The Wagered Widow - Patricia Veryan 2015-10-20

Patricia Veryan was born in England and moved to the United States following World War II. The author of several critically acclaimed Georgian and Regency series, including the Sanguinet Saga, she now lives in Kirkland, Washington.

Had We Never Loved - Patricia Veryan 2015-10-20

"Dashing Georgian romance," said Booklist of Time's Fool, the first stunning adventure in Patricia Veryan's Tales of the Jewelled Men. This second gem in the sparkling new series finds the sinister League of the Jewelled Men hatching another deadly conspiracy: their chosen victim one Lord Horatio Glendenning, and the prize his father's estate...

The Brothers Hogan - Jacqueline Hogan Towery 2014-08-19

The Brothers Hogan: A Fort Worth History is a unique family portrait of one of golf's greatest legends. Lavishly illustrated with never-before-seen family photos, The Brothers Hogan follows the lives of Ben Hogan, winner of sixty-eight tournaments and nine major championships, and his brother Royal, who climbed the ranks of top amateur golfers even as his brother Ben became one of golf's most successful pros. Narrated by Royal's daughter Jacque, Ben's niece, this revealing biography not only tells the story of Ben's and Royal's remarkable careers but also sets the record straight on the shocking suicide of the boys' father, on Ben's strained relationship with his wife Valerie, on the car crash that nearly ended Ben's career, and on scores of details that have been misconstrued in earlier accounts. The rise of Colonial Country Club and its legendary course—forever nicknamed "Hogan's Alley"—and the rise of modern Fort Worth are part of the narrative as the Hogan boys and their city grew up together. Major Fort Worth leaders such as Tex Moncrief, Amon Carter, and Marvin Leonard, the visionary who built both the Colonial and Shady Oaks courses, figure prominently in the book.

Feather Castles - Patricia Veryan 2015-12-22

The author of five superbly entertaining Regency novels, Patricia Veryan has been proclaimed "a worthy successor to Georgette Heyer at her very best" (The Chattanooga Times). Now, in her sixth novel, Feather Castles, Patricia Veryan gives us another sparkling Regency full of drama and romance as she unfolds the spellbinding adventures and apparently star-crossed love of the soon-to-be-married Miss Rachel Strand and a man whose name she does not even know. It is dusk on the ruined battlefields of Waterloo. In a carriage slowly making its way across the desolation is Rachel Strand, fiancée to the rich and powerful Claude Sanguinet, who is accompanying her friend and teacher Sister Maria Evangeline in a desperate search for one man among the thousands who lie wounded. Before they can find that man, they come across a valiant young soldier who, though badly wounded, saves them from plunderers—a man who cannot remember his name, or even his nationality. So begins a riveting tale that takes us to both sides of the English Channel, from elegant drawing rooms and a magnificent sinister country estate to riotous taverns and hostelryes...

Some Brief Folly - Patricia Veryan 2015-12-22

The Napoleonic wars are at their height on the Continent when Miss Euphemia Buchanan, young, much sought-after, and unattainable, decides to journey from London to Bath with her brother Simon and her young page Kent to spend the Christmas holidays with Great Aunt Lucasta. Along the way, she entreats Simon to detour past the imposing lines of Dominer, the palatial country estate of Garret Hawkhurst, the

appallingly dangerous rake responsible (or so it is rumored) for the deaths of his own wife and child. But disaster strikes in the form of a landslide, and the Buchanan's coach is overturned and brought within inches of complete destruction. It is only through the bravery and immediate efforts of a passing gentleman that Euphemia and her wounded brother and page are rescued at all. But Euphemia's grateful thanks turn to horror when she realizes her rescuer is none other than the infamous Garrett Hawkhurst, and that she has no recourse but to help Simon and Kent convalesce within the walls of Dominer itself...

The Riddle of the Shipwrecked Spinster - Patricia Veryan 2007-04-01

Mrs. Regina Stansbury, a woman of high fashion and dwindling fortunes, has just trapped London's most courted bachelor into agreeing to marry her daughter Cordelia. Though young Miss Cordelia Stansbury has admired the handsome and dashing Gervaise Valerian for years, she is mortified by the circumstances of their engagement. Duty bound to obtain her father's consent for this match, Miss Stansbury becomes lost at sea while traveling to meet him in Egypt. But Valerian's hopes for a long and carefree bachelorhood are dashed once again when Miss Stansbury reappears after a year spent shipwrecked on a desert island. Ignoring the Code of Honour, Valerian rescinds his offer of matrimony. To restore the family name, Piers Cranford, a distant cousin of Valerian's, is bullied into proposing to the disgraced young lady. His offer is rudely rejected, but under pressure from his great-uncle General Lord Nugent Cranford, Piers is forced to pursue Miss Stansbury or risk losing his family manor. Piers is reluctant to marry a haughty girl he barely knows, especially now that he has just met a delightfully intriguing young lady named Mary Westerman... His worries are compounded when his estate is plagued with a series of disasters. Are these troubles linked to old foes from the Jacobite Rebellion, or could they be the work of a mysterious bidder, intent on bringing down the value of Muse Manor and buying Piers Cranford's beloved family estate?

Give All To Love - Patricia Veryan 2015-10-20

Though he had half the women in England at his feet, criminally handsome Alain Devenish had—at the ripe old age of thirty-three—eluded all the trappings of matrimony. Perhaps it was his devotion to his ward, Miss Josie Storm, the irresistible little minx he'd rescued from gypsy captors. Who'd have guessed such a tragic waif would become such a beautiful lady? With suitors lined up offering for Josie's hand, "Don Juan" Devenish was suddenly feeling less like a parent and more like a jealous lover! A situation Miss Josie Storm found most agreeable indeed! "If you are not already an avid Veryan fan, she can become addictive." - Romantic Times

The Publishers Weekly - 1987

She had dreamed of that magical experience called falling in love. And, dreaming, she had conjured up a dashing and handsome gentleman...A far cry from Crazy Jack, a penniless and nameless vagrant, haunted by disgrace and the shadow of some terrible tragedy. Dreams are all that the graceful Jennifer Britewell has had of love and marriage since a childhood accident left her barren. Now, try as she might, the generous lady cannot bring herself to believe the town gossip about "Crazy Jack." It would be beneath her to consider him anything but a servant. But when he allows her to see traces of his honesty, intelligence, and gallantry, all warnings of her possible disgrace fade into the mists of Cornwall...
