Dictionary of Sexual Dreams - Martha Clarke
2015-02-10

Approximately 8 percent of what we dream about has sexual connotations. Interestingly, authorities claim that sexual dreaming is often more intense than the physical act of sexual intercourse. *Dictionary of Sexual Dreams* helps us understand, as well as enjoy, these desires. While we sleep, certain things take place that we would not necessarily pursue while awake: participating in an orgy, making love with someone of the same gender, or being intimate with our best friend's partner. From women who

dream about making love with a stranger to men who dream about group sex, the fantasies that are revealed through dreams are symbolic, shedding light on our most profound impulses. This unique dictionary teaches us how to: • Interpret these erotic dreams • Understand our true desires • Figure out the meaning that gets obscured by our nocturnal dreams • Get in touch with our masculine/feminine side in our dreams • Better enjoy daytime sexual activity

Mia Villanueva has a haunting of her own and it's the only family heirloom her parents left her: doubt. It's the reason she can't overcome her stage fright or believe that her music is worth making. La lista di Adele - Erica Arosio 2021-06-25
Spari nella notte contro il pub All'Ombra dell'ultimo sole, nelle gallerie fra Levanto e Bonassola. Vetri infranti e molta paura, per fortuna nessun ferito. Poche ore dopo, nella sua casa sulla salita che porta al Mesco, viene trovata in un lago di sangue, sgozzata con un paio di forbici, Adele Rixi, cinquantenne dalla rocambolesca vita amorosa. I due eventi sono collegati? Chi può avere agito indisturbato in pieno lockdown, nel marzo 2020, quando il Paese intero, non solo Levanto, è bloccato dal coprifuoco e nessuno può uscire senza giustificati motivi? I ragazzi della Banda dell'Albarola indagano e litigano, Laura, anatomopatologa e figlia di Adele, è sconvolta, il commissario Ortensia Ferraris esclude ogni collegamento, ma la soluzione non arriva. Intanto qualcuno, per una notte di sesso, sfida i

divieti, la protezione civile si insedia in alberghi e campeggi, i giovani non si rassegnano all'immobilità e aumenta la diffidenza anche verso gli amici più stretti. Mentre il pub è oggetto di altri misteriosi attacchi, tutti sospettano di tutti, in un labirinto di misteri dove presente e passato si intrecciano, portando alla luce colpe e odi. L'emergenza Covid rende tutto più faticoso e c'è una sola certezza: l'autore degli attentati e l'assassino non si sono mossi dal paese. Sempre che non si tratti della stessa persona. Erica Arosio e Giorgio Maimone, ambedue giornalisti, scrivono a quattro mani dal 2013. Assieme hanno pubblicato una serie di gialli ambientati nella Milano degli anni Sessanta: *Vertigine* (Baldini & Castoldi) e, tutti per Tea, *Non mi dire chi sei*, *Cinemascope* e *Juke-box*, *Autarchia* (nell'antologia *Ritratto dell'investigatore da piccolo*); *L'Amour Gourmet* (Mondadori, 2014), un girotondo sentimentale nell'Alta Ristorazione degli anni '80 a Milano, *Un due tre stella - Vita di Ezio e Renata Santin* (Mondadori, 2015), il *mémoire* sul '68 *A rincorrere il vento* (2018, Morellini) e il giallo *Delitti all'ombra dell'ultimo sole* (2020, Fratelli Frilli Editori). Erica Arosio da sola ha scritto *L'uomo sbagliato* (La Tartaruga, 2012) *Carne e nuvole* (Morellini, 2018) *101 racconti brevi*, *La bambina che dipingeva le foglie* (Albe edizioni, 2019). Giorgio Maimone nel 2019 firma con Luca Pollini *Oggetti smarriti - Piccolo catalogo delle cose perdute*. (Morellini). Nel 2020 esce il suo romanzo breve *Marlon* e il calendario dell'avvento, nell'antologia *Quattro volte Natale* (Todaro).

Radical Intimacy - Zoë Kors 2022-04-12

A practical step-by-step methodology for nurturing and sustaining our intimate relationships through first focusing on self, extending to partners, and the world We can apply the law of attraction, love languages, and every hack in the world. We can do all the yoga, spa days, workshops, and retreats we can make time for. But without an underpinning of intimacy, our experience of ourselves is soft and dreamy and lacks the kind of specificity necessary to truly know ourselves through and through. With intimacy as the foundational principle of our existence, we can build a life based on what we truly need, not what have been told we need, think we need, or what we

think we should need. No matter who you are and who you like to have sex with, my intention is to arm you with a new toolkit and consciousness for cultivating the deeply connected relationships you desire and the life you deserve. Zoe Kors draws on her experience as an intimacy coach, workshop leader and sex and relationships writer, sharing her powerful--and practical--step-by-step methodology for nurturing and sustaining our intimate relationships over time. It addresses the essential truth that is almost universally missed in discussions of sex and intimacy: We can meet each other only to the extent that we can meet ourselves. Kors guides the reader on a five-part journey through nine areas of opportunity for deepening intimacy with themselves, their partner, and their world, inviting them to embrace emotional, physical, and energetic self-mastery, which is required to skillfully relate with others. Voice-driven, accessible--with the right amount of tough love--*Radical Intimacy* rewrites the rules (and *The Rules*) by:

Introducing the concept of "Energetic Intimacy" as a real thing. I talk about concepts like presence and energy, in a way that is accessible and makes sense to the mainstream market (not woo-woo!) Defining and busting "The Attachment Myth"--my term for the rampant and erroneous belief that women emotionally attach to their sexual partners--rewriting the common narrative, giving women freedom and agency to own their embodied sexuality without guilt or shame. Shifting the vocabulary around sex and intimacy to feel real, organic, and unapologetic by speaking with ease and confidence about sex and sexuality--no euphemisms, no air quotes, no beating around the bush (so to speak). Telling the truth that sex is not effortless. Great sex is cultivated over time through practice.

Evangelizing intimacy as an ongoing and life-altering practice that happens not just between two people, but on an individual level first. Dismantling porn-culture's stronghold on the misperception of women's bodies and sexuality so that we may respect, revere, and fall love with women (and ourselves) for the magical and varied creatures we are.

Anything for a Hit: An A&R Woman's Story of Surviving the Music Industry - Dorothy Carvello 2019-10

Downloaded from
legacy.opendemocracy.net on 2020-09-20

Dorothy Carvello knows all about the music biz. She was the first female A&R executive at Atlantic Records, and one of the few in the room at RCA and Columbia. But before that, she was secretary to Ahmet Ertegun, Atlantic's infamous president, who signed acts like Aretha Franklin and Led Zeppelin, negotiated distribution deals with Mick Jagger, and added Neil Young to Crosby, Stills & Nash. The stories she tells about the kingmakers of the music biz are outrageous, but it is her sinuous friendship with Ahmet that frames her narrative. He was notoriously abusive, sexually harassing Dorothy on a daily basis. Carvello reveals here how she flipped the script and showed Ertegun and every other man who tried to control her that a woman can be just as willing to do what it takes to get a hit. Never-before-heard stories about artists like Michael Jackson, Madonna, Steven Tyler, Bon Jovi, INXS, and Marc Anthony make this book a must-read to grasp what it takes for a woman to make it in a male-dominated industry.

Ugly Music - Diannely Antigua 2019-05-15
Poetry. African & African American Studies. Latinx Studies. Women's Studies. Diannely Antigua's debut collection, *UGLY MUSIC*, is a cacophonous symphony of reality, dream, trauma, and obsession. It reaches into the corners of love and loss where survival and surrender are blurred. The poems span a traumatic early childhood, a religious adolescence, and, later, a womanhood that grapples with learning how to create an identity informed by, yet in spite of, those challenges. What follows is an exquisitely vulgar voice, unafraid to draw attention to the distasteful, to speak a truth created by a collage of song and confession, diary and praise. It is an account of observation and dissociation, the danger of simultaneously being inside and outside the experiences that mold a life. *UGLY MUSIC* emerges as a story of witness, a realization that even the strangest things exist on earth and deserve to live. "Diannely Antigua's *UGLY MUSIC* is a beautiful disturbance of erotic energy. This debut counters the pull of thanatos with the effervescent allure of pure imagination, and everything is dangerously alive. Antigua's seduction is both intellectual and physical, a force strong enough to counter the emotional pains recounted here--an abandoning father, trespassed bodies, pregnancies lost, wanted, feared. At times, the speaker of these poems trespasses on her own body, as if to say a body is both precious and to be ruined, used, used up. At its deepest song, this is a theological protest and investigation by a speaker wrestling with faith and fathers, with unapologetic desire. These poems have found a way to circumvent the most precarious silences, to boast and to rue." --Catherine Barnett
