*Love Is a Mix Tape* Rob Sheffield 2007-12-04 “The happiest, saddest, sweetest book about rock ‘n’ roll that I’ve ever experienced.”—Chuck Klosterman  
Mix tapes: We all have our favorites. Stick one into a deck, press play, and you’re instantly transported to another time in your life. For Rob Sheffield, that time was one of miraculous love and unbearable grief. A time that spanned seven years, it started when he met the girl of his dreams, and ended when he watched her die in his arms. Using the listings of fifteen of his favorite mix tapes, Rob shows that the power of music to build a bridge between people is stronger than death. You’ll read these words, perhaps surprisingly, with joy in your heart and a song in your head—the one that comes to mind when you think of the love of your life. Praise for *Love is a Mixtape* “A memoir that manages, no small feat, to be funny and beautifully forlorn at the same time.”—The New York Times Book Review “Humorous, heartbreaking, and heroic.”—Entertainment Weekly “The finest lines ever written about rock ‘n’ roll . . . Like that song on the radio, every word of Rob’s book is true. *Love is a mix tape.*”—Rolling Stone “Many of us use pop culture as a mirror of our emotional lives, but Sheffield happily walks right through the looking glass.”—Los Angeles Times “Sheffield writes with such aching remembering, you feel like you are invading his privacy . . . and it’s the truth of those details that make this memoir so touching.”—Newsweek

Ogita’s love of macaroons comes across as magnificently sincere, as does her belief that perfection is within the reach of anyone with a mixer and a pastry bag.” —Boston.com “The recipes themselves are inspired, such as pistachio with bitter ganache filling and purple yam with chestnut cream, and there are lots of photos of the macaron making process, which is undoubtedly helpful for beginners.” —Fearless Fresh “Her book is the best because of the research and quality that it reflects on each page. She has refined the techniques for the home cook, and has majestically documented and photographed the steps to making a perfect macaroon.” —Cooking by the Book “A small, focused book by a Japanese pastry chef that fills a twee and tiny niche: French macarons.” —The New York Times

**Cooking out of love** Massimo Longo e Maria Grazia Gullo 2021-01-13 In this culinary book you will find 10 recipes and 2 topping recipes, all easy to prepare. I have focused on the result: here you will find only premium dishes, as I have left outside any mediocre recipe with a questionable realisation, like those that sometimes appear on certain culinary books. Moreover, you can receive help in the preparation of these dishes via Facebook messenger; just forward me any doubt or problem you have to the address given at the end of the book. All my recipes do not envisage the use of pre prepared flour mixes, as most of the time, they do not contain genuine ingredients. I will only use pure and natural flours, and I will disclose all the secrets that usually make gluten-free dishes difficult to achieve. You will not even realise that you will be eating gluten-free: I can guarantee that you will not believe your palate. Why? Because I am not gluten intolerant myself. I became a gluten-free cook for love. I cook for my wife, who has been gluten intolerant for many many years now, in order to bring her the original flavour of the products of our region, Sicily. Even if you are not gluten intolerant yourself, but you want to amaze your soulmate or maybe your nieces and nephews with a tasty dish, you have come across the right book! It is aimed at all those like me that do not have time to waste but do not want to give up on culinary delights. Here you will not find complicated preparations, odd measuring systems or long leavening times. For all those that say "why can't I do it?": I used to be one of those to whom cooking gluten-free seemed impossible. Forget all that good-looking on the outside, yet disgusting on the inside. I can guarantee that my dishes are fantastic both on the inside and the outside. I am not a chef, but growing up I worked for several years in a pastry shop as an assistant. Thanks to my passion, I have managed to steal all the secrets to such an amazing culinary tradition like the Sicilian one. Hence, do not expect in my dishes those embellishments typical of trendy starred cuisine. Instead, you will find only healthy and yummy dishes straight out of Grandma's kitchen. The book is organised in A4 printable format so that you can print them and attach them to your own personal cookbook. Translator: Massimo Longo PUBLISHER: TEKTIME

**Cat Love** Pam Johnson-Bennett 1990 Voted "Best Cat Book" by the readers of Cat Fancy magazine.

*Love is a Mix Tape* Rob Sheffield 2007 What Is love? Great minds have been grappling with this question throughout the ages. According to Western

philosopher Pat Benatar, love is a battlefield. Frank Sinatra would add that love is a tender trap. Love hurts. Love stinks. Love bites, love bleeds, love is the drug. The troubadours of our times agree: They want to know what love is, and they want you to show them. But the answer is simple: Love is a mix tape. In the 1990s, when 'alternative' was suddenly mainstream, a shy music geek named Rob Sheffield met a hell-raising punk-rock girl named Ren e, who was way too cool for him but fell in love with him anyway. He was tall. She was short. He was shy. She was a social butterfly. They had nothing in common except that they both loved music. Music brought them together and kept them together. And it was music that would help Rob through a sudden, unfathomable loss. In LOVE IS A MIX TAPE, Rob, now a writer for Rolling Stone, uses the songs on fifteen mix tapes to tell the story of his brief time with Ren e before she died suddenly of a pulmonary embolism at 31. From Elvis to Missy Elliott, the Rolling Stones to Yo La Tengo, the songs on these tapes make up the soundtrack to their lives. Rob Sheffield isn't a musician, he's a writer, and LOVE IS A MIX TAPE isn't a love song - but it might as well be. This is Rob's tribute to music, to the decade that shaped him, but most of all to one unforgettable woman.
