*Sex Games for Couples* Emily Sorensen 2020-07-06 Are you looking for a way to keep the flame of passion alive in your relationship? Do you want to spice up your sex life with fun games and spicy little games? This book will give you the keys to experiencing sex at 360 degrees: passion, eroticism, delicacy and lots of fun. The secret to making a couple last? No magic formula, just play. Adult sex games help build trust, lower inhibitions, and, if done right, can be very, very hot. And, most importantly, they keep things fun. Erotic games in the couple are a fundamental ingredient: you know, after a long time that you share a relationship, that initial involvement can fade. Being able to keep alive the flame of desire and transport is necessary to avoid the risk of finding yourself betrayed and with bitterness in your mouth. But it is not necessary to play for this reason alone. Even in young and fresh couples, practicing erotic games can be a good way to get to know each other better and to increase trust and union; to lay, in short, good foundations for a healthy and joyful life (sexual and not). Here's a sneak peek of what you'll find inside: Couples Intimacy Games For Connecting With Your Partner.
