Sex Guides - Patty Campbell
2017-04-07

The history of the sex guide for adolescents documents the quite unconscious movement of Western culture's ideas about sex and youth, revealing the heritage of our own sexual

beliefs and codes of behaviour. The first section of this book, first published in 1986, traces the development of the sex guide, examining 400 books from 1892 to the 1980s. The second section comprises a detailed analysis of the patterns, content and usefulness of all the contemporary manifestations of the genre. The history of the teen sex manual is a fascinating revelation of American attitudes towards adolescent sexuality.

Sexual Detox - Tim Challies
2010-01-12

It isn't easy being a guy today. Maybe it never has been easy, but today the challenges to guys who want to be holy, who want to honor God with their minds and bodies, seem tougher than ever. You live at a time and in a culture that seems given over to sex. It is all around you and you can hardly avoid its lure. Everywhere you go today you are faced with temptations and, if you are like most young men, have begun to give in to them. Perhaps you have only just begun looking at pornography or perhaps you've been doing so for many years. Perhaps you are struggling with masturbation, not really wanting to indulge yourself but finding that it's a whole lot tougher to quit than you would have thought. Perhaps you are finding that, more than ever, sex is filling your mind and

diligent focus and accountability from others, and these in-depth guides help establish both. further on your journey to holiness. “Sex Is Not the Problem (Lust Is) offers help and hope—not just for those who are dealing with sexual lust, but for anyone besieged by temptation of any kind.”

—Nancy Leigh DeMoss Author, host of the Revive Our Hearts radio program Includes a Modesty Heart-Check for Girls

Each of the ten small-group sessions includes:

- Easy Review: A quick chapter summary makes review simple.
- Discussion Questions: Questions that serve as icebreakers, and then lead to deeper discussion and personal application.
- Accountability Follow-Up: Questions to help check each other’s progress in a truthful and caring setting.
- Meditate and Memorize: Key Scriptures that will help women gain victory over lust.
- Custom-Tailored Action Plan: Women will be led in a step-by-step formulation of an Action Plan, uniquely tailored to combat their specific battles.

Story Behind the Book “I was preparing a message on lust when I realized that the book I

wanted to consult hadn’t been written. That book would make it clear that only Jesus Christ can free us from the hopeless treadmill of shame and guilt that so many well-intentioned people end up on. It would instill a love for holiness and a hatred for sin without dragging the reader’s imagination through the gutter. And it would be for both men and women, because I’ve learned that lust isn’t just a guy problem—it’s a human problem.” —Joshua Harris

Sexual Detox - Tim Challies
2010-09

Sick of porn? Time to detox. A huge percentage of men need a porn detox, a moral and psychological reset. Do you? If so, whether you know it or not, pornography has corrupted your thinking, weakened your conscience, warped your sense of right and wrong, and twisted your understanding and expectations of sexuality. You need a reset by the One who created sex. In this book, I hope to help you reorient your understanding of sex, both in the big picture and in the act

itself, according to God's plan for this great gift. I want to help you detox from all the junk you've seen, all the lies you've believed. This is not an easy process. It is rarely a quick process. It involves a letting go of old realities and an embrace of a new normal. To be willing to go through it you need to see how bad your current situation really is, and how the path you are on leads no place good. You need to see that the path of porn leads only to more isolation, guilt, alienation, and pain. Whether single or married, such a reset to normal is the only thing that can ever equip you to become a pure, loving, attentive, sacrificial husband. But you already know you need to change. Few Christian men indulge in porn without realizing they need to quit. Every Christian guy who looks at porn wants to stop, but many of us want to stop just a little bit less than we want to keep going. The problem isn't knowledge-it's desire and ability. So sin prevails. Here's a promise. You'll never stop until

you begin to see the monstrous nature of the sin you're committing. You'll never stop until the sin is more horrifying to you than the commission of the sin is enjoyable. You'll need to hate that sin before you can find freedom from it. That means you need more grace. You need to cry out to be changed and to see the monstrous nature of this sin. And then you need to behave in faith that God will meet you with grace as you act to cut off the porn and begin the reset. - Tim Challies

The Good Girl's Guide to Great Sex - Sheila Wray

Gregoire 2012-03-06

Candid and contemporary, this book gives you a Christian place to turn for answers to your most intimate--and embarrassing--questions. Billions of people have had sex. Far fewer have made love. In *The Good Girl's Guide to Great Sex*, author Sheila Wray Gregoire helps women see how sexual intimacy was designed to be physically stupendous but also incredibly intimate. Whether you're about to walk

down the aisle, newly married, or you've been married for decades, *The Good Girl's Guide to Great Sex* will lead you on a wonderful journey of discovery toward the amazing sex life God designed you for. With humor, research, and lots of anecdotes, author Sheila Wray Gregoire helps women see how our culture's version of sex, which concentrates on the physical above all else, makes sex shallow. God, on the other hand, intended sex to unite us physically, emotionally, and spiritually. Gregoire walks through these three aspects of sex, showing how to make each amazing, and how to overcome the roadblocks in each area we often encounter. Drawing on survey results from over 2,000 people, she also includes lots of voices from other Good Girls, giving insight into how other women have learned to truly enjoy sex in marriage.

Love & Sex - Nancy Houston
2018-02-05

“So many couples struggle in their sexual lives because they divide sex and love ... Nancy Houston has written an excellent, practical, and very hopeful book on how to reintegrate the division.”—Dr. John Townsend, New York Times bestselling author of Boundaries “Without question, one of the greatest communicators of our generation on Christian sex and intimacy is Nancy Houston.”—Amy Ford, president of Embrace Grace and author of A Bump in Life Sex is powerful! Just saying the word “sex” can stir up all kinds of emotions. Maybe it’s a positive emotion for you—or possibly a hurtful, shameful, confusing one. It’s no wonder we struggle to understand its meaning and purpose. It can be difficult to talk about, and if we have experienced unwanted shame or grew up in a home

where sex was taboo, addressing the topic can be even more difficult. In a world of sexual chaos and confusion, we all need a healthy dialogue on the topic—not a black-or-white, right-or-wrong lecture, but a safe forum for discovering, learning, processing, and growing into passionate intimacy within the freedom God provides. In *Love & Sex*, Nancy Houston provides a compassionate view of human sexuality. Through the lens of Scripture, she unpacks the good God intended when He created humans as sexual creatures, while recognizing that many people haven't experienced sex in a positive way. You won't find a critical examination of dos and don'ts, but stories of redemption, grace, and hope. You will understand how you were shaped and that you are more than your sexual behaviors. For some people, sex is a regular part of life. For others, it's a huge deal. Maybe even too big of a deal. This book will be your roadmap to finding sexual health,

happiness, and balance. And if you are one of the few unscathed by sexual shame or confusion, this book will help you develop a more compassionate lens for those who do struggle.
