

# From The Ashes My Journey From Extreme Sexual Abuse To Wholeness

**Naming Our Abuse** - Andrew Schmutzer  
2016-04-27

A stunningly vulnerable look at the horrific realities of sexual abuse and how to overcome them. Male sexual abuse is increasingly in the news, from scandals in the Catholic Church to exploitations at Penn State. Yet books and programs about healing are still overwhelmingly oriented toward the female survivor of abuse. As men who experienced childhood abuse, the authors of this book are uniquely qualified to address the healing process of male survivors. Using the metaphor of a car accident, *Naming Our Abuse* leads the survivor from the Wreck to the Accident Report to Rehabilitation to Driving Again. This four-step model illustrates that healing is a process to be nurtured rather than something that can be healed in a single telling. Following the authors' examples, readers are invited to find solidarity with other male survivors and develop an understanding of their own wounding through journaling exercises. "Rarely has a book about a subject so difficult and taboo left me feeling so encouraged and hopeful. Three different stories of deep personal pain, woven together to tell a story not only of survival but of fullness of life we can all hope for." —Steve LePore, Founder and Executive Director, 1in6

**What We Saw** - Aaron Hartzler 2015-09-22

"A smart, sensitive, and gripping story about the courage it takes to do what's right." —Deb Caletti, National Book Award finalist Critically acclaimed memoirist Aaron Hartzler, author of *Rapture Practice*, takes an unflinching look at what happens to a small town when some of its residents commit a terrible crime. The party at John Doone's last Saturday night is a bit of a blur. Kate Weston can piece together most of the details: Stacey Stallard handing her shots, Ben Cody taking her keys and getting her home early... But when a picture of Stacey passed out over Deacon Mills's shoulder appears online the next morning, Kate suspects she doesn't have all the details. When Stacey levels charges against four of Kate's classmates, the whole town erupts into controversy. Facts that can't be ignored begin to surface, and every answer Kate finds leads back to the same questions: Who witnessed what happened to Stacey? And what responsibility do they have to speak up about what they saw? This honest, authentic debut novel—inspired by the events in the Steubenville rape case—will resonate with readers who've ever walked that razor-thin line between guilt and innocence that so often gets blurred, one text at a time.

These booklets are written by experienced counselors to aid people in understanding how to let God's Word speak to them. They are called the Gospel for Real Life as they show how God's word has a lasting impact and relevance in everyday situations.

*Behind Closed Doors* - Jenny Tomlin 2006

Jenny grew up in a house where no-one was safe. Born one of five children in the East End, her childhood was spent in squalor and terror. Her father's violent beatings, humiliations, and sexual abuse were part of daily life; her mother - also his sexual victim and savagely beaten - was no source of help. Deprived of love and all comforts, the children would turn to each other for support and to the only adult they could trust, Auntie. This is the story of how Jenny, her sister Kim and brother Laurence, not only

survived but ultimately transcended the unimaginable degradations heaped on them. With the power of love, cunning, the blackest of black humour and an indestructible self-belief, Jenny eventually broke free of her past.

*A Heart of Blood and Ashes* - Milla Vane  
2020-02-04

A generation past, the western realms were embroiled in endless war. Then the Destroyer came. From the blood and ashes he left behind, a tenuous alliance rose between the barbarian riders of Parsathe and the walled kingdoms of the south. That alliance is all that stands against the return of an ancient evil—until the barbarian king and queen are slain in an act of bloody betrayal. Though forbidden by the alliance council to kill the corrupt king responsible for his parents' murders, Maddek vows to avenge them, even if it costs him the Parsathean crown. But when he learns it was the king's daughter who lured his parents to their deaths, the barbarian warrior is determined to make her pay. Yet the woman Maddek captures is not what he expected. Though the last in a line of legendary warrior-queens, Yvenne is small and weak, and the sharpest weapons she wields are her mind and her tongue. Even more surprising is the marriage she proposes to unite them in their goals and to claim their thrones—because her desire for vengeance against her father burns even hotter than his own...

[The Origin of Consciousness in the Breakdown of the Bicameral Mind](#) - Julian Jaynes 2000-08-15  
National Book Award Finalist: "This man's ideas may be the most influential, not to say

controversial, of the second half of the twentieth century."—Columbus Dispatch At the heart of this classic, seminal book is Julian Jaynes's still-controversial thesis that human consciousness did not begin far back in animal evolution but instead is a learned process that came about only three thousand years ago and is still developing. The implications of this revolutionary scientific paradigm extend into virtually every aspect of our psychology, our history and culture, our religion—and indeed our future. "Don't be put off by the academic title of Julian Jaynes's *The Origin of Consciousness in the Breakdown of the Bicameral Mind*. Its prose is always lucid and often lyrical...he unfolds his case with the utmost intellectual rigor."—The New York Times "When Julian Jaynes . . . speculates that until late in the twentieth millennium BC men had no consciousness but were automatically obeying the voices of the gods, we are astounded but compelled to follow this remarkable thesis."—John Updike, *The New Yorker* "He is as startling as Freud was in *The Interpretation of Dreams*, and Jaynes is equally as adept at forcing a new view of known human behavior."—*American Journal of Psychiatry*

***In My Own Moccasins*** - Helen Knott  
2020-03-21

A nationally bestselling book on the struggle of addiction and the power of Indigenous resilience. Helen Knott, a highly accomplished Indigenous woman, seems to have it all. But in her memoir, she offers a different perspective. *In My Own Moccasins* is an unflinching account of addiction, intergenerational trauma, and the wounds brought on by sexual violence. It is also the story of sisterhood, the power of ceremony, the love of family, and the possibility of redemption. With gripping moments of withdrawal, times of spiritual awareness, and historical insights going back to the signing of Treaty 8 by her great-great grandfather, Chief Bigfoot, her journey exposes the legacy of colonialism, while reclaiming her spirit. " *In My Own Moccasins* never flinches. The story goes dark, and then darker. We live in an era where Indigenous women routinely go missing, our youth are killed and disposed of like trash, and the road to justice doesn't seem to run through the rez. Knott's journey is familiar, filled with the fallout of residential school, racial injustice,

alcoholism, drugs, and despair. But she skillfully draws us along and opens up her life, her family, and her communities to show us a way forward. It's the best kind of memoir: clear-eyed, generous, and glorious....Bear witness to the emergence of one of the most powerful voices of her generation." -- Eden Robinson, author of *Son of a Trickster* and *Monkey Beach* (from the foreword) "Helen Knott speaks truth to the experience of Indigenous women living through the violence of colonized spaces and she does so with grace, beauty and a ferocity that makes me feel so proud." -- Leanne Betasamosake Simpson, author of *This Accident of Being Lost* "Helen writes beautifully and painfully, about her own life and the lives of many of our sisters. A strong, gentle voice removing the colonial blanket and exposing truth." -- Maria Campbell, author of *Halfbreed* "An incredible debut that documents how trauma and addiction can be turned into healing and love. I am in awe of Helen Knott and her courage. I am a fan for life. Wow." -- Richard Van Camp, author of *The Lesser Blessed* "Heartfelt, heartbreaking, triumphant and raw, *In My Own Moccasins* is a must-read for anyone who's ever felt lost in their life... Actually, it's a must-read for anyone who appreciates stories of struggle, redemption and healing. Knott's writing is confident, clear, powerful and inspiring." -- Jowita Bydlowska, author of *Guy: A Novel* and *Drunk Mom* "Powerful, filled with emotion." -- Carol Daniels, author of *Bearskin Diary* and *Hiraeth* "A beautiful rendering of how recovery for our peoples is inevitably about reconnecting with Indigenous identities, lands, cultural and healing practices." -- Kim Anderson, author of *Reconstructing Native Womanhood*

**First, Become Ashes** - K.M. Szpara 2021-04-06  
K. M. Szpara follows his explosive debut novel *Docile* with *First, Become Ashes*, a fantastic standalone adventure that explores self-discovery after trauma and outgrowing abusive origins over the course of an American road trip. The Fellowship raised Lark to kill monsters. His partner betrayed them to the Feds. But Lark knows his magic is real, and he'll do anything to complete his quest. For thirty years, the Fellowship of the Anointed isolated its members, conditioning them to believe that pain is power. That magic is suffering. That the world beyond the fence has fallen prey to monsters. But when

their leader is arrested, all her teachings come into question. Those touched by the Fellowship face a choice: how will they adjust to the world they were taught to fear, and how will they relate to the cult's last crusader, Lark? For Kane, survival means rejecting the magic he and his lover suffered for. For Deryn, the cult's collapse is an opportunity to prove they are worth as much as their Anointed brother. For Calvin, Lark is the alluring embodiment of the magic he's been seeking his entire life. But for Lark, the Fellowship isn't over. Before he can begin to discover himself and heal a lifetime of traumas, he has a monster to slay. **Understanding Sexual Abuse** - Tim Hein  
2018-02-27

"It is said that the true test of a society is how it treats its most vulnerable members." As many as one in four girls and one in six boys experience sexual abuse during childhood, and it's estimated that as many as half of the incidents are never reported. This means that countless millions in our societies, both children and adults, carry this complex, often hidden pain. What does the path to healing look like for survivors? And how can ministry leaders, pastors, and counselors best help them as they walk this difficult road? Drawing on both his own experience and his wife's experience as survivors of childhood sexual abuse, minister and lecturer Tim Hein offers his expertise, practical guidance, and empathy—both for ministry leaders and for survivors themselves. How can we best respond when a survivor shares their secret with us? Where can survivors turn for encouragement when the road to recovery seems so long and lonely? Hein presents clinical data and resources alongside pastoral wisdom and care, addressing both psychological and spiritual aspects of sexual abuse. Both for those who have suffered sexual abuse and those in a position to help them, this book is a rich resource. Filled with both sober truths and the hope of Christ, it calls survivors to take courage and walk unafraid down the road of healing.

*From the Ashes* - Jesse Thistle 2019-08-06

\*#1 NATIONAL BESTSELLER \*Winner, Kobo

Emerging Writer Prize Nonfiction \*Winner, Indigenous Voices Awards \*Winner, High Plains Book Awards \*Finalist, CBC Canada Reads \*A Globe and Mail Book of the Year \*An Indigo Book of the Year \*A CBC Best Canadian Nonfiction Book of the Year In this extraordinary and inspiring debut memoir, Jesse Thistle, once a high school dropout and now a rising Indigenous scholar, chronicles his life on the streets and how he overcame trauma and addiction to discover the truth about who he is. If I can just make it to the next minute...then I might have a chance to live; I might have a chance to be something more than just a struggling crackhead. From the Ashes is a remarkable memoir about hope and resilience, and a revelatory look into the life of a Métis-Cree man who refused to give up. Abandoned by his parents as a toddler, Jesse Thistle briefly found himself in the foster-care system with his two brothers, cut off from all they had known. Eventually the children landed in the home of their paternal grandparents, whose tough-love attitudes quickly resulted in conflicts. Throughout it all, the ghost of Jesse's drug-addicted father haunted the halls of the house and the memories of every family member. Struggling with all that had happened, Jesse succumbed to a self-destructive cycle of drug and alcohol addiction and petty crime, spending more than a decade on and off the streets, often homeless. Finally, he realized he would die unless he turned his life around. In this heartwarming and heart-wrenching memoir, Jesse Thistle writes honestly and fearlessly about his painful past, the abuse he endured, and how he uncovered the truth about his parents. Through sheer perseverance and education—and newfound love—he found his way back into the circle of his Indigenous culture and family. An eloquent exploration of the impact of prejudice and racism, From the Ashes is, in the end, about how love and support can help us find happiness despite the odds.

From the Ashes - Stephanie Giaquinto  
2014-04-16

Rape, enslavement, torture, and "grooming"- these are but a few of the things to which Stephanie L. Giaquinto was subjected...in her early childhood. For the first six years of her life, Giaquinto was trained for members of an

exclusive local crime ring, where she was to serve, in all senses of the word, as a sex partner and slave to all the men around her. Officially "turned out" at the ripe age of four, Giaquinto decided that she no longer wanted to suffer, and she tried to find power in her predicament, instead of pain. But like so many before and so many to come, she mistook the abuse for love. Luckily, however, she was able to escape this horrific lifestyle, but parts of it inevitably stuck with her, and she was broken inside. She needed love-and she knew only one way to get it. For years after her escape, Giaquinto was addicted to sex, both in thought and action, and she was emotionally dependent, reckless, and tormented. But in 1996, she found another way to feel comfortable and validated in life. She began receiving therapy-good therapy-and she arduously searched within herself to find and reclaim all those pieces of herself that had been broken or lost. From the Ashes is the author's artistic autobiographical account of her journey from sadistic childhood abuse to wholeness, happiness, and self-worth. A collection of poems chronicling her experiences, it carries readers through moments that are harrowing, brutal, and gut-wrenchingly raw, as well as through moments that are hopeful, empowering, and full of love. Anyone who has ever found himself or herself in an abusive situation may relate to the events, experiences, and emotions presented in this completely compelling collection-and it is highly recommended that such sensitive readers take care with this text, as it may trigger intense responses.

*Writing and Madness in a Time of Terror* - Afarin Majidi 2017-12-18

Earning an MFA in writing at the New School, working at Rolling Stone magazine, and being courted by an editor at a prestigious publishing house-Afarin Majidi should be thrilled with the direction her life is taking as she turns thirty. Instead, she is spiraling into the depths of madness as she seeks love and acceptance in an Islamophobic society. After colleagues at the magazine drug and rape her, she's left with an unfinished novel. She turns to a former professor, James Lasdun, with whom she develops a toxic obsession. Majidi is the woman he calls "Nasreen" in his memoir, Give Me Everything You Have. Raw and honest, Writing

and Madness in a Time of Terror is a haunting meditation on identity, misogyny, violence, and mental illness.

*This Is How You Lose the Time War* - Amal El-Mohtar 2019-07-16

Two time-traveling agents from warring futures, working their way through the past, begin to exchange letters—and fall in love in this thrilling and romantic book from award-winning authors Amal El-Mohtar and Max Gladstone. In the ashes of a dying world, Red finds a letter marked “Burn before reading. Signed, Blue.” So begins an unlikely correspondence between two rival

agents in a war that stretches through the vast reaches of time and space. Red belongs to the Agency, a post-singularity technotopia. Blue belongs to Garden, a single vast consciousness embedded in all organic matter. Their pasts are bloody and their futures mutually exclusive. They have nothing in common—save that they’re the best, and they’re alone. Now what began as a battlefield boast grows into a dangerous game, one both Red and Blue are determined to win. Because winning’s what you do in war. Isn’t it? A tour de force collaboration from two powerhouse writers that spans the whole of time and space.
