Hilarity Ensues - Tucker Max 2012-02-07

The New York Times bestselling author of *I Hope They Serve Beer in Hell* and *Assholes Finish First* delivers a new collection of thirty 100% true, 100% exclusive stories of comically perverse excess. Another installment in Tucker Max's series of stories about his drunken debauchery and ridiculous antics. What began as a simple sentence on an obscure website, "My name is Tucker Max, and I am an asshole," and developed into two infamously genre-defining books, *I Hope They Serve Beer in Hell* and *Assholes Finish First*, ends here. But as you should expect from Tucker by now, he is going out with a bang—literally and figuratively. In this book, you'll learn: * How to live and work in Cancun, while still enrolled in Law School * Why Halloween is really awesome * How to subtly torture a highstrung roommate until he explodes with furious anger over a misplaced condiment * What really happened when a dirty pageant girl tried to sue Tucker because he told the truth * Why you should never accept a homemade treat from a hippie with a van As we've come to learn from Tucker, assholes do finish first...but everything comes with a price.

Black Chamber - S. M. Stirling 2018-07-03

The first novel in a brand-new alternate history series where Teddy Roosevelt is president for a second time right before WWI breaks out, and on his side is the Black Chamber, a secret spy network watching America's back. 1916. The Great War rages overseas, and the whole of Europe, Africa, and western Asia is falling to the Central Powers. To win a war that must be won, Teddy Roosevelt, once again the American president, turns to his top secret Black Chamber organization--and its cunning and deadly spy, Luz O'Malley Aróstegui. On a transatlantic airship voyage, Luz poses as an anti-American Mexican revolutionary to get close--very close--to a German agent code-named Imperial Sword. She'll need every skill at her disposal to get him to trust her and lead her deep into enemy territory. In the mountains of Saxony, concealed from allied eyes, the German Reich's plans for keeping the U.S. from entering the conflict are revealed: the deployment of a new diabolical weapon upon the shores of America...

Education, Arts, and Morality - Doris B. Wallace 2005

Inspired by Howard Gruber's Evolving Systems Approach, these studies explore creativity in several domains. The idea that the creative person embodies a system of loosely coupled sub-systems - knowledge, purpose,

and affect that work together, is viewed here in different chapters that explore this concept. These include autobiographies of incarcerated youth, curricula for moral and civic responsibility, changing attitudes of readers to text (romance novels), as well as case studies of highly creative individuals, such as George Bernard Shaw. Gruber's approach provides concepts as well as methodological tools which the authors apply to diverse creative processes. This book is a valuable resource for undergraduate as well as graduate level students interested in creativity, development and education. In addition to the intrinsic interest of each chapter, the guiding theme of the book is the underlying theory of creativity, Gruber's Evolving Systems Approach, and illustrates the unusual breadth and flexibility of that theory.

The Thick of It: The Missing DoSAC Files - Armando Iannucci 2016-05-05

'It's the kind of f***-up that would normally have Malcolm Tucker, Number 10's Communications Director, the master of spin and the "Matrix" spitting blood ... No, the guilty party in this instance is none other than Tucker himself. The man who likes to keep an iron grip on every news item in the media and every policy announcement that comes out of the government, has only gone and LEFT A CONFIDENTIAL FILE ON A TRAIN: The DoSAC Files.' Based around the idea that King of Spin Malcolm Tucker has lost a confidential and highly-damaging file on a train, this book is a collection of highly sensitive documents: personnel files, policy drafts, letters and emails, transcripts of phone calls, election campaign documents and top secret papers on the government's media strategy for wars and recessions. There are also more personal documents such as the early drafts of Tucker's diary, in no legal condition for publication. It's explosive stuff, which could end careers on both sides, including Tucker's own... From the team behind the award-winning and phenomenally successful *The Thick Of It*, and the Oscar-nominated *In The Loop*, comes the official tie-in book, *The DoSAC Files*. Written by the show's creator Armando Iannucci along with his co-writers Jesse Armstrong, Tony Roche, Simon Blackwell and swearing consultant Ian Martin, *The DoSAC Files* looks set to be the political satire event of the year.

The Anti-Cool Girl - Rosie Waterland 2015-09-01

Brutal, brave, hilarious -- a full-frontal memoir about surviving the very worst that life can throw at you. Rosie Waterland has never been cool. Growing up in housing commission, Rosie was cursed with a near perfect, beautiful older sister who dressed like Mariah Carey on a Best & Less budget while Rosie was still struggling with various toilet mishaps. She soon realised that she was the Doug Pitt to her sister's Brad, and that cool was not going to be her currency in this life. But that was only one of the problems Rosie faced. With two addicts for parents, she grew up amidst rehab stays, AA meetings, overdoses, narrow escapes from drug dealers and a merry-go-round of dodgy boyfriends in her mother's life. Rosie watched as her dad passed out/was arrested/vomited, and had to talk her mum out of killing herself. As an adult, trying to come to grips with her less than conventional childhood, Rosie navigated her way through eating disorders, nude acting roles, mental health issues and awkward Tinder dates. Then she had an epiphany: to stop pretending to be who she wasn't and embrace her true self -- a girl who loved drinking wine in her underpants on Sunday nights -- and become an Anti-Cool Girl. An irrepressible, blackly comic memoir, Rosie Waterland's story is a clarion call for Anti-Cool Girls everywhere. 'Individual, wounded, brilliant and hilarious' Sydney Morning Herald 'If Augusten Burroughs and Lena Dunham abandoned their child in an Australian housing estate, she'd write this heartbreaking, hilarious book. It made me laugh uproariously, then feel terrible for her, then laugh all over again. Sorry, Rosie.' Dominic Knight, *The Chaser* 'Hilarious, wise, gutsy, clear-eyed, devastating and uplifting. It's a marvel.' Richard Glover *The Anti Cool Girl* was shortlisted for the 2016 Indie Book Awards and for the 2016 ABIA Awards for Biography of the Year, and in addition was the Winner of the 2016 ABIA Awards People's Choice for the Matt Richell Award for New Writer of the Year
