*Swirl of Emotions* - Cyril Oghomeh 2014-12-17

Swirl of Emotions is about candid revelations of sweet romance, sex, human relationships, sheer promises of undying affections, commitments, believe and hope, faith and religion. It makes use of some funny animal characters, ambles their proclivity swiftly with humans to show how we dispel inhibitions when we are in the throes of a conquest. It also depicts the exchange of emotions and gait that we share and show when we unfold our need or desire for love.

**Woman Without Shame** - Sandra Cisneros 2022-09-13

A BEST BOOK OF THE YEAR: TIME and GOODREADS • A brave new collection of poems from Sandra Cisneros, the best-selling author of *The House on Mango Street*. It has been twenty-eight years since Sandra Cisneros published a book of poetry. With dozens of never-before-seen poems, *Woman Without Shame* is a moving collection of songs, elegies, and declarations that chronicle her pilgrimage toward rebirth and the recognition of her prerogative as a woman artist. These bluntly honest and often humorous meditations on memory, desire, and the essential nature of love blaze a path toward self-awareness. For Cisneros, *Woman Without Shame* is the culmination of her search for home—in the Mexico of her ancestors and in her own heart.

**Bob and Brenda's Joke Book** - Paul Gwilliam 2013-02

Bob and Brenda have arrived. Their Joke book is here. Join the many followers and buy the Joke book ebook that's set to take the world of humour by storm. Over 500 jokes and Original artwork by their creator Paul Gwilliam. If you only ever buy one Joke book, buy this Joke book *Apropos of Nothing* - Woody Allen 2020-03-23

The Long-Awaited, Enormously Entertaining Memoir by One of the Great Artists of Our Time—Now a New York Times, USA Today, Los Angeles Times, and Publisher's Weekly Bestseller. In this candid and often hilarious memoir, the celebrated director, comedian, writer, and actor offers a comprehensive, personal look at his tumultuous life. Beginning with his Brooklyn childhood and his stint as a writer for the Sid Caesar variety show in the early days of television, working alongside comedy greats, Allen tells of his difficult early days doing standup before he achieved recognition and success. With his unique storytelling pizzazz, he recounts his departure into moviemaking, with such slapstick comedies as *Take the Money and Run*, and revisits his entire, sixty-year-long, and enormously productive career as a writer and director, from his classics *Annie Hall*, *Manhattan*, and *Annie and Her Sisters* to his most recent films, including *Midnight in Paris*. Along the way, he discusses his marriages, his romances and famous friendships, his jazz playing, and his books and plays. We learn about his demons, his mistakes, his successes, and those he loved, worked with, and learned from in equal measure. This is a hugely entertaining, deeply honest, rich and brilliant self-portrait of a celebrated artist who is ranked among the greatest filmmakers of our time.

*The Hat* - Selima Hill 2008

Selima Hill's latest collection, *The Hat*, is a disturbing portrayal of a woman's struggle to regain her identity. Her story emerges through a series of short poems, often related to animals: how she is preyed upon and betrayed, misunderstood, compromised and not allowed to be

herself. Like all of Selima Hill's books, *The Hat* charts 'extreme experience with a dazzling excess', with dark humour and surprising combinations of homely and outlandish.

*Roses Are Red Violets Are Blue You Have A Nice Butt* - Grey Crown 2020-01-31

Funny humorous notebook for lovers in special occasions, makes an ideal and perfect present idea for any gift giving occasion such as, valentines day, christmas or a birthday. Also great as a stocking stuffer or a cheap but quality secret santa present for under 10 dollars. It can be given as an appreciative gift to show how thankful you are to your friend, partner, boyfriend, girlfriend, husband, wife or spouse. Buy now and enjoy this journal and be creative every day.

*When You're Ready, This Is How You Heal* - Wiest 2022

**Violets are Blue** - James Patterson 2011-06-23

The Mastermind is back - and he's hot on detective Alex Cross's trail. His cold, taunting threats leave Alex angry and deeply concerned for his family's safety. Two joggers have been found dead in San Francisco - bitten and hung by their feet to drain the blood. Further murders in California, and then on the East Coast as well, completely baffle Alex and the FBI. Is this the work of a cult, or role players, or even of modern-day vampires? Desperate to stop the deaths, Alex teams up with Jamilla Hughes, a savvy woman detective, and the FBI's Kyle Craig. But Alex has never been closer to defeat, or in greater danger. He must survive a deadly confrontation - only to learn at last the awful secret of the Mastermind.

*If It Wasn't for the Midges* - Malky McEwan 2018-10-30

Kaleidoscope Down Under Book Review: If it Wasn't for the Midges is the latest book by our very own Scottish policeman, Malky McEwan. I found it to be every bit as entertaining as his Quora posts. Now I'm looking at Scotland through another set of eyes--those of Malky McEwan, a retired policeman--and Malky's eyes sparkle with humour and a love for his country. I had expected If it Wasn't for the Midges to be a straight travelogue. Boy, was I ever wrong. The book is alive with personal anecdotes that give it a unique fascination. This book is not a dry tramp through Scotland, but a tour in which the reader has time to meet the people as well as see the sights. Written by a man who has spent a lifetime in the country he obviously loves, it will delight you: it is a book sprinkled with fairy dust. As I discovered, Scotland is a place where history and the modern world co-exist. The side trips into the past and its characters, are as interesting as the interaction with the locals Malky met during his journeys. The humour is infectious and the writing style intimate. It's a good read. David Evans EXPLORING SCOTLAND WITH A SENSE OF HUMOUR Following on from his three hilarious police memoirs, Malky has turned his attention to Scotland. He's zipped around

the country by train, car, bike, and on foot, to showcase the best his country offers. Chronicles of old, tales anew, sights to behold and things to do. All served with Malky's usual dollop of insight and twists of humour. Scotland has been around a long time - judging by the state of the roads. There are mountains, lochs and castles to admire. Cities full of majestic buildings and baronial art. There are clean, pale-blue waters with white sandy beaches on which to sun yourself. Well, maybe not sun yourself, but they are nice to peek at through the hood of an anorak. In any one lifetime, it would be hard to visit every spot of interest in Scotland. The book captures the TREASURE TRAILS and these TREASURE TALES will surprise you. Amid all the beauty, Malky serves up his amusing observations on life. As a practical guide: Which beers are best? What whisky is as good as a 15-year-old malt at half the price? Where can you get the tastiest soup? Why do you get puppy hugs at the cosiest B&B? 'If it wasn't for the Midge's' is a delightful book that makes you smile. You will probably enjoy these tales because Scotland is full of rich gems and it is worth coming just to taste the tap water.

*Venus and Adonis* - William Shakespeare 1870

Gold Cell - Sharon Olds 2012-12-05

A new collection by the much praised poet whose second book *THE DEAD AND THE LIVING*, was both the Lamont Poetry Selection for 1983 and winner of the National Book Critics Circle Award.

*Venus as a Bear* - Vahni Capildeo 2018-04-26

The Poetry Book Society Summer 2018 Choice Shortlisted for The 2018 Forward Prize for Best Collection Vahni Capildeo's *Venus as a Bear* collects poems on animals, art, language, the sea, thinghood, metaphor, description, and dance. They tend toward, and tend to, the inanimate and non-human, tenderly disclosing their forms of sentience. We have feelings for creatures, objects and places, but where do these affinities come from? How do things, as things, affect us, remain mysterious while making themselves known? For Capildeo answers formed at their own pace, while waiting for lambing at a friend's farm; exploring the Ashmolean Museum in Oxford; criss-crossing the British Isles with the Out of Bounds poetry project; or hearing of Africa and the Romans in Scotland, of Guyana and Shakespeare, while standing over-the-boots deep in a freezing sea off the coast of Wales. Many of the poems respond to real places, objects and people, as investigations, meditations, or dedications. They dwell on bodies and dwell in the body, inviting ardent, open forms of reading, in the spirit of their composition.

*Red, White & Royal Blue* - Casey McQuiston 2019-05-14

\* Instant NEW YORK TIMES and USA TODAY bestseller \*\* GOODREADS CHOICE AWARD WINNER for BEST DEBUT and BEST ROMANCE of 2019 \*\* BEST BOOK OF THE YEAR\* for VOGUE, NPR, VANITY FAIR, and more! \* What happens when America's First Son falls in love with the Prince of Wales? When his mother became President, Alex Claremont-Diaz was promptly cast as the American equivalent of a young royal. Handsome, charismatic, genius—his image is pure millennial-marketing gold for the White House. There's only one problem: Alex has a beef with the actual prince, Henry, across the pond. And when the tabloids get hold of a photo involving an Alex-Henry altercation, U.S./British relations take a turn for the worse. Heads of family, state, and other handlers devise a plan for damage control: staging a truce between the two rivals. What at first begins as a fake, Instagramable friendship grows deeper, and more dangerous, than either Alex or Henry could have imagined. Soon Alex finds himself hurtling into a secret romance with a surprisingly unstuffy Henry that could derail the campaign and upend two nations and begs the question: Can love save the world after all? Where do we find the courage, and the power, to be the people we are meant to be? And how can we learn to let our true colors shine through? Casey McQuiston's *Red, White & Royal Blue* proves: true love isn't always diplomatic. "I took this with me wherever I went and stole every second I had to read! Absorbing, hilarious, tender, sexy—this book had everything I crave. I'm jealous of all the readers out there who still get to experience *Red, White & Royal Blue* for the first time!" - Christina Lauren, New York Times bestselling author of *The Unhoneymooners* "*Red, White & Royal Blue* is outrageously fun. It is romantic, sexy, witty, and thrilling. I loved every second." - Taylor Jenkins Reid, New York Times bestselling author of *Daisy Jones & The Six*

**THE WAVES** - Virginia Woolf 2017-12-06

The book is Virginia Woolf's most experimental novel, first published in 1931. It consists of soliloquies spoken by the book's six characters: Bernard, Susan, Rhoda, Neville, Jinny, and Louis. Also important is Percival, the seventh character, though readers never hear him speak

through his own voice. The monologues that span the characters' lives are broken up by nine brief third-person interludes detailing a coastal scene at varying stages in a day from sunrise to sunset. As the six characters or "voices" alternately speak, Woolf explores concepts of individuality, self, and community. Each character is distinct, yet together they compose a gestalt about a silent central consciousness. Bernard is a story-teller, always seeking some elusive and apt phrase Louis is an outsider, who seeks acceptance and success; Neville desires love, seeking out a series of men, each of whom become the present object of his transcendent love; Jinny is a socialite, whose Weltanschauung corresponds to her physical, corporeal beauty; Susan flees the city, in preference for the countryside, where she grapples with the thrills and doubts of motherhood; and Rhoda is riddled with self-doubt and anxiety, always rejecting and indicting human compromise, always seeking out solitude. Percival is the god-like but morally flawed hero of the other six, who dies midway through the novel on an imperialist quest in British-dominated colonial India. Although Percival never speaks through a monologue of his own in *The Waves*, readers learn about him in detail as the other six characters repeatedly describe and reflect on him throughout the book. The novel follows its six narrators from childhood through adulthood. Adeline Virginia Woolf (25 January 1882 - 28 March 1941) was an English writer who is considered one of the foremost modernists of the twentieth century and a pioneer in the use of stream of consciousness as a narrative device.

The Great Hunger - Patrick Kavanagh 2018-02-22

'I have lived in important places, times When great events were decided . . .' By turns comical, grouchy and exalted, and including his tragic masterpiece 'The Great Hunger', some of the key poems by the writer who transformed Anglo-Irish verse. Penguin Modern: fifty new books celebrating the pioneering spirit of the iconic Penguin Modern Classics series, with each one offering a concentrated hit of its contemporary, international flavour. Here are authors ranging from Kathy Acker to James Baldwin, Truman Capote to Stanislaw Lem and George Orwell to Shirley Jackson; essays radical and inspiring; poems moving and disturbing; stories surreal and fabulous; taking us from the deep South to modern Japan, New York's underground scene to the farthest reaches of outer space.

**My Heartfelt Love Poems** - Shanae Jones 2014-12-30

In my way of my heart, I thought that this would be the time to show the way I love poetry so much, so I decided to write an all-poetry book with love sonnets. This book expresses my love that I have inside of me. The love that I want to give and have. Some are dark, inspiring, funny, and memorable. I speak in the words that my heart felt and that my mind could express. Some poems are even fictional but all from my heart. So please let this book touch your heart, like my heart felt when she poured out.

**The Rose that Grew from Concrete** - Tupac Shakur 2009-02-03

A collection of verse by the late hip-hop star Tupac Shakur includes more than one hundred poems confronting such wide-ranging topics as poverty, motherhood, Van Gogh, and Mandela.

**Secrets and Stars** - Alix Klingenberg 2020-11-23

For the wolveren creatures and the feral den mothers. For the heartbroken dreamers reclaiming their voices, their time, their wholeness. For everyone who refuses to be tamed. For you, my gently rebellious seekers, my fiercely sensitive kin, I offer you a piece of my heart: "Secrets & Stars" is the debut poetry collection of poet, photographer, and spiritual director, Alix Klingenberg. Playing with archetype and myth, this book explores a return to wholeness, a rejection of fractured existence, and a claiming of the entire self as beloved, sacred, and divine. With roots in earth-centered spirituality, the elements of nature, wilderness, and cycles permeate this volume that manages to illuminate, in a truly intimate way, the struggles of a poet coming into her own voice.

**The Book of Men: Poems** - Dorianne Laux 2011-02-28

"Laux writes gritty, tough, lyrical poems that depict the actual nature of life in the West today."—Philip Levine The narrative poems in Dorianne Laux's fifth collection charge through the summer of love, where Vietnam casts a long shadow, and into the present day, where she compassionately paints the smoky bars, graffiti, and addiction of urban life. Laux is "continually engaging and, at her best, luminous" (San Diego Union-Tribune). from "To Kiss Frank," make out with him a bit, this is what my friend would like to do oh these too many dead summers later, and as much as I want to stroll with her into the poet's hazy fancy all I can see is O'Hara's long gone lips fallen free of the bone, slumbering beneath the grainy soil.

Let Me Put My Poems In You: Love! Sex! Comedy! Prejudice? - Matthew

James 2015-02-14

Perhaps the greatest book of poetry ever written. Matthew James is a sheer genius and a cunning linguist. He paints words onto a page the way da Vinci did onto ceilings, or was that Michelangelo? Either way, he's impressive. The emotionality of this master work explodes from the pages and hits you straight in the face with a walloping force. This book

will mesmerize and provocatize. Nothing is taboo to Matthew James. He regularly breaks boundaries with his insights on subjects like sex, liquor fuelled promiscuity, and women. Considered by the Incas to be a cross between William Shakespeare and Wilt Chamberlain, Matthew James is truly a genius of our time. Please, let him put his poems in you. They won't disappoint.
