Summers meets Robert at a private gym, and since the initial attraction, they want to do more than just work-out. They had something more steamy and hot in mind. Natalie Summers is the sister of Emma Summers from Book 1 of this series. Samples from the book: He walked up from behind her, turned to face her as he passed by, and flashed a smile. Natalie was intrigued by this hunk. His self-confidence was attractive, his gaze into her eyes appealing, and his muscular body, enclosed only by the tight, dark workout wear he was wearing, was enough to make a woman swoon. As he walked up to the bench press, Natalie noticed he changed the standard weights to the heaviest, largest weights she has ever seen. They were large circular disks made of concrete iron. The size of his biceps rival the size of the iron plates. As he pumped iron and the sweat flowed from his forehead, Natalie can feel a hot sensation coming from within her. Just looking at him pump iron made her heart race. His face, his squirming, his determination really turned her on. He finished his set of workout at the bench press, sat up and looked at Natalie confidently. She was petite at five feet one, but she felt even smaller than that. For some reason Natalie felt shy and casually looked away, breaking the uncomfortable eye contact. But she longed to gaze into his eyes. She was conflicted with what her body wanted and what her heart wanted. With her peripheral vision, she was able to see that he had gotten to his feet and was walking towards her. "Miss Summers, can you please spot for me on the bench press?" he said. "I've booked the entire gym for us today, so no one else will be coming in today," said Robert, "we have the whole gym, swimming pool, sauna, steam room, and Jacuzzi to ourselves." "That's great!" said Natalie, who couldn't believe all the trouble Robert would go through and spend money to make her happy. "I know you can't really do your workout routine when others are around watching," said Robert, "today, I'll give you a private coaching session you'll never forget. It will be special." "Oh, how special?" Natalie was intrigued. "Let's start with our warm up,"

said Robert, "follow my lead." He proceeded to do some stretching, and Natalie imitated him. "No, this is how you do it," said Robert as he walked over to where Natalie was. He took her arms and helped her twist. He then grabbed her waist, and helped her turn. She giggled as he touched her. With Natalie standing with her legs apart and arms forward in a diving motion, Robert patted Natalie on the behind and said, "stick this out more." Natalie smiled and complied. After the stretching, Robert decided to do some core muscle workout. Tags: love, inspire, marriage, respect, romance books, love languages, adult, fiction, stories, romantic, men, women, dating

Dating the Millionaire Kelly Bella 2015-12-05 Read this sexy and fun novel now! There was something irresistible about him, the dark handsome figure, those moist kissable lips that Emma couldn't stop thinking about. But a voice in her head echoes and resonances, "But you don't understand me!" she would tell him over and over. Emma was torn between being irresistibly attracted to Christopher, but the fact was that he was in love with himself more than anyone else in the world. ***He wasn't in his suit anymore. He was dressed in a T-shirt and khakis, standing behind the barbeque grill. Emma thought he must have volunteered to man the grill, so he had left early to get changed for the task. His muscular body tone shone through his T-shirt, which was a perfect fit for his perfect body. The sweat came pouring down like streams of water from his brow. The streams of sweat glided down his chin, down his neck, and into his shirt. There was already a dampened circular spot on his chest. It was a hot day.***As he was speaking, his eyes met Emma's. Emma was standing on the front line of the crowd gathered for Christopher's speech. They gazed into each other's eyes for a brief moment before Emma felt herself blushing and quickly broke gaze to look slightly away from Christopher's eyes. With her peripheral vision, she can see that he was still looking in her direction. No, he was looking at her. Emma looked up again, and his eyes were still on

her. Their eyes locked again. There was something about the way he gazed into her eyes that was special. It was as if he could peer into her very soul. Emma didn't know Christopher, but felt they had known each other for years. ***Emma has never felt this way before. There was something different about this man. She felt a special connection with him that words could not express. In her mind, she secretly wanted to see him again. She wanted to get to know him, and that he can get to know her. Something about this man made her want to trust him, even trust him with the deepest secrets and desires in her young maiden heart. ***He led her to another large ballroom, smaller than the main ballroom, but nevertheless still very large. Inside it there were several large windows with a balcony, and also a nine-foot long piano. Large paintings by famous artists hung prominently on the wall. There were some bookshelves lined with classics by famous authors and poets from the eighteenth and nineteenth centuries. "Miss Summers, the first time I saw you, I was mesmerized," said he. His deep blue eyes gazed into her sparkling green eyes, then leaned towards her right ear and whispered, "I want to know you better." He brushed a strand of her hair from her face with his left hand. Emma's heart was pounding and she wished he wouldn't hear it. Christopher dimmed the lights a little, setting the scene for a budding romance.

Love at Last, and catch up with many of your favorite Love in Bloom characters, including much-anticipated news about babies for the Bradens in Trusty, Colorado! If this is your first introduction to the Bradens, please note that this is a flirt not a full-length novel. Like all Love in Bloom books, flirts are written to stand alone, so jump right in and enjoy the fun, sexy, and emotional ride. What is a Flirt? The Love in Bloom big-family romance world has become so widely enjoyed, I have been asked by thousands of readers to write the stories of our beloved side characters. While I couldn't possibly fit in writing full-length novels for each of them while maintaining my normal publication schedule, I've created flirts. Flirts cover twenty-four to forty-eight hours of two side characters' lives on their path to their happily ever after, while also updating readers about their favorite main characters. Flirts vary in length and heat levels. I hope you love these quick, fun, sexy stories as much as I enjoy writing them. If this is your first Love in Bloom story, then you have a whole series of loyal, sexy, and wickedly naughty heroes and smart, sassy heroines to catch up with. The characters from each family series within the Love in Bloom world cross into other family series and make appearances in future books so you never miss an engagement, wedding, or birth. Lacy Snow wasn't looking for love when she met strikingly handsome and seductive Dane Braden. But how could she ignore the six-foot-three darkly handsome god who tagged and researched sharks for a living--and made every nerve in her body tangle into an overly sensitive knot? Even her fear of sharks could not suppress their intense attraction. As founder of the Brave Foundation, Dane Braden travels from port to port, educating and advocating on behalf of the mammals he adores--and spends his nights finding solace in the arms of strangers. The last thing Dane was looking for when he met Lacy Snow was a relationship, and the last thing he expected was to fall in love. After more than a year--and hundreds of flirty texts, steamy phone calls, and sensual video chats--later, they reunite and take passion to a whole new level. But as Lacy's phobia meets Dane's past love life, their steamy romance is upended, and when tragedy strikes, Dane and Lacy are forced to face their deepest fears head-on as they try to navigate their own sea of love. ****BONUS**** Includes the first chapter (sneak peek) of Bursting with Love (Savannah and Jack). winner!" New York Times Bestselling Author Brenda Novak "Melissa Foster is synonymous with sexy, swoony, heartfelt romance!" New York Times Bestseller Lauren Blakely IN FLIRTING WITH LOVE... Elisabeth Nash has spent years dreaming of returning to the small town of Trusty, Colorado, where she spent summers with her favorite aunt. When she inherits her aunt's farmette, she closes her Los Angeles pet bakery and pampering business, sure that life in Trusty will be as peaceful and as welcoming as she remembers. But being an outsider in the close-knit town proves to be very different from the happy summers she remembers from her childhood--and falling for Trusty's hot, wealthy, and sinfully irresistible veterinarian, Ross Braden, sends the rumor mill into a frenzy. Ross Braden learned long ago that gossip spreads faster than weeds in his small hometown, and Ross loves nothing more than his privacy. For that reason, he doesn't date women who live in Trusty. But that was before blond, beautiful, and refreshingly honest Elisabeth Nash flew into his vet clinic seeking help for her panicked piglet and turned his comfortable life--and his heart--inside out. Despite rumors about Elisabeth's motives toward her aunt's property, passion brews between Elisabeth and Ross. Every steamy kiss and every sensual touch brings the pair closer together, and when Ross helps Elisabeth try to fit into the town he adores, it makes their bond even stronger. But even Elisabeth's efforts toward reaching the community, and the love she and Ross so desperately believe in, might not be enough for the protective small town to offer them a future.
