

# Christians In The Wake Of The Sexual Revolution

*A Christian Guide to Sexual  
Counseling* - Mary Ann Mayo  
2003-01-17

Sexual counseling is not a task that pastors and general Christian counselors usually consider theirs. If one is to venture into the field, he or she must have a solid foundation of reliable information - both physiological and psychological - and confidence that caring intervention will make a difference. This book has been written to provide reliable information and also building a basis of confidence for Christian counselors. 'A Christian Guide to Sexual Counseling' offers counselors procedures for helping couples with sexual problems by first exploring the ambivalent messages that church and culture have conveyed about sexuality. Because the primary

sex organ of both the male and the female is the mind, attitudes and concepts must be scrutinized, weighed, and approved or disapproved. As the author so forcefully maintains, sexual counseling will always be trying to repair distortions if sound sex education does not become a priority for the church. Many contemporary Christians are wary of sex therapy because of the notoriety of charlatans and pop sex psychologists. But faddish theories do not comprise the basis for the mainstream of sex therapy. There are sound biological and psychological bases for sexual counseling. And Christian spirituality is not - or should not be - disjoined from treatment of sexual problems. So Mayo brings body, mind, and spirit together in her

assessment of the common problems and the appropriate treatments. The book includes discussions of the following areas: -- attitudes of the church toward sexuality -- the responsibility of Christian leaders to offer positive teaching -- normal sexual functioning -- common sexual problems in a marriage -- the role and possible outcomes of sexual counseling -- female problems -- male problems -- special concerns for singles -- premarital education

**Adultery** - June Hunt  
2013-06-12

Has your heart been broken by a cheating husband or cheating wife? Has your life been gripped by the agony of adultery? Adultery is no small matter, especially for those who experience the intense pain of living with a spouse who breaks the marriage covenant. June Hunt provides Christian counseling on how to find hope in God. But, this is more than Christian marriage counseling—it shows how to find healing, hope, and forgiveness after the

devastation of an affair. June defines adultery and reveals the warning signs of adultery, such as change in mood, appearance, spending, etc. She provides practical ways and sound biblical wisdom in answering tough questions, such as--

- What can I do to ensure that I will be faithful when I feel attracted to someone beside my spouse?
- My husband had numerous affairs and now wants to reconcile. Should we get back together?
- Why does anyone get involved in adultery? Is it my fault?
- Is it wrong to try to find out whether or not my spouse is being unfaithful? If it's not wrong, what is the best way to do so?

June illustrates the consequences of adultery by retelling the story of David, a man of God who fell into the temptation of having an affair, which led to guilt-ridden "cover ups" and a strained relationship with God. She goes on to explain the causes, characteristics, and consequences of adultery, such as the--

- 9 false promises of adultery
- 9 characteristics of

an adulterer • 9 common reasons people get sucked into adultery In the section titled, "Steps to Solution," June Hunt explains-- • How an adulterer can change--for good. • 6 common mistakes made by the faithful spouse • 6 ways the faithful spouse can respond to adultery in a healthy way • How to prepare and conduct a crisis intervention

*Handbook on Counseling Youth*

- John McDowell 1996-06-09

Thoroughly researched, this easy-to-use handbook is designed to help parents, teachers, pastors and youth workers guide today's young people through the minefields of adolescence. From simple challenges to major crises, this book will equip adults to help youth cope with situations involving emotional issues, abuse, addictions, family issues, disorders, sexual issues and much more.

*Christians in the Wake of the Sexual Revolution* - Randy C. Alcorn 1988-09-01

*Critical Dilemma* - Neil Shenvi 2023-10-03

Where Are Critical Theory and the Social Justice Movement Taking Us? Critical theory and its expression in fields such as critical race theory, critical pedagogy, and queer theory are having a profound impact on our culture. Contemporary critical theory's ideas about race, class, gender, identity, and justice have dramatically shaped how people think, act, and view one another—in Christian and secular spheres alike. In *Critical Dilemma*, authors Neil Shenvi and Pat Sawyer illuminate the origins and influences of contemporary critical theory, considering it in the light of clear reason and biblical orthodoxy. While acknowledging that it can provide some legitimate insights regarding race, class, and gender, *Critical Dilemma* exposes the false assumptions at the heart of critical theory, arguing that it poses a serious threat to both the church and society at large. Drawing on exhaustive research and careful analysis, Shenvi and Sawyer condemn racism, urge Christians to seek justice, and

offer a path forward for racial healing and unity while also opposing critical theory's manifold errors.

Restoring sexual sanity : Christians in the wake of the sexual revolution - Randy Alcorn 2000

*Revolution in the Church: Challenging the Religious System with a Call for Radical Change* -

**Doing Member Care Well** - Kelly O'Donnell 2002

This book explores how member care is being practiced around the world to equip sending organizations as they intentionally support their mission/aid personnel. The information provided includes personal accounts, guidelines, case studies, worksheets, and practical advice from all over the globe. "This book delivers what it promises! Here are 50 chapters from the widest selection of writers in the member care field to date." - Brent Lindquist, President, Link Care Center This book was published in partnership

with the World Evangelical Alliance.

*Creating a Successful Christian Marriage* - Cleveland McDonald 2008-04-01

This classic text, written by a father-and-son team, looks at the nuclear family as a social institution and provides guidance for interaction and adjustment during dating, engagement, and early marriage. The authors treat such practical matters as communicating, working through interpersonal differences, and growing in relationships within the family. They also discuss the impact of cultural expectations on family patterns and define ideal family roles developed in Scripture. Other topics covered include parenting, extended family relationships, finances, and nontraditional families. Now available in paperback.

**Christians in the Wake of the Sexual Revolution** - Randy C. Alcorn 1985

"The fight goes on. People of God everywhere are refusing to surrender to the wordly power called Sex Obsession. But still

they must wrestle it, both inwardly and outwardly. And they want help. Support and motivation in that struggle is what Randy C. Alcorn offers here. He'll help you understand where our sexual culture really is today, how it got there, and where it's headed--and then what all this means personally as you press on in the journey to purity." -- Inside Cover  
*Thinking Against the Grain (Moseley)* - N. Allan Moseley  
In a world of relativism and ambiguity, this highly readable book answers the question, What does it really mean to be a Christian?

*Revolution* - Michael L. Brown  
2020-10-06

"This book is not a call to the violent overthrow of the government, nor is it a call to take up arms, nor is it a call to political activism in and of itself. It is a call to something far more extreme, a call to live out the gospel with all its radical claims, a call for the people of God to impact this generation with the prophetic message of repentance, a call to spark the most sweeping

counterculture movement in our nation's history, a call to take back the moral high ground that has been stolen from under our feet, a call to follow Jesus by life or by death"--Page 4 of cover.  
[1 Corinthians](#) - Craig L. Blomberg 2009-05-26  
The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context. To bring the ancient messages of the Bible into today's world, each passage is treated in three sections: Original Meaning. Concise exegesis to help readers understand the original meaning of the biblical text in its historical, literary, and cultural context. Bridging Contexts. A bridge between the world of the Bible and the world of today, built by discerning what is timeless in the timely pages of the Bible. Contemporary Significance. This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages. The author

alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved. This unique, award-winning commentary is the ideal resource for today's preachers, teachers, and serious students of the Bible, giving them the tools, ideas, and insights they need to communicate God's Word with the same powerful impact it had when it was first written.

**After the Wrath of God -**

Anthony Michael Petro 2015

This study demonstrates how Christian leaders and AIDS activists in the United States have posited HIV/AIDS as a religious and moral epidemic and asks how this understanding has informed cultural and political debates about prevention, healthcare, and sex education all over the world. Drawing upon archival research, oral histories, and textual analysis, this book maps the moral language regarding sexuality - and especially homosexuality - through which evangelicals,

mainline Protestants, Catholic leaders, and gay and lesbian AIDS activists made sense of and responded to the epidemic.

Sexual Ethics - Stanley James Grenz 1997-01-01

In this biblically grounded study, Stanley Grenz synthesizes theology, ethics, and current medical research to offer an evangelical perspective on the profound role that sexuality does, and should, play in our lives today. He calls for Christians to live a biblical sexual ethic in the contemporary world, at the same calling on the church to recognize that its mandate includes being a reconciling community, one that proclaims God's grace to all.

Biblical Counsel - 1993

*Proverbs* - John W. Miller 2004-11-16

The uniqueness of this commentary is its detailed, first-time uncovering of evidence that there were two editions of Proverbs, the first in the time of Solomon and the second in support of King Hezekiah's historic religious

reforms. In this light heretofore puzzling features of the book's design, purpose, and message are clarified in this light and the book's relevance for its time and ours greatly enhanced.

**The Single-again Handbook**

- Thomas F. Jones 1993

Finding Meaning and Fulfillment When You're Single Again

The Black Christian Singles Guide To Dating and Sexuality -

Chris Jackson 2009-08-30

"More than a book, it's a ministry in print . . . touching areas that the church has long covered up or overlooked."

(Jerry Adkisson, Singles Ministry President, The Temple Church, Nashville, Tennessee)

Between the onset of puberty and marriage, every man and woman faces the issues of being single. How do you handle the weekends alone—or with a dating partner? How do you build a healthy relationship? How can you tell when it's the relationship of a lifetime? Anwhat about sex—Why say no when your body is screaming yes? Chris

Jackson knows the promise and the pitfalls of singleness for African Americans. In this book, he offers frank, down-to-earth wisdom on such topics as practical ways to make the single life a better life; making the most of The differences between the sexes; how your family history affects your dating relationship. Jackson also covers the silent issues: masturbation, date rape, and homosexuality; Breaking up without breaking down; knowing when a relationship is marriageable . . . And much more If you want to order your dating life according to the Bible's prescription for fulfillment, *The Black Christian Singles Guide to Dating and Sexuality* is an invaluable guidebook. It's easy to read, and it offers real-life answers for your real-life issues. "Dr. Chris Jackson gives us a fresh and creative approach to the standards, hopes, and possibilities for Christians who are single. He challenges singles to seek wholeness and fulfillment in Christ. It is a very good book." —Dr. John H.
