Get Over Yourself! - Patti Novak 2008-12-30

True love doesn't just happen, notes professional matchmaker Patti Novak. You have to work for it—and want it. Forget eight-minute speed dates or online dating sites with twenty-page questionnaires that promise a scientifically calculated perfect match. The fact that you both like golf, stamp collecting, and pizza with anchovies is great, but it won't mean a thing if you don't feel that zing. But before there can be sparks, there have to be dates. And before the first date, you need to get over yourself! Taking a tough-love approach, and in her signature straight-shooting style, Patti will show you how to fix what needs to be fixed, reach your core, and identify who you are and what you want in a partner. She uses a three-part common-sense formula: • Getting Over What? Assess your dating weaknesses, recognize what's not working, and adjust your expectations. Delve into your personal history and past relationships, and pinpoint the issues that have been holding you back. • Almost Over It Fine-tune your attitude, your look, and your behavior to maximize your dating chances. Novak lays out strategies to help you deal with the brutal dating monsters you find along the way. • Over It Learn the do's and don'ts of the first date, the second date, and beyond. Remember, it's not a job interview or therapy session. Pretend you're meeting a new friend, not a prospective husband or wife. Finding your one and only isn't about

having the right shoes or a flat stomach. It's about being true to yourself, being vulnerable, and being ready for love. Whether you're new to the dating scene, divorced and looking, or just trying to reach that second date, Get Over Yourself! will help you get the love you've always wanted and deserve.

[The Charisma Myth](#) - Olivia Fox Cabane 2013-03-26

What if charisma could be taught? The charisma myth is the idea that charisma is a fundamental, inborn quality—you either have it (Bill Clinton, Steve Jobs, Oprah) or you don't. But that's simply not true, as Olivia Fox Cabane reveals. Charismatic behaviors can be learned and perfected by anyone. Drawing on techniques she originally developed for Harvard and MIT, Cabane breaks charisma down into its components. Becoming more charismatic doesn't mean transforming your fundamental personality. It's about adopting a series of specific practices that fit in with the personality you already have. The Charisma Myth shows you how to become more influential, more persuasive, and more inspiring.

Growing up a second-generation Italian woman in Canada is not as easy as it looks. In fact, it requires the keeping of secrets, the telling of lies, the casting of curses, and the patience of a saint. Here 20 Italian-Canadian women share their stories -- some comic, some tragic, some nostalgic, all true -- about living a double life with a private/public split personality. Intimate, inspiring, brave, and confessional, these tales reveal women old enough to reminisce yet young enough to revolutionize. Balancing between the Old Country and the new, a respect for tradition and the need to break with it, this collection is a rare and surprising blend of humour and candor that promises the perfect conversation-starter. Mamma mia, what will they dare say next?
