All Last Summer - Stephanie J. Scott 2021-04-13
Sometimes life doesn't go according to plan. My summer was planned from packing lists to trip itineraries. Or so I'd thought. It's the night before my trip abroad, and my boyfriend Matt showed up at a party with another girl. The boyfriend I'm supposed to spend seven weeks with in Brazil. No way can I board that plane. With my trip tickets ripped up and the money down the drain, I owe my parents big-time. The only job hiring is Teed Off!, the driving range that just-so-happens to employ Matt's trio of best friends. Matt's friends don't like my presence on their artificial turf, so pranking me becomes their second part-time job. They definitely don't want me winning the bonus money our boss is

offering for an idea to improve the business. By chance on a summer night, Matt's head crony best friend Aidan is there for me when no one else is around. Turns out, he and Matt haven't been close for a while. Aidan begins to see through to the real me—the me I'd kept from Matt to be the person I've always longed to be—popular with a boyfriend, all according to plan. Now I have a new problem. I'm falling for my enemy. All Last Summer is a young adult summer job romance and the first book in the Love on Summer Break series. The Second Summer of Love - Alon Shulman
2019-05-02

'The definitive look at dance music and club culture - a must read' - Paul Oakenfold
'Brilliantly woven collection of aural histories ... a damn fine read' - DJ MAG
In 1987, four friends from London, Paul Oakenfold, Danny Rampling, Nicky Holloway and Johnny Walker, took a week-long holiday to Ibiza. What they saw there, and brought back home, would give rise to a new global music and counterculture movement. As the eighties drew to their close, with Thatcherism holding the nation tight in its grip, something funny was happening right across the jungle of Britain's nightlife scene. People were dressing down, not up, to go to clubs. And they were dancing right through the night armed

seemingly with only bottles of water. Ecstasy and acid house music had arrived on British shores, and a tribal battle between for the moral future of the nation, between the youth and the establishment, had begun. In *The Second Summer of Love*, author and dance music promoter Alon Shulman uses exclusive contributions from the world's biggest DJs, including Paul Oakenfold, Carl Cox, Fatboy Slim, Moby, Faithless, Mr C, Farley & Heller, Danny Rampling and many others to faithfully recreate the story of the summers of 1988 and 1989, and chart the birth and rise of Acid House, dance music and club culture right through to the modern day where dance music has become a culturally dominant global industry. Complete with stunning unseen photographs, this is the first authentic account of what really happened in that glorious period - from the politics and the people to the music, the drugs, the fashion and the culture - told by people who were there, as they bring to life the creation of an underground

scene which inadvertently altered the course of modern global youth culture forever. 'It's as if house music and rave culture tapped into this ancient predilection of humans to stay up all night dancing and staring into the fire, and just supercharged it with electricity and MDMA' - Moby 'What I was experiencing was right in front of my eyes, it was happening right now and I loved it' - Carl Cox 'It opened my eyes and ears to a different spirit in music' - Fatboy Slim

 "Sian Bishop has left behind the hustle and bustle of the city and thrown herself into a new life in the country. With her young son, her picture-postcard garden and her small thriving business, she's happy and very busy. She is not--repeat not--looking for love. And then, one glorious summer evening, Gus Berresford arrives. One-time explorer, full-time heartbreaker, Gus is ridiculously exciting, wonderfully glamorous--and, Sian tells herself, completely wrong for a romantically cautious

single woman like her. But she and Gus have met before. And, despite Sian's best intentions, it isn't long before she's falling for him all over again"--Page 4 of cover.

Twenty-six years after that amazing summer, Ariel, Sheila, Wyatt, and Nick reunite at the hotel where they first met. Now it's called The Lighthouse and Nick owns the entire operation with his wife and daughter. Ariel and Wyatt, married for decades, arrive with their son, and Sheila's back too, with her daughter by her side. Life hasn't exactly worked out the way they had

all hoped. Ariel's dreams have since faded and been pushed aside, but she's determined to rediscover the passion she once had. A Summer Love Affair - Holly Chamberlin

2022-06-28

Summer in Maine means breezy, sun-kissed beach days, golden evenings, and, in bestselling author Holly Chamberlin's irresistible novels, a time for self-discovery and surprising connections . . . Sometimes you sense something, deep inside, long before it's proven true. Thirty-year-old Petra Quirk has always felt as if a vital element of her life is missing. It's not until she moves back to the small town of Eliot's Corner for the summer that she learns why. Rummaging in the attic, Petra comes across a diary. The discovery prompts her mother, Elizabeth, to make a confession to her three daughters. Decades ago, she fell in love with her husband's best friend, Chris—and Petra is Chris's child . . . Elizabeth ended the affair

before she learned she was pregnant, and Chris has no idea he's a father. Hugh, who Petra believed to be her dad, was a good-natured but self-centered, blustering man. He and Chris seemed to have little in common, though their friendship was genuine. Elizabeth loved Chris deeply yet refused to tear her family apart. Even since Hugh's death, she's resisted contacting Chris. But Petra, floundering and unsure of her path, is compelled to search out her biological father, though she knows it will complicate her relationship with her family. Over the course of two summers, decades apart, romance will be

kindled and rekindled, life-altering decisions made, and secrets of the heart will come to light at last. Praise for the novels of Holly Chamberlin "A great summer read but with substance. It will find a wide audience in its exploration of sisterhood, family, and loss." —Library Journal on Summer with My Sisters "Nostalgia over real-life friendships lost and regained pulls readers into the story." —USA Today on Summer Friends **Elizabeth's Summer Love -**
