When You're Ready, This Is How You Heal - Wiest 2022

The Peaceful Wife - April Cassidy 2016-01-27

“This book walks each of us through the reality checks we need in order to have the marriage we want!” —Shaunti Feldhahn, social researcher and best-selling author of *For Women Only* In today's workplace, women are often rewarded for having type A personalities: driven, demanding, ambitious, and strong. Yet when it comes to their marriages, those same traits can backfire. After all, no one goes into marriage hoping for a promotion. What is a wife to do? April Cassidy knows this struggle firsthand. She thought she was a great Christian wife and begged God to make her passive husband into a more loving, involved, godly leader. Instead, God opened her eyes to changes that she needed to make, such as laying down her desire for control and offering genuine, unconditional

respect—not just love—to her husband. Cassidy's conclusions may be as startling to readers as they were to her, but *The Peaceful Wife* shares how she and many others have learned to reorient their lives to biblical commands—resulting in healthier, happier marriages. In the end, you'll find *The Peaceful Wife* a powerful path to God's design for women to live in full submission to Christ as Lord.

The Guyde - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. *The Guyde* is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of *The Guyde* deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. *The Guyde* is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

How should I relate to my ex after a breakup? I think there's more to life than dating... but what? What happens if I've made mistakes? With her trademark wit and enthusiasm, Renee Fisher, *Devotional Diva* and author of *Faithbook of Jesus*, urges young adults to take a closer look at the way they relate to God and others, showing them that every relationship finds its perfect example in Christ. Each daily devotion includes scriptural insight, prayers, journaling space, and questions for further thought from real-life twenty-somethings.

From the Author: Wouldn't you like to know: Why she text you so much before but now NOTHING?? Why your multiple texts are killing the attraction? Why she is playing so hard to get? If she actually is interested in you? How to have her text you back immediately? How to safely flirt with the amazing results? How to have her waiting for your text rather than the opposite??? What if... She were the one texting you all of the time? You could get her to respond, right now!? You could get that really hot girl to finally pay attention to you? I can't tell you how many women have vented to me their frustrations at what you are doing. These women WANT you to understand, they WANT you to say the right things! But like breaking wind mid sex, it is incredibly easy to snuff attraction. Let me teach you to really understand the opposite sex, and land that date with that really hot/amazing girl. -Mike Masters
