**Written in the Scars** - Adriana Locke 2016-10-19

Falling in love is easy. Falling out of love is the hardest thing in the world. And Elin and Ty Whitt are terrible at it. The first time the local basketball star smiled at Elin, she was a goner. It was just so damn easy to fall for the dark-haired hometown hero with his charming smile and strong, athletic build. Thousands of sleepy smiles, aimless drives down country roads, and squeaks of the backdoor after a swing shift later, reality hits. And it hits hard. Falling in love was definitely the easy part. Watching it break apart was impossible. Through the tears, the second-guesses, the memories of a life built together, the world keeps spinning. With each turn comes clarity and hope-sometimes in the form of a pair of muddy boots by the back door or from the words of a wise friend. When Ty shows back up with a new found determination to put his family back together, Elin's torn between the fights of the past and the possibility of a new start. This is the man that holds her heart, the man she loves beyond anything else. But this is also the one person in the world that can cause her the most pain. Life's not always easy. Love's not for the faint of heart. But with life comes lessons and Ty and Elin have the scars to prove it. But it's their love written in those scars that will hold them together ... or break them apart.

**Spiderlight** - Adrian Tchaikovsky 2016-08-02

The Church of Armes of the Light has battled the forces of Darkness for as long as anyone can remember. The great prophecy has foretold that a band of misfits, led by a high priestess will defeat the Dark Lord Darvezian, armed with their wits, the blessing of the Light and an artifact stolen from the merciless Spider Queen. Their journey will be long, hard and fraught with danger. Allies will become enemies; enemies will become allies. And the Dark Lord will be waiting, always waiting... Spiderlight is an exhilarating fantasy quest from Adrian Tchaikovsky, the author of *Guns at Dawn* and the *Shadows of the Apt* series. Reviews and quotes "Spiderlight is a creepy-crawly treat from the master of non-human heroes, a joy from beginning to end." — Paul Cornell, author of *Witches of Lychford* and *The Severed Streets* "[Spiderlight] is a master class in subverting our expectations to surprise, engage, and deliver a fantastic story that works even when it isn't pulling the rug out from under us." — Barnes & Noble Sci-Fi and Fantasy Blog "Tchaikovsky clearly has a great deal of talent, and a real handle on the fantasy genre, with the ability to splice in different influences almost seamlessly." — SciFi Now Magazine "Occasionally a fantasy author comes up with a way

to break the mould of traditional genre tropes: M. John Harrison's *Viriconium* and China Mieville's *Perdido Street Station* are two examples that immediately spring to mind. Tchaikovsky looks like a new addition to that select hall of fame." —Death Ray Magazine "Working in a small space, Tchaikovsky gives us sympathetic characters, real moral dilemmas, and emotional depth, all shot through with a sly humor that kept me grinning throughout. If, like me, you're a D&D fan who always wondered about the ethics of Detect Evil or what the orcs eat in Mordor, you will love this one." — Django Wexler, author of the *Shadow Campaigns* series "Subversive and classic, *Spiderlight* is a timeless adventure cranked up for the modern era of readers. A warship-rocker of an adventure, Adrian Tchaikovsky has struck another literary goldmine that's perfect for readers to dive into. Gripping and highly recommended." — Jeremy Szal, *Starship Sofa* "Spiderlight is a rip-roaring, old-fashioned heroic fantasy romp that also messes playfully with some of the genre's more outdated conventions... a breathless rush that never outstays its welcome." — *Dirge Mag* "Spiderlight will take you on a ride directly through straight fantasy and into the realms of the really fantastic... a brilliantly original novel." — *Geek Syndicate* "A must-read for all fans of fantasy. Very highly recommended." — *Civilian Reader* "In a world of large epic fantasy series with mushy pacing and a lack of focus, *Spiderlight* is as sharp as a spider's fang, as tight as its webbing, and as multifaceted as its gaze." — *Skiffy & Fanty* "A very fun, creepy quest tale with some quirky and engaging adventurers." — *Bull Spec* At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
