The Essays of "George Eliot." - George Eliot 1883

Five Faces of Modernity - Matei Călinescu 1987

Five Faces of Modernity is a series of semantic and cultural biographies of words that have taken on special significance in the last century and a half or so: modernity, avant-garde, decadence, kitsch, and postmodernism. The concept of modernity--the notion that we, the living, are different and somehow superior to our predecessors and that our civilization is likely to be succeeded by one even superior to ours--is a relatively recent Western invention and one whose time may already have passed, if we believe its postmodern challengers. Calinescu documents the rise of cultural modernity and, in tracing the shifting senses of the five terms under scrutiny, illustrates the intricate value judgments, conflicting orientations, and intellectual paradoxes to which it has given rise. Five Faces of Modernity attempts to do for the foundations of the modernist critical lexicon what earlier terminological studies have done for such complex categories as classicism, baroque, romanticism, realism, or symbolism and thereby fill a gap in literary scholarship. On another, more ambitious level, Calinescu deals at length with the larger issues, dilemmas, ideological tensions, and perplexities brought about by the assertion of modernity.

The James and Mary Murray Murdoch Family History - Dallas E. Murdoch 2008-05

A history of James and Mary Murray Murdoch and their descendants. Includes maps, charts, and numerous photographs.

Erlöst Von Dr. Duken Moore - Ella Gold 2017-11-07

Der neue Roman der Bestsellerautorin Ella

Gold~~~~~◆Liebe hat so viele Namen. Aber manchmal braucht es keine Worte, um sie zu beschreiben. Manchmal, so wie jetzt, ist sie einfach nur da und h<llt uns drei in ihren Mantel der Geborgenheit.◆DUKENWie offenbart man einer Frau, dass sie schwanger ist? Ich kenne mein Engelchen, und dennoch wei< ich nicht, wie sie auf diesen Umbruch in unserem Leben reagieren wird. Und wie werde ich Mia zu all den <rzten und Untersuchungen bewegen k<nnen, die auf sie zukommen? Ich wei< doch, wie <ngstlich und schamhaft sie ist. Wie soll sie die Geburt in einem <ffentlichen Krankenhaus nur <berstehen? Als gen<igten diese Sorgen noch nicht, erreichen mich auch noch st<ndig P<ckchen mit Inhalten, die ich nie wieder sehen wollte ... Es sind Erinnerungen aus meiner Vergangenheit, aus meiner Kindheit, die der H<lle glich. Wer schickt mir nur diese Relikte des Missbrauchs, dem ich jahrelang ausgesetzt war?MIAWenn ich nur w<sste, was mit mir los ist! Irgendetwas stimmt mit meinem K<rper nicht. Duken r<hrt mich kaum noch an. Er ist st<ndig auf mein Wohl bedacht. Ich darf weder joggen noch schwer heben. Ihm w<re es am liebsten, wenn ich den ganzen Tag im Bett verbringen w<rde. Hoffentlich bin ich nicht ernsthaft krank, hoffentlich haben sich seine Gef<hle f<r mich nicht ver<ndert, denn ich brauche ihn - er ist mein Leben! Und dann ver<ndert sich auch noch seine Stimmung, er wird todernst und eigenbr<tlerisch, wenn uns merkw<rdige Pakete erreichen, deren Inhalte er mir nicht zeigen will. Was ist nur los? Was geschieht hier gerade?!!! "Erl<st von Dr. Duken Moore" ist der 2. Teil um Duken und Mia, deren Geschichte damit abgeschlossen ist. Vorkenntnisse aus <Gefesselt von Dr. Duken Moore< sind absolut notwendig !!!

Holocaust as Fiction - W. Donahue 2011-01-19

Holocaust as Fiction seeks to explain and critically evaluate the extraordinary success of Schlink's internationally acclaimed novel, *The Reader*, the widely read "Selb" detective trilogy, and two popular films based closely on his work.

History of the Christian Church, Volume VIII: Modern Christianity. The Swiss Reformation. -

From Goethe to Gundolf - Roger Paulin 2021-08-24

From Goethe to Gundolf: Essays on German Literature and Culture is a collection of Roger Paulin's groundbreaking essays, spanning the last forty years. The work represents his major research interests of Romanticism and the reception of Shakespeare in Germany, but also explores a broader range of themes, from poetry and the public memorialization of poets to fairy stories - all meticulously researched, yet

highly accessible. As a comprehensive examination of German literary history in the period 1700-1900, the collection not only includes accounts of the lives and work of Goethe, Schiller, the Schlegels, and Gundolf (amongst others), serving to nuance our understanding of these figures in history, but also considers diverse (and often underexplored) topics, from academic freedom to the rise of travel literature. The essays have been reformulated, corrected, and updated to add references to recent works. However, the core foundations of the originals remain, and just as when they were first published, the value of these essays - to researchers, students, and all those who are interested in German literary history - cannot be overstated.

Wildlife Trafficking - Gian Ege 2020-10-09

"Wildlife trafficking threatens the existence of many plant and animal species and accelerates the destruction of wildlife, forests, and other natural resources. It contributes to environmental degradation, destroys unique natural habitats, and deprives many countries and their populations of scarce renewable resources. Nevertheless, preventing and suppressing the illegal trade in wildlife, animal parts, and plants is presently not a priority in many countries and it remains overlooked and poorly researched. The chapters included in this volume address causes, characteristics, and actors of wildlife trafficking, analyse detection methods, and explore different international and national legal frameworks." This work was published by Saint Philip Street Press pursuant to a Creative Commons license permitting commercial use. All rights not granted by the work's license are retained by the author or authors.

Wolcott Genealogy - Chandler Wolcott 2015-02-12

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

"The" Red Jews - Andrew Colin Gow 1995

The German legend of the Red Jews, a medieval conflation of the Ten Lost Tribes of Israel with the biblical destroyers Gog and Magog, articulated throughout the Middle Ages and well into the sixteenth century a fundamentally antisemitic strain of popular apocalypticism. This undigested piece of medievalia disappeared as more strictly biblical narratives of the End replaced medieval myth. As a result, the Red Jews have not been noticed by modern historians though they were a universally-known feature of German apocalyptic belief for over three centuries.

An Elementary Treatise on Natural Philosophy - René Just Haüy 1807

History and Obstinacy - Alexander Kluge 2014

An epochal archaeology of the labor power that has been cultivated in the human body over the last two thousand years. If Marx's opus *Capital* provided the foundational account of the forces of production in all of their objective, machine formats, what happens when the concepts of political economy are applied not to dead labor, but to its living counterpart, the human subject? The result is Alexander Kluge and Oskar Negt's *History and Obstinacy*, a groundbreaking archaeology of the labor power that has been cultivated in the human body over the last two thousand years. Supplementing classical political economy with the insights of fields ranging from psychoanalysis and phenomenology to evolutionary anthropology and systems theory, *History and Obstinacy* reaches down into the deepest strata of unconscious thought, genetic

memory, and cellular life to examine the complex ecology of expropriation and resistance. First published in German 1981, and never before translated into English, this epochal collaboration between Kluge and Negt has now been edited, expanded, and updated by the authors in response to global developments of the last decade to create an entirely new analysis of "the capitalism within us."

Germany and the French Wars of Religion, 1560-1572 - Jonas van Tol 2018-11-05

Germany and the French Wars of Religion, 1560-1572 explores how the first decade of the religious wars in France was interpreted by German Protestants and why they felt compelled to intervene.

Historical Memorials of Westminster Abbey - Arthur Penrhyn Stanley 2020-05-22

Reprint of the original, first published in 1869.

History of the Christian Church. A.D. 1-311. Modern Christianity. The Swiss Reformation - Philip Schaff 1893

As Dust Dances - Samantha Young 2018-07-16

The New York Times Bestselling author of the On Dublin Street series and Play On returns to the world of the arts in this intense and emotional standalone romance about love, sacrifice, and surviving both. Once upon a time Skylar Finch was the lead singer of a hugely successful American pop-rock band. But fame made her miserable. When years of living a lie suddenly ended in tragedy, Skylar fell off the map. Eighteen months later she's sleeping in a tent in a cemetery in Glasgow, making just enough money to eat by busking on the streets. She manages to avoid recognition, but not the attention of one of Glasgow's ambitious A&R executives. Killian O'Dea works at Skyscraper Records, Scotland's most successful record label. Raised by his uncle and owner of the label, Killian's upbringing would have been devoid of affection entirely if it wasn't for his loving sister. Killian is unflinchingly determined to bring the label more success than ever, and the young homeless woman who busks on Buchanan Street is going to help him do that. Her music speaks to him in a way he refuses to over-analyze. All he knows is that if it can touch his dark soul, it'll set everyone else's alight. Skylar makes it clear that she doesn't want to sign with him. But when she experiences the dangerous reality of a woman sleeping rough, Skylar has no one else but Killian to turn to. An undeniable connection forms between them. But Skylar doesn't want the career Killian is trying to forge for her, and when her past comes back to haunt her Killian will be faced with a decision that could ruin him. He must either free Skylar from his selfish machinations and destroy everything he's ever worked for, or lose a woman who has come to mean more to him than he ever thought possible.

The Wind Among the Heather - Ammon Wrigley 1992

Pleasures of the Night - Sylvia Day 2009-03-17

There are sensuous pleasures that can only be tasted in the night . . . He comes to her in the twilight between sleep and consciousness to fulfill her secret desires. Lyssa Bates has never experienced such ecstasy, brought to her by a man whose deep, soul-penetrating blue eyes hold the promise of tempting intimacies and decadent pleasures. But this stranger, this lover, this immortal seducer is only a dream—a phantom of her nocturnal fantasies—until he appears, inexplicably, at her door in the flesh! Lyssa aches for the reality of him, but there is grave danger in surrender. Because Captain Aidan Cross is on a mission, and the passion that consumes them both, body and soul, could have dire consequences in a world of dreams . . . and in the waking one as well.

Covet Me - Geneva Lee 2018-05-15

In the fifth book in the bestselling Royals Saga, Belle and Smith play a dangerous game of cat and mouse with the dark forces determined to destroy the Royals and tear them apart forever.

Home Education - Charlotte Mason 2013-02-18

Home Education consists of six lectures by Charlotte Mason about the raising and educating of young children (up to the age of nine), for parents and teachers. She encourages us to spend a lot of time outdoors, immersed in nature, handling natural objects, and collecting experiences on which to base the rest of their education. She discusses the use of training in good habits such as attention, thinking, imagining, remembering, performing tasks with perfect execution, obedience, and truthfulness, to replace undesirable tendencies in children (and the adults that they grow into). She details how lessons in various school subjects can be done using her approach. She concludes with remarks about the Will, the Conscience, and the Divine Life in the Child. Charlotte Mason was a late nineteenth-century British educator whose ideas were far ahead of her time. She believed that children are born persons worthy of respect, rather than blank slates, and that it was better to feed their growing minds with living literature and vital ideas and knowledge, rather than dry facts and knowledge filtered and pre-digested by the teacher. Her method of education, still used by some private schools and many homeschooling families, is gentle and flexible, especially with younger children, and includes first-hand exposure to great and noble ideas through books in each school subject, conveying wonder and arousing curiosity, and through reflection upon great art, music, and poetry; nature observation as the primary means of early science teaching; use of manipulatives and real-life application to understand mathematical concepts and learning to reason, rather than rote memorization and working endless sums; and an emphasis on character and on cultivating and maintaining good personal habits. Schooling is teacher-directed, not child-led, but school time should be short enough to allow students free time to play and to pursue their own worthy interests such as handicrafts. Traditional Charlotte Mason schooling is firmly based on Christianity, although the method is also used successfully by secular families and families of other religions.
