Love to Hate You - Jennifer Sucevic 2020-09-22

From USA Today bestselling author Jennifer Sucevic comes a funny, sexy standalone novel. Carter Prescott is one of those guys who has it all. Wealthy family...check. Good looks...check. Brains to match all that brawn...check. And let's not even talk about all those sculpted muscles (no—seriously, I don't want to talk about them). The guy works out like it's his job. Did I mention that he's one of this year's top NFL draft picks? Sure, maybe in the beginning I was taken in by his pretty face and gorgeous body. What girl with a beating pulse wouldn't be? But his obnoxious presence killed any attraction I might have felt a long time ago. All right, fine...that's not altogether true. The guy is smoking hot, okay? There, I admitted it. Sheesh. But that doesn't mean he's not a conceited jerk. Carter is my

cousin's best friend, and thanks to the fugue state I must have been in when I agreed to this living arrangement, he's my roommate for senior year. Everything would be fine between us if he would just stop messing with me. But he's incapable of restraining himself. So when he takes his antics too far, who can blame me for retaliating in kind? Carter wants to bring a hookup back to the apartment for the night? Fine by me. Is there any real harm done if I ambush them in the morning and introduce myself as his baby mama? Am I taking things too far if I whip up a batch of laxative laced brownies, so he'll crap himself all over the field? Nope, I don't think so... The real question is how I'm going to make it through eight more months without slowly wrapping my fingers around his...throat and squeezing tight. I'm sorry, did you think I was going to say something else? Please, as if that would happen... --- "Where has this author been hiding and why am I just now stumbling across her

The Girl Next Door - Jennifer Sucevic 2020-09-22

From USA Today bestselling author Jennifer Sucevic comes a steamy, enemies-to-lovers, forced proximity, new adult sports romance that is laugh out loud funny featuring a strong heroine and the cocky football player who falls first and hard for her. Mia Stanbury is the quintessential girl next door. Smart, beautiful, and determined. She's got it all going on. Is it any wonder that she's been on my radar for as long as I can remember? We're talking middle school, folks. Fine, I'll admit that I've made a few boneheaded mistakes as far as she's concerned, but what can I say? I'm a dude. Sometimes I think with the wrong head. We'll just chalk it up to one of the hazards of having a Y chromosome and

leave it at that. But I'm older now. More mature. Sort of. Mia has spent all of high school and college keeping me at a distance. If she didn't melt in my arms every time I put my hands on her, I'd almost think she was immune to my charms. Turns out that's not the case. This is our last year at Wesley before we go our separate ways. Me to the NFL, her to law school. It's now or never. I'm done playing games and allowing her to push me away. I was her first and I'll damn well be her last. --- "If you want a sweet love story, this is the book to read" -Sylvia, GoodReads "The sizzling chemistry between Mia and Becket is like a slowly lit fuse and will eventually explode" - Anna, GoodReads "Beck has my heart bless him. I spent the majority of the book with my heart pounding and worried and jaw on the floor" -Steph, GoodReads "I usually love the female characters, but this time I loved Beck because he never gave up and kept after her until the end" -Rebecca, GoodReads "I couldn't wait to

The Secrets Guys Wish You Knew about Love - Jennifer Leigh 2009-11-15

The Secrets Guys Wish You Knew About Love is a surprising, groundbreaking self-help book for teen girls. Based on interviews with hundreds of teen boys worldwide, the stereotypical myth about what boys want is turned upside down. The majority of guys claim they are confused and overwhelmed with the saturation of sex, violence, and media portrayal of teen relationships. They yearn for more romance and more emotionally connected

relationships in today's "hook-up" generation. Girls are growing up in a world where the media hammers home the messages that they have to be "hot" and sexy in order to get affection, while the Internet hosts a limitless library of content that is counterproductive for gaining self-confidence and self-respect. This is an honest look at how girls can rise above the cultural and technological impact and gain self-respect and show respect to others in order to win true affection and respect in return.

One Night Stand - Jennifer Sucevic 2021-01-10

From USA Today bestselling author Jennifer Sucevic comes a steamy, off-limits new adult sports romance that is laugh out loud funny featuring a strong heroine and the tatted up football player who falls first and hard for her. threesome? Yep, I'm done for. Especially when the guy in question, the one who just can't seem to take no for an answer, all but sprints away as if the hounds of hell are nipping at his heels. Now that it's just the two of us, I can't help but take a closer look at my rescuer. Sexy fauxhawk, rippling muscles, along with swirling patterns of colorful ink that decorate his arms. And my heart... it does this crazy little pitter-patter thing in my chest. There's just one hitch. Actually... it's a pretty big hitch. He's young. Way too young. I'm a twenty-nine-year-old second grade teacher and this guy can't be more than twenty-two. I shouldn't just be walking away- I should be sprinting. But I just can't bring myself to do that. Which is exactly how I end up in his bed at the end of the night. Three orgasms later and I'm sneaking out of his apartment at the crack of dawn. I know that I'm never going to see him again because this was strictly a onetime deal. Although, you know what they say about best

laid plans... They never quite work out the way you expect them to. --- "I loved that Gia was older. That was like a breath of fresh air!" -Bee, GoodReads "It took me one night only to finish it. So I think that tells you pretty well how much I loved this book" -Lucy, GoodReads "A Liam Garrison in my life, please?" -Phrey, GoodReads "Liam was all in. That guy *swoon* He really went all out. Hate to Love You - Jennifer Sucevic 2020-09-22

From USA Today bestselling author Jennifer Sucevic comes a sexy, new standalone novel. Brody McKinnon is Whitmore University's star defenseman destined for NHL greatness. He made a name for himself playing juniors before gracing us with his esteemed presence. As much as it pains me to admit it, he's exploded at the college level. While other girls fall all over themselves trying to gain his attention, I do my best to steer clear just as I would a particularly nasty case of crabs. For reasons I can't fathom, Brody takes great pleasure in messing with me. And I, in return, enjoy slicing

him to ribbons with my razor-sharp tongue. You'd think after three years, he'd learn to keep his distance. No such luck. Unfortunately for me, I'm about to experience the worst week of my life. It starts with my ex-boyfriend announcing at a party that I'm a lousy lay. He's the hockey-playing jerk I dated last year who left a bad taste in my mouth (*eyeroll* seriously...get your mind out of the gutter). Want to guess who rides in on his trusty white steed to rescue me? Or should I say, opens his big mouth? Yep, you guessed it. Brody freaking McKinnon, the guy I love to hate. He only makes matters worse by telling everyone that we're together and then punching Reed in the face. The first...I plan on strangling him for. The second...I'm only sorry I didn't get to Reed first. Now I'm stuck fake-dating Brody, the one guy who makes me feel like a rabid dog on a choke chain, for the foreseeable future. I guarantee we won't last more than seventy-two hours without me killing him. --

author Jennifer Sucevic comes a steamy enemies-to-lovers, forced proximity, new adult sports romance featuring a strong heroine and the tatted up hockey player who never stopped loving her. Wolf Westerville. There was a time when my world revolved around him, and I'd foolishly thought he'd be the one to claim all my firsts. Those dreams shattered into a million jagged pieces when the unthinkable happened. Five years later and we both attend the same college. He's a superstar goaltender for the Western Wildcats with a ticket to the NHL. I'm just trying to make it through the last year and a half of college all the while doing my best to avoid him. Wolf has decided that it's time for us to get reacquainted. As far as I'm concerned, he can shove that idea where the sun doesn't shine. Better yet, he can bend over, and I'll happily do it for him. He might not realize it, but my life is splintering apart at the seams. My parents have lost everything and can't pay my

tuition for the second semester, which means I need to figure something out. Fast. Or I'll be forced to drop out and move back home. Unwilling to allow that to happen, I decide to sell the only thing I have of value. My V-card. Hot Dog Girl - Jennifer Dugan
 2019-04-30

A fresh and funny contemporary YA rom-com about teens working as costumed characters in a local amusement park. "I'm wrecked with love for this funny, joyful, bighearted book." --Becky Albertalli, bestselling author of *Simon vs. the Homo Sapiens Agenda*
 Elouise (Lou) Parker is determined to have the absolute best, most impossibly epic summer of her life. There are just a few things standing in her way: • She's landed a job

at Magic Castle Playland . . . as a giant dancing hot dog. • Her crush, the dreamy diving pirate Nick, already has a girlfriend, who is literally the princess of the park. But Lou's never liked anyone, guy or otherwise, this much before, and now she wants a chance at her own happily ever after. • Her best friend, Seeley, the carousel operator, has always been up for anything, but she's decidedly not on board when it comes to Lou's quest to set her up with the perfect girl or Lou's scheme to get close to Nick. • And it turns out that this will be their last summer at Magic Castle Playland--ever--unless she can find a way to stop it from closing. Jennifer Dugan's sparkling debut coming-of-age queer romance stars a princess, a pirate, a hot dog, and a carousel operator who find love--and themselves--in unexpected people and unforgettable places. Love at First Set - Jennifer Dugan 2023-05-23

Sometimes true love takes a little heavy lifting "The most hilarious disaster bisexuals you'll ever meet." —Dahlia Adler, *Buzzfeed Books* This

irresistible adult debut from beloved YA author Jennifer Dugan is a queer romcom for fans of *Delilah Green Doesn't Care* and *Written in the Stars*, in which a gym employee accidentally ruins her bosses' daughter's wedding, then even more accidentally falls for the runaway bride... The gym is Lizzie's life—it's her passion, her job, and the only place that's ever felt like home. Unfortunately, her bosses consider her a glorified check-in girl at best, and the gym punching bag at worst. When their son, Lizzie's best friend, James, begs her to be his plus one at his perfect sister Cara's wedding, things go wrong immediately, and culminate in Lizzie giving a drunken pep talk to a hot stranger in the women's bathroom—except that stranger is actually the bride-to-be, and Lizzie has accidentally convinced her to ditch her groom. Now, newly directionless Cara is on a quest to find herself, and Lizzie—desperate to make sure her bosses never find out her role in this fiasco—gets strong-

armed by James into "entertaining" her. Cara doesn't have to know it's a setup; it'll just be a quick fling before she sobers up and goes back to her real life. After all, how could someone like Cara fall for someone like Lizzie, with no career and no future? But the more Lizzie gets to know Cara, the more she likes her, and the bigger the potential disaster if any of her rapidly multiplying secrets get out. Because now it's not just Lizzie's job and entire future on the line, but also the girl of her dreams.

The Myth of More - Joseph R. Novello 2001

Joseph Novello's new book has a simple but powerful message: People constantly chase after happiness, but in confusing happiness with pleasure, they set themselves up for continual frustration and failure. Pleasure is a short-term high that comes from without, while happiness is an abiding serenity that comes from within. Happiness lies in accepting who we are right now and what we have right

now. A major obstacle to happiness is one's "lifetraps", patterns of behavior that helped us cope in childhood but which now cause us to be dysfunctional as adults. What began as habits end up as core components of our personality. But even after overcoming these lifetraps, Novello discovered, people still need to go further to find happiness; they need to discover the spirituality within life and within themselves.

No More Christian Nice Girl

- Paul Coughlin 2010-05-01

When passivity and false niceness don't bring the abundant life Jesus promised, some Christian women try even harder to hide behind a fragile façade of pleasant perfection. questionnaires, real-life stories, and biblically based teaching from both the male author of the pioneering *No More Christian Nice Guy* and a female clinical psychologist, this book will motivate women to allow God to transform them into authentic, powerful women of loving faith.

Mirror Mirror - J. O. Ballance
2023-08-20

When a mirror breaks, it shatters into pieces, distorting our perceptions. This is Michelle's life, and the fragments reveal the jagged truths of her experiences. Michelle is single with no children, educated, financially independent, and enjoys an excellent career. Despite her success, she realizes one important thing is missing from her life - love. However, when broken promises, infidelity, and rejections poison her

relationships, she finds herself asking the mirror the same question: Mirror, Mirror on the wall, please tell me that there is more to me than what you see. But when the mirror begins to reveal the same patterns emerging in her newest relationship, the journey to the truth and self-love will ultimately teach Michelle the importance of looking past her reflection and truly seeing and accepting her reflection in the mirror.

[How to Live with a Man and Love it](#) - Jennifer Worick 2005
Full of practical advice and solid commonsense, this book illustrates how women can get the upper hand and keep it, all the while making their man comfortable, content, and happy with his hearth and home - invaluable for any woman navigating the rocky straights of married life.
