Project Everlasting - Mathew Boggs

2007-06-05

A heartwarming and revealing look at the wisdom drawn from successful marriages and the secrets to making love last, not from Ph.D.s or therapists but from more than 200 real couples who have walked the walk to more than forty years of marriage. Jaded by his parents' divorce, Mathew Boggs was a young man who'd lost all belief in lifelong love. After observing his grandparents who were madly in love after sixty-three years of marriage, Mat talked his best friend Jason into joining him on a cross-country search for America's greatest marriages. The two bumbling bachelors jumped in an RV and embarked on "Project Everlasting," a 12,000-mile cross-country adventure to discover what it takes to make love last. Each chapter of Project Everlasting is dedicated to one of the pressing questions the bachelors asked the couples, such as: —"How do you know you've found The One?" —"What's missing from today's marriages?" —"How do you keep the romance alive?" —"What's the most important ingredient for a solid marriage?" As the traveled the country, meeting happy couples from all walks of life, Mat and Jason began to understand why their own relationships hadn't worked out quite as planned. They also realized that what they were learning from their wise new friends could change everything for them and—through Project Everlasting—show their generation and generations to come how to build a marriage to last.

Body Language - Suzanne Brockmann

2008-05-20

In this witty, sensual, poignant tale, New York Times bestselling author Suzanne Brockmann explores destiny, deception, and that steamy tipping point between deep friendship and romantic love. Photographer Clint McCade was a rugged free spirit with the perfect life, until he realized something vital was missing—Sandy Kirk. Since grade school, Sandy had been Clint's best friend and closest confidante. She was

smart, beautiful, shy—and clueless about her power over men. But when Clint finally seeks her out to declare his love, he finds she's fallen for another man. Sandy knew she was a lot of things to Clint—except what she'd always longed to be: the woman he loved. So it comes as no surprise when he encourages her pursuit of another, even offering to coach her in the art of seduction. But soon the friends find themselves engaged in a series of crossed signals, mixed messages, and unbearably titillating close encounters that prove only one thing is certain: body language doesn't lie. From the Paperback edition.

Maybe He Just Likes You - Barbara Dee
2020-09-15

2019 The Washington Post Best Children's Book of the Year (Erin Entrada Kelly Pick) A 2020 ALA Notable Children's Book "The novel's all-too-familiar scenario offers a springboard for discussion among middle schoolers...Easily grasped scenarios and short chapters help make this timely #MeToo story accessible to a wide audience." —Publishers Weekly (starred review)

"Realistic and heartbreaking." —BCCB Barbara Dee explores the subject of #MeToo for the middle grade audience in this heart-wrenching—and ultimately uplifting—novel about experiencing harassment and unwanted attention from classmates. For seventh-grader Mila, it starts with some boys giving her an unwanted hug on the school blacktop. A few days later, at recess, one of the boys (and fellow trumpet player) Callum tells Mila it's his birthday, and asks her for a "birthday hug." He's just being friendly, isn't he? And how can she say no? But Callum's hug lasts a few seconds too long, and feels...weird. According to her friend, Zara, Mila is being immature and overreacting. Doesn't she know what flirting looks like? But the boys don't leave Mila alone. On the bus. In the halls. During band practice—the one place Mila could always escape. It doesn't feel like flirting—so what is it? Thanks to a chance meeting, Mila begins to find solace in a new place: karate class. Slowly, with the help of a fellow classmate, Mila learns how to stand her ground and how to respect others—and herself. From the author of *Everything I Know About You*, *Halfway Normal*, and *Star-Crossed* comes this timely story of a middle school girl standing up and finding her voice.
