, Joe offers scriptural and compassionate advice to both struggling gays and those who love them.

Sexual Citizenship - David Trevor Evans 1993

This provocative book provides a new grounding for the understanding of sexual rights. It examines the ways in which sexuality is constructed, with reference to the rights and lack of rights of homosexuals, transvestites, children and others.

Sexual Citizenship - David Evans 2013-01-11

This enthralling and provocative book provides a new grounding for the understanding of sexual rights. It argues that all varieties of sexuality under capitalism are materially constructed out of the complex interrelationship between the market and the state. The examples of different sexual rights and lack of rights that it examines include the experience of male homosexuals, bisexuals, transvestites, transsexualists and children. Meticulous, focused and challenging, it will be required reading for anyone interested in modern human sexualities.

Walking with Same-Sex Attracted Friends - Ng Zhi-Wen

"This book seeks to both encourage those who are serious about following Christ but who are struggling with same-sex attraction, and to challenge the church to lend a listening ear and a helping and welcoming hand. The stories in this book are told with pathos, honesty, and courage. We must all recognise that whatever our story or struggle with sin (and we all have struggles), God has chosen us to be His children so that we can be conformed to the likeness of His Son. The church should understand this and provide a safe redemptive space to all of us sinners, whatever our problem, surrounded by the sheltering canopy of God's

unchanging truth and abiding love." From the Foreword by Bishop Emeritus Dr Robert Solomon, The Methodist Church in Singapore

Same-Sex Attraction and the Church - Ed Shaw 2015-11-09

When Christians have same-sex attraction, how should the church respond? Pastor Ed Shaw experiences same-sex attraction, yet he is committed to Scripture and the church's traditional position on sexuality. In this honest book, he shares his own experiences and shows us that obedience to Jesus is ultimately the only way to experience life to the full.

Hearings, Reports and Prints of the House Committee on the District of Columbia - United States. Congress. House. Committee on the District of Columbia

The Handbook of Psychotherapy - Petruska Clarkson 2013-11-19

First published in 1994. Routledge is an imprint of Taylor & Francis, an informa company.

Hope for the Same-Sex Attracted - Ron Citlau 2017-03-14

Helping the Same-Sex Attracted Faithfully Follow Jesus As Christians seek to be biblically faithful on the issue of homosexuality, two fundamental questions come to mind: How can a person with same-sex attraction faithfully follow Jesus in his or her sexuality? And how can we support and encourage them in this? With compassion and wisdom--on a topic rife with misunderstanding and hurt--author and pastor Ron Citlau will help you think deeply and clearly about every option the Bible offers, and what it clearly does not. Having personally dealt with same-sex attraction, walked with others still struggling, and pastored those with gay loved ones, he thoroughly examines all of the available options--heterosexual marriage, singleness, celibacy, and more--and considers them in light of the Scriptures. With clarity and grace, he helps you discover the remarkable gifts God provides to the Christian who struggles with same-sex attraction and desires to faithfully follow Jesus. Here is a message of hope and practical, loving guidance for those who are same-sex attracted--and those who love them.

Handbook of Counselling - Gladeana McMahon 2014-04-23

The Handbook of Counselling provides a comprehensive and up-to-the-minute guide for counsellors and those using counselling skills in other professions. The contributors, all experienced practitioners, explore the major arenas and settings in which counselling is practised as well as the key themes and issues faced by those working in this field. This edition of the handbook has been thoroughly revised and updated to reflect the pace of growth and change within counselling over recent years. Six new chapters have been added, covering: * brief and time-limited counselling * working with adults abused as children * trauma and post-traumatic stress disorder * counsellor-client exploitation * private practice * counselling in voluntary settings. Published in association with the British Association for Counselling, the Handbook of Counselling provides a definitive source of information and guidance for counsellors both in training and practice.
