Truth Or Dare; The Dominator II - D. D. Prince 2015-08-15

If you liked The Dominator, you'll want to read the story of Dario Ferrano falling in love. This is a mafia romance. Reading book one before reading this book is recommended and necessary. Want more Ferrano alpha male hotness? Get to know Dario a whole lot better in this continuation story about the Ferrano family. Dario is Tommy's younger brother and after seeing his brother fall in love Dare's new motto is MAN WHORE NO MORE! Dare wants his happily ever after. But, after Dare comes home from his brother's wedding and celebrates his 25th birthday he gets a posthumous gift from his father, one that'll change the course of his life.

*** Before my father died he arranged for my brother to get married, gifted him with a girl. After I saw the impact of that girl on my brother's life I joked with him that I wanted a mail-order bride for my upcoming birthday, joked about it with emotions about my now sister-in-law that I should not EVER have been feeling. My father joked back that he was already shopping around and would find me a perfect fit. At least I'd thought he'd been joking. But when I got home from my brother's wedding I found out that before Pop died he had gotten that ball rolling. He'd gotten things rolling in a way that could not be stopped and that was going to be a problem. A messy problem. See, my Pop was deeply involved in a human trafficking ring, one of the many involvements he'd neglected to tell me and my brother about as he prepared us to take over the family business. We never knew that what he'd had in mind for us was just the top skim off a cesspool of filth he'd been too happy to be wading in. We had suspicions but we had no clue just how filthy it truly was. A little less than two months before my birthday he had asked me what I wanted in a bride. "What's on your wish list, son?" Pop asked. "Beautiful. Redhead. But she has to want

what I want from life. She has to have an insatiable sexual appetite but want kids and a picket fence, too." "How about if she's all those things because she does exactly what you tell her to do? How about if she's been schooled in all the ways to please a man in and out of the bedroom?" "That's too good to be true, Pop. Too bad such a woman does not exist." I'd laughed it off and our conversation got cut short. I'd always wanted a wife and kids. I wanted the picket fence and enough kids to start my own soccer team. But when I caught my fiancée cheating on me with the DJ we'd hired for our wedding my heart went cold and what my sister dubbed my 'man whore years' began. After seeing Tommy's life change because of falling in love I decided that maybe it was time to open my mind up to the possibilities of connecting with someone again beyond a one night stand. But when I got home from my brother's wedding, ready to start the massive job of cleaning up the family business so that I could move on with my life and think about finding my own happily ever after I found out that Pop had already ordered my mail order bride. And I couldn't cancel that order. She's waiting for me to pick her up near Bangkok. She's been told she has been sold and is going back to North America. She's about to turn 23, she's a beautiful redhead, and she's been in captivity for 2 years. There's no way I can accept this gift, keep a woman who was bought for me. I need to pick her up and set her free. Don't I? Warning: Explicit sex scenes. Profanity. Dark themes. This book's heroine is a sex slave that gets rescued. She's broken. The book does not spend chapter after chapter describing her abuse in detail but there is some explicit content related to her memories.

Truth Or Dare? - Timea Tokes 2017-06-07
 Snow, an abandoned cabin in the woods, your best friend's "little" sister, and a naughty game of truth or dare. What could possibly go wrong? Or should we ask: what could possibly go right?~o~ScarletThe bad boy I had known all my life was gone; for a second, he looked like a scared little boy. One that took my breath away every time I looked at him, but still, just a scared little thing. His mask shattered to a million pieces, just like that. All it took was a simple dare. Maybe he wasn't that carefree after all. Or maybe he cared too much, I wasn't able to tell. I

couldn't help but hope the latter was true though. I had had a major crush on him since high school. And that was ten years ago now. Either way, I was going to find out tonight. That was the only reason I had suggested this stupid game after his truck broke down. We were in the middle of nowhere, and quite conveniently (for me), we had found an abandoned cabin in the woods. What a way to spend the holidays! I let out a sigh, approaching him with a bright smile on my quivering lips. That was all I could do not to burst out laughing."William, you know, a dare is a dare."And it wasn't like I had asked him to jump off a roof, or something. Although, judging by his expression, I could have bet that he assumed his task was no less dangerous. Well, he might have been right about that, but he didn't need to know it. Not yet anyway. He looked down at me, and his amber eyes searched my face for any clues that I might be kidding. Now, that made me forget my previous desire to laugh at him, and I just stood there, my blue eyes captured by his intense gaze. I shivered, wishing that he would kiss me already. What was he waiting for? I dared him to do that, and now he was hesitating. Didn't he want me as much as I wanted him? Was I mistaken all those years? ~o~WillI looked out of the window, contemplating my options. I could rush back outside, jump into my car and drive far, far away from Scarlet. Of course I could have done that. But then she would realize that I lied. Nothing was wrong with the truck, and we weren't lost. But how could I explain my reasons? And yet, running away would have been the sensible thing to do. Run and never look back. I could forget about the way her cute pink lips curled upwards when she smiled, I could even ignore the way her blue eyes tempted me. And those curves! Those were mine to explore, I knew that. So, what was the problem? She had even dared me to kiss her. And yes, there was my other option. To kiss the woman I had wanted ever since I knew what sex was and how to do it. The only problem was that I never got to do it with her. And sure, this time it could end with an innocent kiss. Not that I truly believed that my second option would be only that. I wasn't naïve, and I could feel the heat rise between us, especially when those eyes bore into mine like crystal daggers of passion. A sigh escaped my

lips and I bit down on the lower one - hard. Not that the pain helped, on the contrary. It only intensified my longing for her touch. Why was I still resisting? I didn't want to go there. Okay, I did, but I couldn't. Well, if I really thought about it, I could have, but it wouldn't have been the right thing to do. Scarlet was the little sister of my best friend, a friend who was coming to rescue us tomorrow. It might have sounded silly, but to me, it seemed appropriate to ask for my friend's blessing, before... Well, how exactly was I going to tell Tom that I was about to fuck his little sister senseless? True, she might have been twenty-five, but I knew how protective Tom could be. I was surprised he let me carry out my little plan. Of course, I carefully emitted the tiny detail about me wanting to have my way with her. As far as Tom was concerned, this was all about taking care of her and teaching her a lesson.

Cherry Popping Dare - Casey Cox

I hadn't dated at all during high school. Not because I didn't want to, but simply because no one asked. At 18 I had never even been kissed, and it goes without saying that I was still a virgin. All summer, as I fantasized about what my new, independent life would be like, I'd worried that I just didn't have it in me to be sexy and flirtatious. I'd never had any practice, and I just didn't know how. Oh, but I wanted it. I was tired of being the smart one. I wanted guys to stop asking for my notes and start staring at my body. I wanted to wear skirts so short that I had to sit with my legs closed, and then open them anyway. I wanted to touch and taste and lick and suck. And lucky for me, I'd found some friends who wanted all of that, too. "Cherry Popping Co-eds is a standalone short story that involves hot MFF action, first times, hardcore explicit scenes, and plenty of cherry popping goodness. keywords: hot very dirty big erotica taboo MILF breeding fetish kinky bdsm naughty explicit hot hardcore creampie filled hot huge men short stories anal butt

Five Hot Tales from Farney (Alice Takes On Rough Sex, Group Sex, and More) - Alice

Farney 2020-08-05

Here are five explicit erotica stories from the irrepressible Alice Farney. A girl wants to loosen up socially...so she lets a friend drag her to a sex party and becomes the center of attention in a gangbang! A woman meets a complete stranger and has her first anal sex in a parking lot. Those are just two of the high heat stories you'll find in this collection of explicit erotica stories.

Warning: This ebook contains very explicit descriptions of sexual activity and includes rough sex, reluctant sex, first lesbian sex, group sex, first anal sex, stranger sex, public sex, double penetration, and more. Only mature adults who won't find that offensive should read this collection. 1. Teased By Two: A Strip Tease Erotica Story Justin loves that his two friends never stop competing with each other. Veronica is beautiful, a very petite and slender girl who just oozes sensuality. Gina is far more obvious about her sexuality, and with her very prominent boobs and lovely big apple-cheeked ass, it's no wonder. This day's going to be different, though, because today Justin manipulates them both into a competition to settle things once and for all. The great thing about it is that no matter which one he chooses, Justin is the real winner! 2. Hot Tub Truth or Dare: A First Lesbian Sex Erotica Story Who would have thought playing truth or dare with my friends would put so many dirty thoughts in my head. It sure did, though. I got excited as hell and when the time came to make something happen, I did. I'd never been with a woman before but after this I don't think I'll ever stop! Who would have thought my first lesbian

sex would happen with two women at the same time? 3. My Slut Wife Fantasy (My Husband, Me, and the Other Woman) An FFM Threesome Erotica Story I was worried it might be difficult to get my husband to agree to a threesome with my best friend but he surprised me and was all for it! I had my first lesbian sex and an incredible experience with both of them! 4. My Backdoor and the Stranger (First Anal Sex in the Parking Lot) A Public Sex Erotica Story I was just shopping at the grocery store when a complete stranger came on to me. Of course I fought and resisted...well, that's what my mind kept telling me to do. Instead I kissed back and ended up in the backseat of his SUV. Right there in the parking lot I had my first anal sex! 5. Shelly Comes Out of Her Shell (And That Means a Gangbang!) An Orgy Erotica Story Shelly wants to let loose, and Lizzy is willing to help her. It's simple. Shelly will go to a party and give herself to man after man...and she'll have a first lesbian experience, too! Will a gangbang orgy complete with anal sex and double penetration loosen her up?

Truth or Dare - Delilah Dawson 2007-04-01
Kai Armstrong has been secretly watching Sonya Drummond for weeks. Not because her sexy curves drive Kai wild. Not because her every

move sets his body on fire. Kai's watching Sonya because she's in possession of a stolen butterfly necklace—and he's been hired to steal it back, even if he has to seduce it right off her beautiful neck... When Sonya meets Kai on a single's cruise, she has no idea that he's looking for the necklace. She assumes he's there for the same reason she is: to indulge in a weeklong shipboard sex romp, no strings attached. Kai is the perfect candidate for what Sonya has in mind: Tall and gorgeous with a dark, muscular body that just won't quit. With Sonya, Kai finds himself oddly off his game. Her shy blushes remind him of chocolate raspberries and her shivers drive him out of his mind! As things heat up, Kai must make a decision: Will he betray the woman who has captured his mind and body...or give in to a delicious game where everybody wins?
