Rainer Maria Rilke, 1893-1908: Poetry as Process - A Poetics of Becoming
- Ben Hutchinson 2017-12-02

"Rainer Maria Rilke's early verse is often seen as having little relevance to the great achievement of the middle years, the *Neue Gedichte*. Yet the very different styles of the juvenilia and this new maturity are united by a preoccupation with processes of motion and growth which governs both his life and work. In this meticulous philological study, Ben Hutchinson reassesses every level of Rilke's early poetry, from its motives and metaphors to its very grammar and syntax, in order to trace what he terms a poetics of becoming. With careful attention to rhythm, resonance and linguistic detail, he illuminates both the hidden patterns of the poetry and the artistic context of the fin-de-siècle. From its roots in the intellectual climate of the 1890s to the poems inspired by Rodin in 1908, Rilke's stylistic development is set against the surprising consistency with which he pursues this poetics of becoming."

Force and Love in the Works of Rainer Maria Rilke - Kip Wilson 1999

Based on the works, letters and diaries of Rainer Maria Rilke, his attitude based on the interdependent nature of force and love, both human and divine, is clear. The specific works discussed, including *Der Cornet*, *Malte*, *Der Schauende*, and selected poems from the *Duineser Elegien* and *Sonette an Orpheus* provide the basis for discussion on the tie that binds these apparently opposite poles into a deeper theme important both to Rilke and to those who read his works: the relationship between recognition and awe of force and the fulfillment of acceptance gained when giving in to this force through love.

Rilke on Love and Other Difficulties: Translations and Considerations -

John J. L. Mood 1994-02-17

An anthology of Rilke's strongest poetry and prose for both aficionados and new readers. Here is a mini-anthology of poetry and prose for both aficionados and those readers discovering Rainer Maria Rilke for the first time. John J. L. Mood has assembled a collection of Rilke's strongest work, presenting commentary along with the selections. Mood links into an essay passages from letters that show Rilke's profound understanding of men and women and his ardent spirituality, rooted in the senses. Combining passion and sensitivity, the poems on love presented here are often not only sensual but sexual as well. Others pursue perennial themes in his work—death and life, growth and transformation. The book concludes with Rilke's reflections on wisdom and openness to experience, on grasping what is most difficult and turning what is most alien into that which we can most trust.

Letters to a Young Poet - Rainer Maria Rilke 2011-04-07

At the start of the twentieth century, Rainer Maria Rilke wrote a series of letters to a young officer cadet, advising him on writing, love, sex, suffering and the nature of advice itself; these profound and lyrical letters have since become hugely influential for writers and artists of all kinds. This book also contains the 'Letter from a Young Worker', a

striking polemic against Christianity written in letter-form, near the end of Rilke's life. In Lewis Hyde's introduction, he explores the context in which these letters were written and how the author embraced his isolation as a creative force. Charlie Louth's afterword discusses the similarities and contrasts of the two works, and Rilke's religious and sexual wordplay. This edition also contains a chronology, notes, and suggested further reading.

Force and Love in the Works of Rainer Maria Rilke - Kelly E. Wilson 1996

Letters on Life - Rainer Maria Rilke 2007-12-18

Gleaned from Rainer Maria Rilke's voluminous, never-before-translated correspondence, this volume offers the best writings and personal philosophy of one of the twentieth century's greatest poets. The result is a profound vision of how the human drive to create and understand can guide us in every facet of life. Arranged by theme—from everyday existence with others to the exhilarations of love and the experience of loss, from dealing with adversity to the nature of inspiration—here are Rilke's thoughts on how to infuse everyday life with beauty, wonder, and meaning. Intimate, stylistically masterful, brilliantly translated and assembled, and brimming with the passion of Rilke, *Letters on Life* is a font of wisdom and a perfect book for all occasions.

A Little Book of Love - June Eding 2013-12-31

"For one human being to love another; that is perhaps the most difficult of all our tasks, the ultimate, the last test and proof, the work for which all other work is but preparation." —Rainer Maria Rilke *A Little Book of Love* gathers the collected wisdom of great men and women throughout history, through quotes and thoughtful meditations on the subject of love in a beautiful publication. From romantic and intimate love to friendship and family, this inspiring collection makes a great gift for anyone seeking to strengthen love's role in their lives, and to deepen their relationships with others. Whether a family member, friend, or that special person, it serves as a simple, affordable gesture of the love we feel for those we hold dear. Filled with loving advice and thought-provoking quotations, this easily accessible book includes easy ways to enhance the role love plays in your life. Heartfelt kindness with a drop of deeper wisdom is present in every page. Love binds us together, sharing strength and happiness. With love we can turn our world around. *A Little Book of Love* promotes cooperation and a deeper understanding of ourselves and the people around us, by helping us to reflect on love's place in our lives. *A Little Book of Love* will inspire reflection and discussion at home, and among friends about the meaning of love—personally and spiritually—while discovering that through simple actions and thoughts, we can direct the power of love to better improve our lives and ourselves. Whether shared with a friend or read aloud to oneself, this book helps to remind us of all the blessings that love brings to our lives every day.

Letters to a Young Poet - Rainer Maria Rilke 2021-04-14

Essential reading for scholars, poetry lovers, and anyone with an interest in Rainer Maria Rilke, German poetry, or the creative impulse, these ten letters of correspondence between Rilke and a young aspiring poet reveal elements from the inner workings of his own poetic identity. The letters coincided with an important stage of his artistic development and readers can trace many of the themes that later emerge in his best works to these messages—Rilke himself stated these letters contained part of his creative genius.

A Companion to the Works of Rainer Maria Rilke - Erika Alma Metzger 2004

Illuminates the major aspects of the works of Germany's greatest 20th-century poet. Rainer Maria Rilke (1875-1926) is the best-known German poet of his generation and is widely appreciated today by readers in Europe, the United States, and world-wide. Because of the inventiveness and musicality of his poetic language and the visionary intuition of his thinking, Rilke's influence extends well beyond poetry to include religion, philosophy, the social sciences, and the arts. His works have been widely translated into English, and new renderings of such poem cycles as *The Duino Elegies* and *The Sonnets to Orpheus* appear frequently. Critics regard Rilke's *Notebooks of Malte Laurids Brigge* as a seminal modern novel. The Companion to Rilke provides essential, up-to-date essays by top Rilke scholars on a wide range of the major aspects of Rilke's life and works. The volume follows the chronology of Rilke's career, emphasizing those works that have met with the greatest critical interest. Among the topics covered are: Rilke's life and thought; the writings before 1902; *Das Stunden-Buch* and *Das Buch der Bilder*; the *Neue Gedichte*, *The Cornet* and other brief narratives; *Malte Laurids Brigge*; *The Duino Elegies*; *The Sonnets to Orpheus*; Rilke as a poet in French; Rilke and the visual arts. Erika and Michael Metzger (SUNY Buffalo) have written extensively on various aspects of German literature and have edited significant Baroque texts.

In the Image of Orpheus - RILKE: A Soul History - Daniel Joseph Polikoff

The Poet's Guide to Life - Rainer Maria Rilke 2007-12-18

"You have to live life to the limit, not according to each day but by plumbing its depth." -RAINER MARIA RILKE In this treasury of uncommon wisdom and spiritual insight, the best writings and personal philosophies of one of the twentieth century's greatest poets, Rainer Maria Rilke, are gleaned by Ulrich Baer from thousands of pages of never-before translated correspondence. The result is a profound vision of how the human drive to create and understand can guide us in every facet of life. Arranged by theme—from everyday existence with others to the exhilarations of love and the experience of loss, from dealing with adversity to the nature of inspiration, here are Rilke's thoughts on how to live life in a meaningful way: Life and Living: "How good life is. How fair, how incorruptible, how impossible to deceive: not even by strength, not even by willpower, and not even by courage. How everything remains what it is and has only this choice: to come true, or to exaggerate and push too far." Art: "The work of art is adjustment, balance, reassurance. It can be neither gloomy nor full of rosy hopes, for its essence consists of justice." Faith: "I personally feel a greater affinity to all those religions in which the middleman is less essential or almost entirely suppressed." Love: "To be loved means to be ablaze. To love is: to shine with inexhaustible oil. To be loved is to pass away; to love is to last." Intimate, stylistically masterful, brilliantly translated, and brimming with the wonder and passion of Rilke, *The Poet's Guide to Life* is comparable to the best works of wisdom in all of literature and a perfect book for all occasions.

Letters to a Young Poet - Rainer Maria Rilke 1993-09-17

Rilke's timeless letters about poetry, sensitive observation, and the complicated workings of the human heart. Born in 1875, the great German lyric poet Rainer Maria Rilke published his first collection of poems in 1898 and went on to become renowned for his delicate depiction of the workings of the human heart. Drawn by some sympathetic note in his poems, young people often wrote to Rilke with their problems and hopes. From 1903 to 1908 Rilke wrote a series of remarkable responses to a young, would-be poet on poetry and on surviving as a sensitive observer in a harsh world. Those letters, still a fresh source of inspiration and insight, are accompanied here by a chronicle of Rilke's life that shows what he was experiencing in his own relationship to life and work when he wrote them.

Rilke on Love - Rainer Maria Rilke 2020-02-14

Challenge of the Heart - John Welwood 1985-10-12

This powerful collection of essays by such notables as D. H. Lawrence, Robert Bly, Anne Morrow Lindbergh, and Rainer Maria Rilke focuses on the challenges of love between men and women, addressing the questions and difficulties arising for people in relationships today. Anyone who is, has been, or hopes to be in an intimate relationship with a person of the opposite sex will find this book "must" reading. The first group of essays deals with the contradictions and possibilities inherent in erotic love, leading to the question posed in the next section: What do men and women really want? The contributors then explore marriage as an ongoing path of personal transformation. That opens into a look at sexuality itself as an especially vivid meeting of two different worlds. The book closes with a group of writings that consider relationship as a vehicle for developing power, wisdom, and inner truth. Carefully selected, threaded together by Welwood's insightful commentary, the essays presented here approach the challenge of intimacy with bravery and gentleness, inspiring the reader toward becoming a "warrior of the heart."

Rilke and Andreas-Salomé: A Love Story in Letters - Rainer Maria Rilke 2008-06-17

Spanning almost thirty years, a complete extant correspondence between the revered twentieth-century poet and the European intellectual traces the early days of their relationship and affair while offering insight into how they interacted as lovers, mentor and protégé, and literary allies. Reprint.

The Oxford Handbook of Close Relationships - Jeffrey A. Simpson 2013-05-02

Fourteen Principles of Attitude That Affect Our Lives - CARL R. JOHNSON 2012-05-25

This book is a practical and proven guide that outlines sound, powerful ways to overcome physical, emotional, spiritual, mental, and financial struggles, using positive, building statements, positive. building words, and effective tips for thinking, implementing, and believing your way to total health. The power to live with happiness, joy, and victory is available to you. This power can propel you to a positive solution or end to your challenges.

Rilke's Book of Hours - Anita Barrows 2005-11-01

A FINALIST FOR THE PEN/WEST TRANSLATION AWARD The 100th Anniversary Edition of a global classic, containing beautiful translations along with the original German text. While visiting Russia in his twenties, Rainer Maria Rilke, one of the twentieth century's greatest poets, was moved by a spirituality he encountered there. Inspired, Rilke returned to Germany and put down on paper what he felt were spontaneously received prayers. *Rilke's Book of Hours* is the invigorating vision of spiritual practice for the secular world, and a work that seems remarkably prescient today, one hundred years after it was written. *Rilke's Book of Hours* shares with the reader a new kind of intimacy with God, or the divine—a reciprocal relationship between the divine and the ordinary in which God needs us as much as we need God. Rilke influenced generations of writers with his *Letters to a Young Poet*, and now *Rilke's Book of Hours* tells us that our role in the world is to love it and thereby love God into being. These fresh translations rendered by Joanna Macy, a mystic and spiritual teacher, and Anita Barrows, a skilled poet, capture Rilke's spirit as no one has done before.

Letters to a Young Poet - Perfection Learning Corporation 2021-02

Notebooks of Malte Laurids Brigge: A Novel - Rainer Maria Rilke 2022-11-29

A stunning, revelatory new translation of the only novel by one of the greatest poets of the twentieth century, from one of "the most trustworthy and exhilarating of Rilke's contemporary translators" (Michael Dirda, *Washington Post*). A groundbreaking masterpiece of early European modernism originally published in 1910, *The Notebooks of Malte Laurids Brigge* unspools the vivid reflections of the titular young Danish nobleman and poet. From his Paris garret, Brigge records his encounters with the city and its outcasts, muses on his family history, and lays bare his earliest experiences of fear, tenderness, and desolation. With a poet's feel for language and a keen instinct for storytelling, Rainer Maria Rilke forges a dazzlingly fractured coming-of-age narrative, kaleidoscopic in its alternation of vivid present encounters and equally alive memories of childhood. Strikingly contemporary, *The Notebooks of Malte Laurids Brigge* reveals a writer metabolizing his own experiences

to yield still-essential questions about fiction and reality, empathy and psychosis, and—above all—life, love, and death. In a fascinating introduction, award-winning translator Edward Snow explores the overlaps between Rilke's experiences and those of his protagonist, and

shows with granular attention the novel's capacity for nuance and sympathy. Snow's exquisite translation captures as never before the astonishing cadences and musical clarity of the poet's prose. It reveals *The Notebooks of Malte Laurids Brigge* as an urgent contemporary achievement, more than one hundred years after it was written.
