Acknowledgements Introduction Hello there, if you made it this far into this I just want to thank you for wanting to know more about me. So without further adieu this is the poetry of my life. I have been writing since I was around 14 or 15 years of age, but I have been very vocal about what I want to do with my life and that is writing any and everything. I have had a passion for writing since I was 12 as far as I can remember. Writing will always be my first and last true love in my life. I have seen how much my writing has matured over the years and I am very proud of the pieces you will read throughout this book. I am still writing but the very last poem is my latest piece and I am so grateful for the opportunity to share the world with my talent. Many people will look at this and judge or say these poems are not good and I am okay with that, I know that throughout the obstacles in my life

the only thing that kept me sane was my writing and my ability to write and for a while I wasn't writing. I thought I had lost the passion or even worse the gift of being able to write and it took me a minute to know that that wasn't true. I have told my life in more ways than one in my poetry and you will see that as you read them in this book. It took me a long time to find the strength to create this book. I hope you really take in my work and understand me a little more. Thank you for willing to read and understand me through my poetry, this was a long overdue project for me. Can you believe it? Can you believe it? that at 13 I was depressed Can you believe it? that I'm afraid of my past coming back to haunt me Can you believe it? that at 14 I was happy Can you believe it? that my happiness didn't last long Can you believe it? that I turned to pain as a way out Can you believe it? that I turned to music as a way out also Can you believe it? that at 15 I fell in love Can you believe it? that my first love hurt me deeply can you believe that for a brief second I was happy Can you believe it? that I was still turning to pain and music as a way out Can you believe it? that i'm still 15 and I'm still afraid of my past Can you believe it? that I'm now afraid for my future Life and love I once met a girl who at 15 fell in Love with a guy who was 19 they dated for a month and it was the worst month of her life she realized that she was in love but he wasn't when they broke up she was heart broken she kept it all inside she had other boyfriends but she didn't want them she wanted him by the time she was single he found someone new and fell in love again heartbroken she begin to go to pain and music to deal with the heartbreak of losing the one she loves Knowing the unknown What is love? Love is laughing so hard you can't Breath Love is smiling till it hurts Love is crying till you can't cry no More What is life? Life is tears Life is smiles Life is mistakes and lessons What is me and you? I don't know what you and me is Is it love? is it forever? Is it never? I don't know Do you know what me and you are? Do you know if it is love? if it is Forever? If it is never? do you know? In life there is a sense of the Unknowing You never know what life holds for us So you chose your path in life Love is unknowing You could mistake love for lust Love won't last forever In both love and life There is a sense of the unknowing Can you figure it out Invisible girl invisible girl that's me no one can see me invisible is me invisible girl that's me no one can hear me invisible is me invisible girl that's me the ghost of darkness invisible is me invisible girl that's me proud of it invisible is me invisible girl that's me embracing it invisible is me I am I am pretty smart funny I am an actor a singer a poet I am a writer a painter a song writer I am different human undefined Human Human This one word has a lot to say can it be defined Human It defines anybody who can define it everybody can Human can be a person dead or alive so can it be defined Human it can be defined it defines me I am H.U.M.A.N Dead dreams I have high hopes in my life I want to be an actor some day I have the skills to do a lot of things I have low hopes in my life I do not think I can be a poet or actor some day I do not think I have the skills for that I have no hope in my life I think I am still the indivisible girl I have no hope in my life I have no dreams My dreams are dead Blinded by the past Blinded by the fear. Blinded by the past Chained away from the future Blinded by the pain of the past Blinded by the hate of the past Chained by the fear You can see the future It's in your hands, but the past holds you back Why? Cause you can't let go of the past. Let the past go Let the love in Stop being blind and love him He's worth it. He's earned the key to your heart. Love is Love is A 4 letter word that has no meaning Love is A 4 letter word nobody knows the true meaning of Love is a 4 letter word that lost meaning in the world Love is A 4 letter word that people use to destroy hearts Love is a 4 letter word and nothing more but a 4 letter word My first You are my first friend you are my first crush you are my first boyfriend you are my first love you are my first broken heart you are my first physical scar you are my first emotional scar you are my first you are my last Second chance Cutting her wrists deeper and deeper she is about ready to leave leave this earth and never come back she looks up and she can see god He says it is not your time it is not your time to be with me Her mother beating on her bedroom door Her mom kicks the door down she sees her baby passed out on the floor bleeding she calls 911 She wakes up in a hospital bed She got a second chance A second chance at life Harsh reality Nigga claim he loves me Cares for me Only want me Left so many times Then came right back Talking about he'll never leave again. But turns around and threats to leave How do I live like this? Wanna leave? But I know I'll be right back A vicious cycle I'm stuck in

How do I get out of it? Don't know what to do. Tired of this life Trying to figure out what to do Know I love him Know I can't live without How do I live? I can't believe a word he says I can't trust his word Tired of the cycle I'm in Just wanna scream out Just wanna break out of it Don't know how? Don't know what to do anymore. You was the same nigga I stayed up for Same nigga I put up with All the accusations from you All the fights All the name calling I stayed and you go and break my heart Did what you accused me of doing And what makes it worse with an ex of yours. Got me analyzing my body Figuring out the pain I'm feeling Hating myself Feeling so ugly wishing for the dream to be over Sadly it's not a dream, it's a harsh reality. Nobody knows Nobody knows the pain I go through to coop Nobody knows How much blood I see every time Nobody knows why I go through it Nobody knows the pain of my past Nobody knows Why I'm afraid of my past Nobody knows why my future is just as scary as my past Nobody knows And i'm not ready to tell why Loving an old flame Loving and old flame all over again.... The irony in that My ex bf is my baby... I'll always love him My old love refurbished Into a deeper love Into a deeper connection. Into something stronger and solid Loving him all over again Loving my best friend all over again.... I fall deeper in love everyday All over again He does no wrong I have not hate for anything he does I love everything about him I'm happy again with him Yay I am me I am Not a normal girl I am an undefined girl I am Not a normal girl I am an emo girl I am Not a normal girl I listen to rock music and love it I am Not a normal girl I am just me The voices Voices in my head screaming Voices screaming for help As death comes near the voices get louder Bright lights shining, more voices But maybe it's all In my head No one knows I'm dying No one knows I am here in this position No one cares enough to see Voices in my head screaming out Voices screaming for help As death grows near The voices in my head grow silent. Life flashing before my eyes Wishing that dying was faster Painless, but slow death An inner war Everyday there is a war inside me My heart and my mind fighting My heart screams out louder Than my mind, but there's still war My heart and mind fight everyday My mind can say one thing My heart another Screaming at the top of their lungs at each other And then silence is left As one battle has ended, but the war hasn't It's an everyday battle Between my heart and mind Everytime the battle ends I'm left to decide who's right? My heart or my mind Who I should listen to? My heart or my mind. I somehow mistakenly choose my mind My mind I always seems to listen to My heart always seems to silence or cage it, but never free it. I have a heart caged away. I have a heart screaming to be listened to A heart wanting to be free. There's a war inside me everyday A war I can only stop by freeing my heart from its cage Love, scary? Love, scary? Maybe There's always something to be afraid Love is one Love, hurtful? No, it may seem like it but no It's peaceful to love in caged It's beautiful. Love, scary? Yeah, but it's worth it. Loving someone unconditional and uncaged is worth it Questions Question after question swirl in my mind everyday Question after question form in my head that I am and was to scared to ask you and them Hate fueling up in my body everyday since the day Hate pouring out of me at people that dont deserve it For so long I have been afraid of the dark For so long I have been afraid of you... of myself and how far this razor can go For so long I have been guilty of it all. Question after question make shape in my mind everyday Question after question runs through my mind like a track star everyday Depression is getting stronger and stronger as time goes by Life goes on and time goes on without a care in the world for us humans and our emotions To afraid to speak to you or anyone about the incident To afraid everyday to sleep in the dark every night My fear and hatred and anger and depression takes over and overwhelms me like boulders daily Question after question pushed deeper and deeper into the back of my mind Question after question cloud my mind like a thick fog Long nights and rough mornings get harder and harder to deal with All the booze and drugs in the world don't help clear the fog On a daily basis I look for some type of numbing to just be okay for one night Just in search of one night of bliss and peace..... Just one night Long distance love story I was hurting when you came along I didn't know how it should feel to be loved I tried to be perfect, but no one is perfect We ain't perfect, but the love we share is perfect Our date, I'll never forget Even if I do you will be the to help me remember I get a heart push when your name comes across my phone Still got a crush on you even though you are mine A queen on my throne, next to you my king Wishing everyday to touch

your face The distance is killing me Our love with each FaceTime call Asking the man upstairs for a different type of love Took me months to see I had what I was praying for Been through hell and back for someone who didn't want me for years I know if we go through hell, we will reach heaven So far away from each other I need you here I need to know your feelings Sucky ass distance, stronger love I miss sleeping on the phone with you at night Your voice, my Lullaby I can't imagine life without you All I want is you I don't know what I'll do without you my love Probably lose my mind We a secret nonetheless Society would judge us Society would try to destroy us One day we will see each other The distance won't be so bad soon enough Miles apart yet stronger together Sucky ass distance, stronger love Acknowledgements Thank you to everyone that has inspired me throughout my life and was my inspiration behind every piece you just read. I would also like to thank my family and friends who have always supported me and encouraged me to continue my craft, couldn't have done it without you. This book was a dream come true for me and in a million years I never thought I would actually finish it at my age. Thank you to everyone that has read it, hopefully you can understand me and my life a little better. **I Love You More Than You Know** Jonathan Ames 2007-12-01 "Utterly delightful" essays from the creator of the HBO's Bored to Death reveal intimate details of his life as a famously neurotic New York writer (Brendan Halpin, Los Angeles Times). Jonathan Ames has drawn comparisons across the literary spectrum, from David Sedaris to F. Scott Fitzgerald to P.G. Wodehouse, and his books, as well as his abilities as a performer, have made him a favorite on the Late Show with David Letterman. Whether he's chasing deranged cockroaches around his apartment, kissing a beautiful actress on the set of an avant-garde film, finding himself stuck perilously on top of a fence in the middle of the night in Memphis, or provoking fights with huge German men, Jonathan Ames has an uncanny knack for getting himself into outlandish situations. In *I Love You More Than You Know*, Ames once again turns his own adventures, neuroses, joys, heartaches, and insights into profound and hilarious tales. Alive with love and tenderness for his son, his parents, his great-aunt—and even strangers in bars—Ames looks beneath the surface of our world to find the beauty in the perverse, the sweetness in loneliness, and the humor in pain in essays that are "both poignant and silly—an irresistible mix" (John Dicker, Philadelphia Weekly).

**You Know I Love You** Willow Winters 2020-11-17 I married the bad boy from Brooklyn. The one with the tattoos and the look in his eyes that told me he was bad news. The look that comes with all sorts of warnings. I knew what I was doing. I knew by the way he put his hands on me; how he owned me with his forceful touch. I couldn't say no to him, not that I wanted to. That was then, and it seems like forever ago. Years later, I've grown up and moved on. But he's still the man I married. Dangerous in ways I don't like to think about. I did this to myself. I knew better than to fall for him. I only wish love was enough to fix this... *You Know I Love You* is book 1 of a duet. **The Boy and the Dog are Sleeping** Nasdijj 2003 Nasdijj's critically acclaimed, award-winning memoir, "The Blood Runs Like a River Through My Dreams, took the literary world by storm. "An authentic, important book," raved "Esquire. "Unfailingly honest and very nearly perfect." Now, this celebrated Native American writer has given readers a powerful, brave, and deeply moving memoir of the unconditional love between a father and a son. Eleven-year-old Awee came to live with Nasdijj carrying a brown paper bag containing all his belongings, a legacy of abuse, and AIDS. But this beautiful, loving, and intelligent little boy also had enormous hope for his new life. "The Boy and the Dog Are Sleeping is the heart-rending but also joyous story of this untraditional little family, filled with love and laughter, but also with great pain, as Awee became progressively more ill. Nasdijj writes about their motorcycle trip to see the ocean for the first time, about baths and baseball, about Awee's "big brother" Crow Dog, and his dog, Navajo, but also about the brutal realities of reservation life and the challenges of dealing with a sometimes hostile medical establishment that often lacks the knowledge to treat pediatric AIDS. In the end, Nasdijj must find his own way of alleviating Awee's suffering--and of helping him maintain his dignity in the face of a disease that gradually robs him of himself. By turns searing and searching, lyrical and raw, "The Boy and the Dog Are Sleeping is ultimately transcendent--for in the end Awee got what he wanted most in his short life: a real dad. "

dating or in a relationship, the thought of if someone truly loves you or you are in love comes to mind. We all want to fall in love and get married to someone who feels the same way we feel about them. However, people find it hard to say those three big words (I Love You) we want to hear. The reason for their hesitation varies. They are afraid to be perceived as moving too fast if it's a relatively new relationship, so they don't want to push you away. It could be because they don't want to come off too strong if they cannot tell that you have similar feelings. And some people hold off saying it because they feel like the other person should say it first. Regardless if they are professing their love or hiding it, this book will reveal the signs that convey someone truly loves you and if what you are feeling also is true love. Dr. Femi "Gfem" Ogunjinmi is a global relationship new rule expert, TV host of Dr. Femi Show, United Nation Representative, and author of Revelations of Relationship: What You Don't Know About Finding True Love and Sustaining Relationship. He has been a go-to expert to media outlets like USA TODAY MAGAZINE, FOX NEWS, REWIRE.Org., and STYLECASTER. He has spoken on big media platforms including The Word Network, RADIO ONE, SIRIUS XM, SPLASH FM, and TEDx. His speech on TEDx has received over 2.8 million views and growing by 100,000 views every month. Apart from keynoting and speaking at conferences across the United State and overseas, Dr. Femi also conducts his own relationship programs. His signature conference, "Revelations of Relationship Seminar" occurs every year in United State and has been conducted internationally in Nigeria. Dr. Femi is the founder of National Relationship Equity Day, an organization that has created a national awareness day celebrated June 24th of every year. National Relationship Equity Day is dedicated to eradicating gender inequity in relationship and promoting the use of gifts, values, skill sets, and interests as a way of defining roles in relationship other than gender.

*TREATMENT FOR LONELINESS: Oprah Said, 'Just Say 'Hello!'* Messenger K. Hezekiah Scipio 2018-02-27 On February 20, 2014, media queen Oprah Winfrey launched a campaign on CNN against loneliness; she named her initiative, "Just Say Hello!" She also named as her campaign partners her long-time best friend, "CBS This Morning" co-anchor Gayle King, and CNN's chief medical correspondent and practicing neurosurgeon Dr. Sanjay Gupta to "help fight loneliness, lift spirits, and brighten days to save lives". Researchers have said loneliness can cut off a lifespan by ten years. Oprah's initiative, if successful, could add ten years of existence to lonely lives, but Oprah is not the first celebrity to launch such altruistic enterprise: Stevie Wonder went that route in 1984 with "I Just Called to Say I Love You", and in 1985, Michael Jackson, Lionel Richie, Quincy Jones and a host of superstars with "We Are the World". Had those earlier initiatives succeeded, Oprah's campaign might not be necessary. But, there are also available often overlooked very precious time-tested scientifically backed biblical formulas for combating loneliness some of which are cited in this book in the hope that, perhaps, Oprah and her team may consider using their celebrity positions to help America focus on the things of GOD. For, "no eye has seen, nor ear has heard, and human mind has conceived the things God has prepared for those who love him" (1Cor. 2:9). Hz

**Christ's Discipleship Deal** Richard Christenson 2018-01-08 As a former pastor, Richard Christenson has had the opportunity to address numerous congregations and men's ministry groups throughout the northwestern United States, and his observations from these experiences are alarming. He found that comprehensive discipleship training that addresses the spiritual formation and mission involvement requirement of Christ's followers has been replaced by "felt needs" driven programming and religious education classes. The result is, local churches are becoming increasingly ingrown and are comprised of consumers, spectators, and Jesus fans rather than cross-carrying followers of Jesus Christ. Richard Christenson believes this problem is the result of our incomplete presentation of the Gospel and our failure to provide comprehensive maturity, ministry, and mission training for church members. Christ's discipleship deal comes with many temporal and eternal benefits, but there are also costs involved that need to be counted before making a commitment to become a follower of Christ. In his new book, *Christ's Discipleship Deal*, Christenson offers assistance for local church leaders in identifying and correcting concerns related to their presentation of the Gospel, spiritual formation of their members, and proactive participation in Christ's redemptive mission.

Malcolm 2014-01-16 *Meditations on Life and Living Born Out of Love for God* are basic but simple testimonials in story format with Scripture as the catalyst and theme for their birth. It will seem as though you are right there by her side, witnessing what she does in her own mind, seeing, feeling, understanding her point of view as she correlates biblical Scriptures into her reflections and how your understanding of Scripture can be a driving force for your own life. *Meditations on Life and Living Born Out of Love for God* will allow you to relive your past, reflect on the glory of your present and marvel at your future when you realize the joy, happiness, contentment and peace of mind you attain through a life with God. You will see where you were before salvation, understand who you are in your salvation and strive to be even better through salvation. You will see how Scriptures are being brought to light through everyday life situations. Wait till you read catchy titles such as: *Throw Down Your Rocks*, *The Fragrance of Christ*, or *Wake Up Everybody*. You will find excitement in the directions each testimonial meditation will take you. **But I Know I Love You** W Koenig-Bricker 2019-09-11 When Steve Curto and his fiancée Camre were expecting their son, Camre suffered a devastating and permanent brain injury resulting in complete and irreparable memory loss. Although she looks and sounds normal, she cannot remember anything from her past, and she is unable to form new memories in the present. This is the true-life account of one man's determination to create a family with the woman he loves even though she doesn't have a clue who he is, or even they have a child. Steve Curto proves that real love isn't hearts and flowers, but showing up every day, doing what has to be done, and never letting go. It is, in his words, always telling yourself, "You've got this!" The title comes from a time after her brain injury when Camre sat on the couch, looked at Steve and said, "I don't know where I am. I don't know who you are. I don't know why I am here, but I know I love you."
