[The Pioneer Woman Cooks—Food from My Frontier \(Enhanced\)](#) - Ree Drummond  
2012-03-27

The enhanced e-book edition of *The Pioneer Woman Cooks: Food from My Frontier* gives you behind-the-scenes access to Ree at home on her ranch. In it you'll find videos of Ree cooking a bunch of her favorite recipes, six recipes not found in the book, and Ree's list of her favorite movies and songs to cook to. I'm Pioneer Woman. And I love to cook. Once upon a time, I fell in love with a cowboy. A strapping, rugged, chaps-wearing cowboy. Then I married him, moved to his ranch, had his babies . . . and

wound up loving it. Except the manure. Living in the country for more than fifteen years has taught me a handful of eternal truths: every new day is a blessing, every drop of rain is a gift . . . and nothing tastes more delicious than food you cook yourself. *The Pioneer Woman Cooks: Food from My Frontier* is a mouthwatering collection of the simple-but-scrumptious recipes that rotate through my kitchen on a regular basis, including Cowgirl Quiche, Sloppy Joes, Italian Meatball Soup, White Chicken Enchiladas, and a spicy Carnitas Pizza that'll win you over for life. There are also some elegant offerings for more special occasions at your house: Osso Buco, Honey-

Plum-Soy Chicken, and Rib-Eye Steak with an irresistible Onion-Blue Cheese Sauce. And the decadent assortment of desserts, including Blackberry Chip Ice Cream, Apple Dumplings, and Coffee Cream Cake, will make your heart go pitter-pat in the most wonderful way. In addition to detailed step-by-step photographs, all the recipes in this book have one other important quality in common: They're guaranteed to make your kids, sweetheart, dinner guests, in-laws, friends, cousins, or resident cowboys smile, sigh, and beg for seconds. (And hug you and kiss you and be devoted to you for life.) I hope you enjoy, devour, and love this book. I sure did love making it for you.

Then a chance encounter with a devastatingly handsome and masculine cowboy changed everything ... A charming, bright and funny memoir for anyone who's ever despaired of finding old - fashioned, lasting love. That's when I saw him - the cowboy - across the smoky room. clubbing with friends in her ubiquitous black heels. He was pure country. Strong and sure and raised on a ranch, his cowboy boots bore the hallmarks of hard work. His idea of a good time was a quiet steak and beer with his brother after a satisfying day's yakka. Home from LA for a quick break before moving to Chicago, Ree Drummond was out with friends one night when she spied a tall, handsome cowboy across the room. The attraction between them was immediate and they found themselves talking into the night. Life intervened for a while, but they were destined to meet again. And so began an unlikely romance between two very different people, one who thrived on the excitement and variety of city life, the other with a deep love of the land his family had been farming for generations. Would their growing passion for each other be enough to overcome the obstacles between them? *Black Heels to Tractor Wheels* isn't just a love story; it's a universal tale of passion, romance, and the sort of all-

encompassing love that sweeps us off our feet.

**Frontier Follies** - Ree Drummond 2020-11-17  
New York Times bestseller A down-to-earth, hilarious collection of stories and musings on marriage, motherhood, and country life from the #1 New York Times bestselling author and star

of the Food Network show The Pioneer Woman, Ree Drummond. Once upon a time, I lost my marbles and married a sexy, Wrangler-wearing cowboy named Ladd. That single decision would wind up setting the stage for years of rural adventures (and misadventures), and while I can't imagine my life being any different, raising a family in the “idyllic” countryside has not been without a few bumps in the road. (Or were those cow patties? It's hard to tell the difference sometimes.) I'm excited to share this crazy collection of true stories from my full-of-energy, hard-to-tame, wonderfully wild (and very weird) frontier family. From the unique challenges of being married to a rancher to the blood, sweat, mud, and tears of raising country kids, I'll pull back the curtain and let you in on some of the sh\*t and shenanigans that have really gone on here on Drummond Ranch over the past two-plus decades. You'll learn about marital spats, run-ins with wildlife, ER visits, my parenting neuroses, triumphs, tribulations, love, loss . . . and how

manure has somehow managed to weave its way through all of it. To keep things up to the minute, you'll also hear about more recent family developments that have tested my sanity and pushed me to the brink. (And pleasantly surprised me, too.) This book is both a love letter and a laugh letter, and I hope you get a big kick out of it all: the good, the bad, and the dirty. Mostly, I hope it demonstrates how much I adore this family of mine . . . even if I sometimes have to use rubber snakes to show it.
