A NEW YORK TIMES EDITOR'S CHOICE "A compelling story that pulsates with the energy of a thriller"—The Wall Street Journal "Suspense, élan and a generous helping of glamour: Think George Smiley in a mink-trimmed coat."—The New York Times Book Review The true story of socialite Marguerite Harrison, who spied for U.S. military intelligence in Russia and Germany in the fraught period between the world wars Born a privileged child of America's Gilded Age, Marguerite Harrison rebelled against her mother's ambitions, married the man she loved, was widowed at thirty-seven, and set off on a life of adventure. Hired as a society reporter, when America entered World War I she applied to Military Intelligence to work as a spy. She arrived in Berlin immediately after the Armistice and befriended the enemy, dining with aristocrats and dancing with socialists. Late into the night she wrote prescient reports on the growing power of the German right. Sent to Moscow, she sneaked into Russia to observe the results of the Bolshevik Revolution. Although she carried press credentials she was caught and imprisoned as an American spy. Terrified when told her only way out was to spy for the Cheka, she became a double agent, aiming to convince the Russian rulers she was working for them while striving to stay loyal to her country. In Germany and Russia, Harrison saw the future—a second

war with Germany, a cold war with the Soviets—but her reports were ignored by many back home. Over a decade, Harrison's mysterious adventures took her to Europe, Baghdad, and the Far East, as a socialite, secret agent, and documentary filmmaker. Janet Wallach captures Harrison's daring and glamour in this stranger-than-fiction history of a woman drawn to the impossible.

Isabella's body shook, and for an instant she forgot how to breathe. She jerked her head back against the wall and looked into my eyes, her mouth forming a perfect circle, "Oh!" Isabella had plans, big ones for her future, but she also had a family. Forced to choose between her dreams and saving her father's life, Isabella was thrust into the arms of a stranger. Gino craved money and power. Consumed with ambition, Gino would stop at nothing to get what he wanted. Climbing the ladder to become a Mafia boss, he never imagined that his lust for Isabella would be his downfall.

Quit - Charles Wetherall 2007-05-01

Flirting With Danger - Elizabeth Lapthorne 2012-05-14

Skye Adams thought she was meeting her father for an ordinary lunch. Instead she ends up running for her life on a deadly mission with only one man whom she can trust to keep her safe—Jack Berick. Skye Adams is looking forward to a wonderful lunch with her father—Victor Adams—to celebrate her birthday after he returns from a work trip.

Instead of a good meal of Thai food, however, Skye ends up on the run for her life. Black-clad strangers try to kill her, her father's partner Garth and decimate the restaurant to smoking rubble. Scared out of her mind, Skye turns to the only person she feels she can trust, Jack Berick, a rugged, mysterious man her father once insisted she believe in when all hell broke loose. Piecing together a complicated web of lies, half truths and deceit, Skye and Jack must work out not only whom to trust, but figure out what happened to Victor and how to get him back— preferably whole and sound. The further they dig, the more convoluted everything becomes and Skye finally understands the world is not full of black and white, good and evil, but a messy mixture of grey. In amongst the fear, fire and insanity, Skye realises more and more the searing attraction burning between herself and Jack is the only solid, reliable thing she can depend on. Losing her heart had not been part of the plan, but all too soon the intensity smouldering between them has raged way out of control, and Skye can only see one man dependable enough to remain by her side, in the future, no matter what might happen. That man is Jack, as they both tempt fate and flirt with danger.

Flirting with Danger - Lynn Phillips 2000-11

How young women make sense of, resist, and negotiate conflicting messages on female sexuality and sexual agency In *Flirting with Danger*, Lynn M. Phillips explores how young women make sense of, resist, and negotiate conflicting cultural messages about sexual agency, responsibility, aggression, and desire. How do women develop their ideas about sex, love, and domination? Why do they express feminist views condemning male violence in the abstract, but often adamantly refuse to name their own violent and exploitive encounters as abuse, rape, or victimization? Based on in-depth individual and collective interviews with a racially and culturally diverse sample of college-aged women, *Flirting with Danger* sheds valuable light on the cultural lenses through which

young women interpret their sexual encounters and their experiences of male aggression in heterosexual relationships. Phillips makes an important contribution to the fields of female and adolescent sexuality, feminist theory, and feminist method. The volume will also be of particular use to advocates seeking to design prevention and intervention programs which speak to the complex needs of women grappling with questions of sexuality and violence.

Flirting with Danger - Cheryl Bradshaw 2014-08-07

A fancy hotel. A weekend getaway. For Sloane Monroe, rest has finally arrived, until the lights go out, a woman screams, and Sloane's nightmare begins. If you're a fan of James Patterson and Lisa Gardner, you'll enjoy Bradshaw's mysteries. A New York Times bestselling mystery series. "The characters are excellent." "This is a fast moving story full of drama and surprises which will keep you gripped right to the end." "Danger, intrigue, and just the right amount of latent emotional/romantic feelings to appease readers."

Flirting With Danger - Suzanne Enoch 2009-10-13

In her dazzling romantic suspense debut, USA Today bestselling author Suzanne Enoch brings us a thrilling tale about a thief who needs to prove she's no murderer and the millionaire who loves her. Samantha Jellicoe is a thief and proud of it. Raised to appreciate the finer things in life, Sam has no trouble divesting the wealthy of their treasures. This all changed, however, the night she attempts to steal a valuable item from a Palm Beach estate. Before she knew what hit her, a bomb goes off, a guard is killed, and Sam ends up saving millionaire Richard Addison. She's a good thief and will own up to her jobs, but if anyone thinks to tie her to murder, they better think again. On any other night, having a one hundred plus pounds of female fling herself at you is a good thing. But on this particular night, Richard Addison is mad as hell. Not only did he just have his gallery blown up-with him about to enter it-but the woman who rescued him didn't stick around to offer any explanations. When the dust settles, Rick knows the only person with answers to his questions is the mystery woman. And if she thinks she can hide from him, she better think again.

Flirting with Danger - Claire Baxter 2013-09-09

Flirting with Danger by Claire Baxter: To be together is dangerous. To stay apart is impossible. Firefighter Jasmine Mackinnon has always just been one of the guys. So no one's more shocked than she is to find herself kissing fellow firefighter and all-around sinfully handsome playboy Aaron Parkes after a friend's wedding. Jasmine knows she can't risk an emotional connection with a colleague—a potentially dangerous entanglement when fighting fires together—and nothing's more important to her than her job. Aaron never noticed how beautiful Jasmine was until he saw her out of her firefighter duds, but there's something about the fiery woman that tempts him. Though he knows pursuing a real relationship is out of the question for a serial dater like him, when their casual flirtation builds into something more serious, it's not just their jobs or their safety on the line. It's their hearts.
