**Great Circle** - Maggie Shipstead 2021-05-04  
NEW YORK TIMES BESTSELLER • A TODAY  
SHOW #ReadWithJenna BOOK CLUB PICK •

The unforgettable story of a daredevil female aviator determined to chart her own course in life, at any cost: an “epic trip—through Prohibition and World War II, from Montana to London to present-day Hollywood—and you’ll relish every minute” (People). After being rescued as infants from a sinking ocean liner in 1914, Marian and Jamie Graves are raised by their dissolute uncle in Missoula, Montana. There--after encountering a pair of barnstorming pilots passing through town in beat-up biplanes--Marian commences her lifelong love affair with flight. At fourteen she drops out of school and finds an unexpected and dangerous patron in a wealthy bootlegger who provides a plane and subsidizes her lessons, an arrangement that will haunt her for the rest of her life, even as it allows her to fulfill her destiny:

circumnavigating the globe by flying over the North and South Poles. A century later, Hadley Baxter is cast to play Marian in a film that centers on Marian's disappearance in Antarctica. Vibrant, canny, disgusted with the claustrophobia of Hollywood, Hadley is eager to redefine herself after a romantic film franchise has imprisoned her in the grip of cult celebrity. Her immersion into the character of Marian unfolds, thrillingly, alongside Marian's own story, as the two women's fates--and their hunger for self-determination in vastly different geographies and times--collide. Epic and emotional, meticulously researched and gloriously told, *Great Circle* is a monumental work of art, and a tremendous leap forward for the prodigiously gifted Maggie Shipstead.

reaching young people and effectively promoting sexual health in Latin America and the Caribbean. It has been developed by the Child and Adolescent Health and HIV/AIDS Units, Family and Community Health Area, PAHO/WHO to assist in reaching young people and effectively promoting sexual health. It contains detailed and theory-based actions and methods to improve the quality of services for young people. Youth-centered counseling, to be effective, must respond to young people's individual sexual behaviour, context, and developmental stage. While the book includes guideline, strategies, and the theoretical underpinnings guiding the practice of counseling, the accompanying CD provides an additional practical tool. Based on experience from youth-centered counseling workshops, the CD serves both for self learning and as teaching materials in a group setting.

*It's Always Something* - Gilda Radner 2009-05-19  
Fresh from the Second City troupe in Toronto, Gilda Radner created such memorable characters as Emily Litella and Roseanne Roseannadanna as a member of the original cast of Saturday Night Live. The wife of Gene Wilder, Gilda was plagued by persistent health problems and two miscarriages, and was diagnosed with ovarian cancer in 1986. Brave, funny, and painfully honest, the twentieth-anniversary edition of *It's Always Something* is the story of Gilda's journey while living with cancer and her determination to continue laughing. "Cancer," she said, "is about the most unfunny thing in the world." But Gilda's gutsy and unique sense of humor never left her as she describes two years of cancer treatment -- surgery, chemotherapy, and radiation treatment, as well as the high and low points of her own career. Told as only Gilda could tell it, and newly revised to include a resource guide for those living with cancer, *It's Always Something* is the inspiring story of a

**The Earth, My Butt, and Other Big Round Things** - Carolyn Mackler 2018-04-05

Fifteen-year-old Virginia feels like a fat, awkward outsider in her perfect family, especially next to her golden-boy big brother Byron. She's got a lot to deal with - her weight, her best friend moving away, the mean girls at school - not to mention a boy who seems to like her! To survive, she decides to follow the 'Fat Girl Code of Conduct' to make herself acceptable, unnoticed ... invisible. It seems to be working until something unthinkable happens and, before her eyes, Virginia's flawless family begins to fall apart. As her world spins out of orbit, Virginia realises that breaking the Fat Girl Code might be the only way to create a life that belongs to her. Carolyn Mackler's acclaimed book has been updated for a new audience and is as relevant, funny and full of heart as it was

(Gannett). Now, Dr Carle brings her effective, commonsense approach on romance to teenage girls. He's Not All That! shows girls how to protect themselves from the not-so-good guys. Her direct and honest writing demonstrates how to find stable, loving relationships-both with guys and girls-and prevent a lifetime of unhealthy and unhappy commitments. The book is jam-packed with quizzes, exercises, and, of course, her famous "Gilda-Grams," which are guaranteed to address girls' most pressing problems. He's Not All That! includes unique empowerment tools that make girls independent thinkers who don't let boys or friends rule their lives. **Teen Talk with Dr. Gilda** - Dr. Gilda Carle  
2003-03-18

Whassup with your relationships? Do you have trouble snagging a guy -- or that guy? Does your boyfriend not make you a priority? Do your girlfriends run hot and cold more than you'd like? Based on thousands of e-mails she receives from around the world, Dr. Gilda -- formerly MTV Online's "Love Doc" -- has written a book that addresses teen issues as they really are.

Teen Talk with Dr. Gilda shows girls how to

protect themselves from the not-so-good guys and girlfriends, find stable, loving relationships , and prevent a lifetime of unhealthy and unhappy commitments. Jampacked with quizzes, exercises, and her famous "Gilda-Grams," Teen Talk with Dr. Gilda is a must-read for all teenage girls -- as well as their concerned moms. Gilda-Grams to Remember No matter what a guy tells you, the only things to believe are his actions. To have a good friend, you must be a good friend. Attracting attention is not the same as attracting love. It's not important to be part of a couple. It's more important to be part of the right couple.
