*Tell Me What You Want* - Charlotte Fox Weber 2023-04-11

For fans of *Maybe You Should Talk to Someone* and *Tiny Beautiful Things*, this inspiring and moving exploration of the twelve fundamental psychological needs we all share goes behind the closed doors of therapy to guide us in navigating our deepest longings. What do we want? And how do we get it? Chloe is beautiful and fiercely bright, but she feels desperately deprived. Elliot, lost and adrift, is secretly grieving the loss of his famous lover. Rosie has always tried to follow the rules of cultural expectations, but a year into her marriage, she still hasn't had sex with her husband. Dwight is determined to be upbeat, even in the face of his wife's betrayal. Each of us, at certain moments in our lives, can feel lost or confused. We often don't know how to get what we want, or what we think we want, but we share these universal desires: to love and be loved; understanding, power, attention, freedom; to create, to belong, to win, to connect, to control; and we want what we shouldn't. In each of these twelve chapters, focused on one of these universal desires, psychotherapist Charlotte Fox Weber takes you behind the closed doors of a therapy session to bear witness as she guides a client towards profound insights, change, and growth. Written with warmth and compassion, full of dramatic, intimate, and moving personal stories, and based on careful research as well as firsthand observations, *Tell Me*

What You Want is an inspirational guide to living well.

Before We Were Strangers - Renée Carlino 2015-08-18

*Before We Were Strangers* description forthcoming from Atria Books.

Woman's Home Companion - 1941

**The Guyde** - Howie Reith 2016-11-19

The *Guyde* is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The *Guyde* is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your

physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of *The Guyde* deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. *The Guyde* is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

*Kabul Carnival* - Julie Billaud 2015-04-15

After the attacks of September 11, 2001, the plight of Afghan women under Taliban rule was widely publicized in the United States as one of the humanitarian issues justifying intervention. *Kabul Carnival* explores the contradictions, ambiguities, and unintended effects of the emancipatory projects for Afghan women designed and imposed by external organizations. Building on embodiment and performance theory, this evocative ethnography describes Afghan women's responses to social anxieties about identity that have emerged as a result of the military occupation. Offering one of the first long-term on-the-ground studies since the arrival of allied forces in 2001, Julie Billaud introduces readers to daily life in Afghanistan through portraits of women targeted by international aid policies. Examining encounters between international experts in gender and transitional justice, Afghan civil servants and NGO staff, and women unaffiliated with these organizations, Billaud unpacks some of the paradoxes that arise from competing understandings of democracy and rights practices. *Kabul Carnival* reveals the ways in which the international community's concern with the visibility of women in public has ultimately created tensions and constrained women's capacity to find a culturally legitimate voice.
