The purpose of this Guide is to provide parents & other caring adults with a positive plan to share the value of sexual purity with their young people. The guide can be used with or without the SWEETHEART TREASURES pendants & gift cards. Pastor Scott (Buzz) Inboden, Columbus, Ohio said this: "I've met many parents who waited too long to teach their children the wonders of Biblical sexuality. This book guides parents through a tender process that embeds truth deeply into the heart & head. Even if you did everything wrong when you were a teen, this book can help you have hope & give you confidence to introduce your teen to God's better way to celebrate his or her sexuality." By focusing on the emotional & spiritual aspects of sexuality, this book guides young people through a decision-making process that helps them make a responsible choice. Purity is Possible - Helen Thorne 2014-10-02

Explores how through Jesus, women can be free from the trap of sexual fantasy and guilt. One in five Christian women use pornography. One in three visitors to a porn site is a woman. Many, many more women read explicit books like Fifty Shades of Grey. Even more than that write their own pornography-not on paper for publication, but in their heads for their own use. Helen Thorne knows all this because she's done it. But no one talks about it. Our churches are silent on it. There are very few books about it. It is the unspoken struggle of thousands of Christian women-perhaps you, and probably someone you know. But no more. In this refreshingly honest, resolutely hope-filled and gospel-soaked book, Helen speaks the unspoken. In doing so, she shows how purity is better and more satisfying than fantasy-and that, whoever

you are and whatever your struggles, purity is possible.

Sex Is Not the Problem (Lust Is) - A Study Guide for Women - Joshua Harris 2010-05-19

Celebrate Purity Overcoming lust is a process that requires diligent focus and accountability from others, and these in-depth guides help establish both. They're designed for a variety of settings, from one-on-one accountability partnerships to Sunday school classes. Sex Is Not the Problem (Lust Is) made the statement that lust is a human problem (not just a guy problem) and that Jesus can free anyone from its power. Going further, these gender-specific study guides feature questions and discussion starters that directly address the temptations unique to men and women. These resources are a must-have for anyone challenged to defeat lust and celebrate purity in their lives. Lust Is Not Just a Guy Problem Based on the bestselling message in Sex Is Not the Problem (Lust Is), Joshua and Shannon Harris offer a companion study guide specifically designed to address the issues women face. For use in a personal or group setting, this in-depth guide is a tool to help you apply the book's principles as you go further on your journey to holiness. "Sex Is Not the Problem (Lust Is) offers help and hope—not just for those who are dealing with sexual lust, but for anyone besieged by temptation of any kind." —Nancy Leigh DeMoss Author, host of the Revive Our Hearts radio program Includes a Modesty Heart-Check for Girls Each of the ten small-group sessions includes: • Easy Review: A quick chapter summary makes review simple. • Discussion Questions: Questions that serve as icebreakers, and then lead to deeper discussion and personal application. • Accountability Follow-Up: Questions to help check each other's progress in a truthful and caring setting. • Meditate and Memorize: Key Scriptures that will help women gain victory over lust. • Custom-Tailored Action Plan: Women will be led in a step-by-step formulation of an Action Plan, uniquely tailored to combat their specific battles. Story Behind the Book "I was preparing a message on lust when I realized that the book I wanted to consult hadn't been written. That book would make it clear that only Jesus Christ can free us from the hopeless treadmill of shame and guilt that so many well-intentioned people end up on. It would instill a love for holiness and a hatred for sin without dragging the reader's imagination through the gutter. And it would be for both men and women, because I've learned that lust isn't just a guy problem—it's a human problem." —Joshua Harris

Yes to Sex... Just Not Yet! - Sam Beckworth 2013-06-01

Despite all the misguided ideas about Him, God is good, relational and has your best interests at heart. Furthermore, when it comes to sex, young people may be pleasantly surprised to hear what their Creator has to say about the subject. Like a present to be opened at Christmas, God has a perfectly crafted season for you to enjoy this special gift. Let it be known that God says, "Yes to Sex!" His answer isn't "No," just "Not yet!" If you're willing to take the challenge, you can say the same. As a young adult you have a lot to deal with. I realize you already know that but perhaps it's appreciated when someone identifies with the tough world you live in. There aren't too many people these days that want to be in your shoes. Between the challenges of school and thoughts of the future, looking for a real friend, family drama and still, after all that, endeavoring to enter adulthood with some framework of character and fear of God, your life can probably get overwhelming. Let's not even touch the larger than life issues like trying to find out who you are or fitting in. I do not want to make you feel any more insecure than you might feel already or predict a grim report about your future. I just think it's important to recognize your life for what it is. You have a huge future ahead of you in God but you also face a legitimate uphill climb to reach it. Simply put, your life demands courage. With that said, it is quite possible that sexual integrity isn't necessarily a fight you will choose to take on. Christian or not, it may seem easier to live sexually active and not bother swimming against the current of sexual acceptance or even deal with the peer pressure of resisting. Your thoughts might be: "There are bigger things intimidating me right now and I'm not sure if I have the energy or vision to fight off this battle. I'll just let whatever happens happen-and pay the price later and hope for God's mercy. Maybe He can help me fix whatever problems I might create now through sexual activity later after I'm married." I don't condemn you for thinking that way sometimes. Besides, you're probably one of the many young adults who loves God and wants to do what's right. If you could snap your fingers and remain sexually inactive until you marry the right one I'm sure you would. Although it doesn't work that way, perhaps if you at least had some helpful tools and enough inspiration, you would probably give Biblical sexual purity a real shot. Well, I believe that God has a message for you to hear and my hope is that some of

those helpful tools will be found in this book. Sexual integrity according to the Bible is not about perfectionism. Just as easily as Christians can get sloppy and loose in this area, the best of us, on the flip side, can get legalistic and critical. We won't do well in either extreme. God simply wants your whole heart. God loves and wants the real you, both when you're at your best, and when you're at your worst. He wants you to welcome Him in every part of your life, including that part of you concerning sex, relationships and future marriage. God sees your desire to please Him and your passion to reach for Him in this area. You wouldn't be reading this book right now if it weren't true. Again, God's will is your sexual purity; but thankfully His way is always best. His instructions are for our benefit. His heart is for our good. Therefore this God-journey is intended to bless you. May this book be fuel for your specific and adventurous journey. You are special to God. Your desire for sex and marriage is God-given. He understands you and is bringing you into a place of significance and value.

The Best Sex of My Life - Lindsay Marsh 2006

Sex is amazing! Yes! That's right. I said it, and I'll say it again, Sex is amazing! God created it to be amazing, but it's even better when it is done God's way. Now, correct me if I'm wrong, but I believe almost everyone wants to experience the best sex of his or her own life, one day. So therefore, when you are obedient and do things God's way, you should expect the best sex of your life! (Now I know you're thinking, "Easier said than done." No doubt about it! But here's the catch, it can be done! That's where I come in. I am very candid and transparent in recalling my past struggles (temptations, tests and back-sliding) and present triumphs in the area of my sexuality. It is my goal that both males and females can learn from both the good and the not so good encounters I've had. Sexual purity and sexual abstinence can be somewhat challenging issues to discuss in families, youth groups, classrooms, church and other settings. Sexploitation runs rampant in multimedia: from music videos, radio, and commercials, to everyday movies. Who can stay pure in the midst of booty-shaking, laffy-taffy, thong-songs, and lap dances? The answer: you and I. Purity is possible. Abstinence is also possible. Renewed and restored virginity is possible. This book is not for perfect people. This book is for people who are in pursuit of the truth, as it pertains to young adult sexuality. This book is for people who, regardless of their past choices, have made an informed decision to pursue God's idea of safe sex, which is 'saved' sex, in a covenant called marriage. *The Best Sex of My Life* is a challenge to teenagers, college students and young adult's singles to redefine sexual abstinence with finesse and

flavor. Young men and young women, celebrate who you are, because you are Worth The Wait!!!

First Steps - Blake Williams 2016-02

"First Steps: A Mentored Guide to Start Rebuilding Your Purity" is the first in a series of three mentored guides for men on the journey toward living a sexually pure life. While an individual can work through this material without a mentor a core purpose essential to this manual is connection, accountability and breaking the silence. This is best done when a man further down the road works arm-in-arm with a man just beginning his focus on purity. In hopes that this manual becomes a lasting resource, we have included some helpful indicators in each of the lessons. Several QR codes are included to allow you to view short relevant videos. If you do not have one already, consider downloading a QR code app on your smartphone so you can enhance your learning process. URLs are also provided if you would prefer to view them on your computer. You will find assignments purposefully scattered throughout the manual. You may be tempted to skip the assignments, or at least make a halfhearted attempt to complete them. No one will be grading your assignments-this is not a classroom, it is real life-but know that you will only get out of this manual what you put into it. Determine now to take the time and invest the effort the assignments require. We know you will be glad you did. The best resource God offers you through this manual is your mentor. He will share much of himself with you over the coming weeks. Trust him. He is further down the road than you are and has great insight into the journey. The apostle Paul said, "Join in imitating me, brothers, and observe those who live according to the example you have in us" (Philippians 3:17). Keep this in mind as you talk with your mentor!

Redeemed Sexuality - Tim Konzen 2019-03-12

You are a sexual person. Whether you are single or married, a teenager or an older single adult, God created you as a sexual person. So how do we inhabit our sexuality in a way that brings honor to God? And what exactly is sexuality? Is it just sexual intercourse? Or is it perhaps something much greater? God created them male and female. From the moment of our conception, we are born in this act of creation as a sexual being. God's creation was the work of a master artist. It is vital that we discover both the artwork and the artist. God intended for sex to be a wonderful good. When someone allows God to guide them in how they engage in sex, it can be. However, sometimes sexuality has become a source of shame, guilt, pain, confusion, frustration, and sorrow. Sexual challenges can come from the choices we make, from the things that others do against us, and from the ways in which Satan has inundated the world with a tsunami of destructive words and images about sex. Those challenges can also come from the lack of being able to talk openly about sex. Perhaps you want to lead a life of sexual purity but you are finding it hard to find solid, biblical answers to some of the very real questions you have. You may feel like you've tried to bring up these things with those involved in your life but that you often receive the same-old trite and empty arguments about purity: "Just wait" or "Just repent" or "God has a plan. Be patient." So how do we reconcile God's intricate and amazing plan for sex with the devastation, destruction, and frustration that sex outside of His plan can cause? How can we pursue purity and honor sexuality at the same time? What exactly is

God's plan for sexuality for those who are not married? *Redeeming Sexuality* answers many of these and other questions that singles, teens, and parents ask the authors in their conferences and sessions, including: What is God's plan for sex? How should single, working professionals, college students, teens, and all other unmarried individuals understand their sexuality in light of God's plan? What is allowed and how far is too far? How can we have healthy, intimate connections with others? What is purity and how do we deal with temptation when it is so hard to escape? How do we work through the damage and pain that is already done? How can parents effectively communicate with their kids about sex? This comprehensive guide strives to bring clarity and understanding to topics that many Christians have trouble discussing. Journey with us as we discover a vibrant understanding of God's plan for redeemed sexuality.
