Comment faire l'amour toute la nuit - Ronald Virag 2014-03-07

La différence entre les comportements sexuels des hommes et des femmes génère souvent incompréhension et frustration, jusqu'à menacer l'harmonie d'un couple. L'un des plus grands griefs des femmes concerne la durée, trop brève, des rapports amoureux. Or, l'homme peut lui aussi connaître plusieurs orgasmes, ressentir une jouissance plus intense et donner davantage de plaisir à sa partenaire. Le Dr Barbara Keesling dévoile ici une méthode permettant à tous les couples de satisfaire leur besoin légitime de vivre mieux leur sexualité.

Sex and Lies - Leïla Slimani 2020-02-18

'Striking' ELLE France 'Brave' iNews 'Powerful' TLS 'Urgent' Evening Standard 'Original' Cosmopolitan The first work of non-fiction in English from the prize-winning and internationally bestselling author of Lullaby and Adèle, translated by Sophie Lewis. In these essays, Leïla Slimani gives voice to young Moroccan women who are grappling with a conservative Arab culture that at once condemns and commodifies sex. In a country where the law punishes and outlaws all forms of sex outside marriage, as well as homosexuality and prostitution, women have only two options for their sexual identities: virgin or wife. Sex and Lies is an essential confrontation with Morocco's intimate demons and a vibrant appeal for the universal freedom to be, to love and to desire.

The Second Sex - Simone de Beauvoir 1997

Of all the writing that emerged from the existentialist movement, Simone de Beauvoir's groundbreaking study of women will probably have the most extensive and enduring impact. It is at once a work of anthropology and sociology, of biology and psychoanalysis, from the pen of a writer and novelist of penetrating imaginative power. THE SECOND SEX stands, five decades after its first appearance, as the first landmark in the modern feminist upsurge that has transformed perceptions of the social relationship of man and womankind in our time

Trois jours chez ma mère (Prix Goncourt 2005) - François Weyergans 2005-09-20

« Dans le train, il colla sa tête contre la vitre et aperçut en surimpression, flottant au milieu d'un décor de broussailles, un visage blême et crispé, le sien, avec son front reconnaissable, haut et dégarni, ses paupières gonflées et sa bouche aux lèvres minces. Il eut envie de se dire à lui-même : "Qu'est-ce que je peux faire pour toi ?" Ce visage si près du sien lui inspirait une profonde sympathie. » Nuit après nuit, un homme très perturbé se protège en évoquant son passé - tant de voyages, tant de rencontres amoureuses qui restent obsédantes. Sa mémoire lui donne le vertige. Ses souvenirs l'aideront-ils à aller mieux ? Il s'invente une série de doubles qui mènent une vie sentimentale tout aussi agitée que la sienne. Il voudrait aller rendre visite à sa mère. Elle vit seule en Provence et aura bientôt quatre-vingt-dix ans. Il a d'abord un travail à finir. Sa mère lui déclare : « Au lieu d'envoyer des fax à ta dizaine d'amoureuses, tu devrais publier un livre, sinon les gens vont croire que tu es mort. » Mieux que personne, François Weyergans mêle la profondeur et

l'humour, l'émotion et le rire, dans ce roman qui affirme avec force les pouvoirs de la littérature.

Promise at Dawn - Romain Gary 2017-10-31

A classic of modern French literature, the thrilling real-life story of the military hero, ambassador, ladies man, writer, and loving son I grew up longing for the day when I could tear down the veil of darkness and absurdity concealing the true face of the universe and discover at last a smile of kindness and wisdom; I grew up in the certitude that one day I should help my fellow men to wrest the world from our enemies and give back the earth to those who ennoble it with their courage and warm it with their love. Promise at Dawn begins as the story of a mother's sacrifice: alone and poor, she fights fiercely to give her son the very best. Romain Gary chronicles his childhood in Russia, Poland, and on the French Riviera; he recounts his adventurous life as a young man fighting for France in World War II. But above all he tells the story of the love for his mother that was his very life—their secret and private planet, their wonderland “born out of a mother's murmur into a child's ear, a promise whispered at dawn of future triumphs and greatness, of justice and love.”

On Heroes and Tombs - Ernesto Sabato 2017-07-06

Sabato's dark, philosophical novel is woven around a violent crime committed by Alejandra, the daughter of a prominent Argentinian family. Alejandra's act entwines the lives of three men: her father, Fernanda Vidal, a man who believes himself hunted by a secret organization of the blind, her troubled lover, Martin and Bruno, a writer who loved her mother. Exploring the tumult of Buenos Aires in the 1950s, On Heroes and Tombs leads its reader into a world of passion, philosophy and paranoia.

The Elementary Particles - Michel Houellebecq 2001-11-13

An international literary phenomenon, The Elementary Particles is a frighteningly original novel—part Marguerite Duras and part Bret Easton Ellis—that leaps headlong into the malaise of contemporary existence. Bruno and Michel are half-brothers abandoned by their mother, an unabashed devotee of the drugged-out free-love world of the sixties. Bruno, the older, has become a raucously promiscuous hedonist himself, while Michel is an emotionally dead molecular biologist wholly immersed in the solitude of his work. Each is ultimately offered a final chance at genuine love, and what unfolds is a brilliantly caustic and unpredictable tale. Translated from the French by Frank Wynne.

Zizek's Jokes - Slavoj Zizek 2018-02-23

Žižek as comedian: jokes in the service of philosophy. “A serious and good philosophical work could be written consisting entirely of jokes.”—Ludwig Wittgenstein The good news is that this book offers an entertaining but enlightening compilation of Žižekisms. Unlike any other book by Slavoj Žižek, this compact arrangement of jokes culled from his writings provides an index to certain philosophical, political, and sexual themes that preoccupy him. Žižek's Jokes contains the set-ups and punch lines—as well as the offenses and insults—that Žižek is famous for, all in less than 200 pages. So what's the bad news? There is no bad news. There's just the inimitable Slavoj Žižek, disguised as an impossibly erudite, politically incorrect uncle, beginning a sentence, “There is an old Jewish joke, loved by Derrida...” For Žižek, jokes are amusing stories that offer a shortcut to philosophical insight. He illustrates the logic of the Hegelian triad, for example, with three variations of the “Not tonight, dear, I have a headache” classic: first the wife claims a migraine; then the husband does; then the wife exclaims, “Darling, I have a terrible migraine, so let's have some sex to refresh me!” A punch line about a beer bottle provides a Lacanian lesson about one signifier. And a “truly obscene” version of the famous “aristocrats” joke has the family offering a short course in Hegelian thought rather than a display of unspeakables. Žižek's Jokes contains every joke cited, paraphrased, or narrated in Žižek's work in English (including some in unpublished manuscripts), including

different versions of the same joke that make different points in different contexts. The larger point being that comedy is central to Žižek's seriousness.

Marriage as a Fine Art - Julia Kristeva 2016-12-20

"We found so much to say, to share, to learn.... For it wasn't just the Marquis de Sade profile and the sporty thighs-and-calves that seduced me. It was even more, perhaps, or certainly just as much, the speed at which you used to read, and still do."—Julia Kristeva "We're married, Julia and I, that's a fact, but we each have our own personalities, our own name, activities, and freedom. Love is the full recognition of the other in their otherness. If this other is very close to you, as in this case, it seems to me that what's at stake is harmony within difference. The difference between men and women is irreducible; there's no possibility of fusion."—Philippe Sollers Marriage as a Fine Art is an enchanting series of exchanges in which Julia Kristeva and Philippe Sollers, married for fifty years, speak candidly about their love. Though they live separately, Kristeva and Sollers are fully committed to each other. Their bond is intellectual and psychological, passionate and mundane. They share everything when together, and lose themselves in their interests when apart. Their marriage is art, rich with history and meaning, idiosyncratic, and dynamic in its expression. Yet it is also as common as they come. Kristeva and Sollers have lived through the same challenges, peaks, and lulls as all married couples do. With humor and honesty, they elaborate on these moments, turning marriage's familiar aspects into exceptional examples of relating, struggling, transcending, and being. Marriage as a Fine Art is a rare chance to know these intellectuals—and marriage—more intimately.

Les enfants de la nuit - Frank DELANEY 2011-12-22

" On pense à Ian McEwan et à John Fowles pour la force d'émotion. C'est un livre qui emporte tout sur son passage. " The Guardian Michael Newman, architecte londonien renommé, a vécu une relation passionnelle avec Madeleine, une femme fragile et mystérieuse, de quinze ans son aînée, dont il ne connaissait rien, ni son histoire ni son passé. Sans doute était-elle la femme de sa vie, mais il l'a compris trop tard : Madeleine a été assassinée dans d'étranges circonstances. Trois ans plus tard, Michael, qui ne s'est toujours pas remis de ce drame, prend quelques jours de repos dans un hôtel en Suisse. C'est là qu'il fait la connaissance d'un couple de riches hongrois, qui lui montrent quelques photos de la villa qu'ils sont en train de restaurer en

Italie. Sur l'une d'entre elles, Michael reconnaît une tour Eiffel en améthyste, une pièce unique créée pour Madeleine, le seul objet dérobé par l'assassin après le meurtre. Dès lors, Michael, devenu la proie d'une série d'agressions, décide de lever le voile sur les secrets de Madeleine et de reprendre l'enquête sur sa mort. C'est le début d'un ténébreux voyage qui, de Londres à Venise en passant par New York et Athènes, le conduira au cœur du cauchemar nazi et de ses expériences les plus inhumaines. Dans un style à la puissance d'évocation remarquable, *Les Enfants de la nuit* pose des questions fondamentales sur la relation entre l'Histoire et les destinées individuelles, la nature du mal, les traumatismes et la résilience, sans jamais se départir d'un suspense qui bien vite tourne à l'obsession. Thriller d'exception aux multiples rebondissements, à la tension omniprésente, il est apparu comme un véritable coup de tonnerre dans le paysage éditorial anglo-saxon lors de sa parution.

Authentic Human Sexuality - Judith K. Balswick 2008-06-10

Jack and Judith Balswick investigate how human sexuality originates both biologically and socially, lay groundwork for a normative Christian interpretation of sexuality, show how authentic sexuality is necessarily grounded in relationships, and explore forms of "inauthentic sexuality" such as sexual harassment, pornography and rape.

The Tao of Love and Sex - Jolan Chang 1977

The Tao of Love and Sex is a revealing and vivid account of the ancient Chinese sexual teachings and techniques banned by the invading Mongols in the 13th century. The book describes, through text and contemporary illustrations, the ways in which Taoist teachings about sexual love can be used as a means to achieving ecstasy and as a therapeutic and healing force. The modern Western reader can here discover the ancient Eastern methods of ejaculation control, types of thrust, love-making positions, erotic kissing, the conquest of impotence and about sex and longevity. Frank and explicit, yet inseparable from the Taoist spiritual tradition, *The Tao of Love and Sex* will enrich the variety, subtlety and sheer sexual pleasure of all who read it.
