BOMB rating system • Precise information on films shot in widescreen format • Symbols for DVDs, videos, and laserdiscs • Completely updated index of leading actors

Hall of Fame, Salman Khan - Biswadeep Ghosh
2004

Biography of Salman Khan, Indian motion picture actor.

Council on Foreign Relations - 2020

Written by Salim-Javed - Diptakirti Chaudhuri
2015-10-01

The dramatic, entertaining story of the dream team that pioneered the Bollywood blockbuster Salim Khan and Javed Akhtar reinvented the Bollywood formula with an extraordinary lineup of superhits, becoming game changers at a time when screenwriting was dismissed as a back-room job. From Zanjeer to Deewaar and Sholay to Shakti, their creative output changed the destinies of several actors and filmmakers and even made a cultural phenomenon of the Angry

Young Man. Even after they decided to part ways, success continued to court them—a testament not only to their impeccable talent and professional ethos, but also their enterprising showmanship and business acumen. Fizzing with energy and brimming over with enough trivia to delight a cinephile's heart, *Written by Salim-Javed* tells the story of a dynamic partnership that transformed Hindi cinema forever.

The Tortoise and the Hare - Elizabeth Jenkins
2012-04-10

In affairs of the heart the race is not necessarily won by the swift or the fair. Imogen, the beautiful and much younger wife of distinguished barrister Evelyn Gresham, is facing the greatest challenge of her married life. Their neighbour Blanche Silcox, competent, middle-aged and ungainly - the very opposite of Imogen - seems to be vying for Evelyn's attention. And to Imogen's increasing disbelief, she may be succeeding. 'A subtle and beautiful

book ... Very few authors combine her acute psychological insight with her grace and style. There is plenty of life in the modern novel, plenty of authors who will shock and amaze you - but who will put on the page a beautiful sentence, a sentence you will want to read twice?' Hilary Mantel, Sunday Times

You Can't Read This Book: Censorship in an Age of Freedom - Nick Cohen 2012-01-19

The uncompromising Nick Cohen exposes the reality behind the freedoms we enjoy in the book that won Polemic of the Year at the 2013 Political Book Awards.

Don't Call It Bollywood - Margaret E. Redlich 2016-05-30

Do you think "Bollywood" is just flashy dance sequences and unbelievable plots? Think again. Explore the rich history and artistic traditions of Hindi film in this engaging book, which intersperses stories from the author's path to dedicated fandom with analysis of the films and their context. If your only exposure to Hindi

films is action sequences that defy the laws of physics and dance sequences full of colorful, swirling silk, this book will open your eyes to a rich and rewarding art form. If you're already a fan, it will enrich your appreciation of your favorite film moments by placing them in their larger context.

Asha Parekh The Hit Girl - Khalid Mohamed 2017-04-10

Asha Parekh was to the movies born. Ever since she was knee-high, she faced the camera as a child artiste, while performing simultaneously at dance fetes. An alumnus of Bombay's The J. B. Petit Girls' High School, she devoted after-school hours to learning classical dance from exacting gurus. Given a break as a leading lady by Filmalaya Studio's Sashadhar Mukherjee, she debuted opposite Shammi Kapoor in the romantic entertainer *Dil Deke Dekho*.

Instantaneously, the audience and the critics agreed: "A star is born." Followed a concatenation of silver and golden jubilee hits,

Downloaded from
legacy.opendemocracy.net on 2020-07-07
by guest

which established her as the quintessential Hit Girl. Possessed of all the requisites of the cinema of the 1960s and the '70s - felicity at instinctive acting, intricate dance skills and the ability to invest conviction into the roles of zestful, glamour-exuding film heroines - she made an impact, too, with parts demanding gravitas. Apart from films in Hindi, she has also acted in films in Gujarati, Punjabi and a film in Kannada. The Mumbai film trade, to date, acknowledges her as one of the heroines with the highest number of successes. Her innumerable dance ballets on stage have earned her untold acclaim, at home and overseas. Among her other facets, she has been involved since decades in running a charitable hospital. She was Chairperson of the Central Board of Film Certification (1998-2001) and has been associated with the Cine and TV Artistes' Associations and other organisations dedicated to the welfare of film industry workers, technicians and actors. She turned producer and director with several top

TRP-rated TV serials like 'Kora Kagaz' and 'Palash ke Phool' and programmes like 'Baahe Paayal'. Currently she has chosen to retire from acting, but adds, "Never say never." She lives by the famed Juhu shoreline in Mumbai.

Eastern Westerns - Stephen Teo 2017-01-12
The western, one of Hollywood's great film genres, has, surprisingly, enjoyed a revival recently in Asia and in other parts of the world, whilst at the same time declining in America. Although the western is often seen as an example of American cultural dominance, this book challenges this view. It considers the western from an Asian perspective, exploring why the rise of Asian westerns has come about, and examining how its aesthetics, styles and politics have evolved as a result. It analyses specific Asian Westerns as well as Westerns made elsewhere, including in Australia, Europe, and Hollywood, to demonstrate how these employ Asian philosophical and mythical ideas and value systems. The book concludes that the

*Downloaded from
legacy.opendemocracy.net on 2020-07-07
by guest*

western is a genre which is truly global, and not one that that is purely intrinsic to America.

Helen - Jerry Pinto 2006-03-01

It is now over two decades since the Hindi-film heroine drove the vamp into extinction, and even longer since the silver screen was ignited by the true Bollywood version of a cabaret. Yet, Helen – nicknamed ‘H-Bomb’ at the height of her career – continues to rule the popular imagination. Improbably, for a dancer and a vamp she has become an icon. Jerry Pinto’s gloriously readable book is a study of the phenomenon that was Helen: Why did a refugee of French-Burmese parentage succeed as wildly as she did in mainstream Indian cinema? How could otherwise conservative families sit through, and even enjoy, her ‘cabarets’? What made Helen ‘the desire that you need not be embarrassed about feeling’? How did she manage the unimaginable: vamp three generations of men on screen? Equally, the book is a brilliantly witty and provocative examination of middle-class

Indian morality; the politics of religion, gender and sexuality in popular culture; and the importance of the song, the item number and the wayward woman in Hindi cinema.

Take-2 - Deepa Gahlot 2015-10-01

An essential resource for scholars, connoisseurs and serious fans of Indian cinema, Take-2 makes for an entertaining, informative and nostalgia-filled read In the last few years there has been a glut of books on Indian cinema but most of them focus on the life and times of famous stars or celebrate popular film classics. Even though information and film trivia are now easier to access than ever before, some films have completely disappeared with not even a single print available due to reasons both tragic and strange. Also lost in time are some filmmakers and actors who once added their bit to the history of Indian cinema but have now simply vanished from our collective memory. In Take-2, Deepa Gahlot reacquaints or introduces us to 50 films (and many artistes) that merit our

*Downloaded from
legacy.opendemocracy.net on 2020-07-07
by guest*

attention. While some on this list were chosen because they were the first Indian films of their kind, or were obscure films by well-known directors, others deserve mention because they were by creative talents whose contribution to Hindi cinema has been overlooked. Gahlot's mission to rescue and preserve these forgotten gems should inspire us to go back and take another look.

Helen - Jerry Pinto 2006

Presents a study of the phenomenon that was Helen. Why did the refugee of French-Burmese parentage succeed so enormously in Bollywood?

Indian Film Stars - Michael Lawrence
2020-05-28

'SRK Starring as SRK'-King Khan's Performance Style: Audience Expectations and the Emergence of Self-Parody; Charlie Henniker.

The Three Khans and the Emergence of New India - Kaveree Bamzai 2021

"When the Angry Young Man era was on its last legs, three young men entered the world of Hindi films, heralding a change that audiences sought and found in the 1988 teen romance *Qayamat Se Qayamat Tak*, starring Aamir Khan. The film's success set the stage for another blockbuster, *Maine Pyar Kiya*, a year later, starring Salman Khan. Meanwhile, a third young actor, Shah Rukh Khan, emerged as the star of

Fauji, a TV series. In the coming years, Hindi films changed dramatically, much of it spearheaded by the troika. The last three decades have also seen change in India with the unleashing of caste mobilisation, the emergence of a post-liberalisation open market and the rise of an assertive Hindutva. In addition, these decades have witnessed the growth of multiplexes, the emergence of digital streaming, noisy television news channels and an opinionated and vibrant social media. While exploring the political and social circumstances in which the Khans rose to fame, *The Three Khans and the Emergence of New India* maps the movies that marked the turning points in their careers and examines their social and emotional impact on Indian audiences."--

100 Essential Indian Films - Rohit K. Dasgupta
2018-12-15

This book offers a comprehensive view of the 100 most significant films ever produced in Bollywood. Each entry includes cast and crew

Downloaded from

information, language, date of release, a short description of the film's plot, and most significantly, the importance of the film in the Indian canon.

Pakistan Our Difficult Neighbour and India's Islamic Dimensions - Brig(Retd) Darshan Khullar
2014-09-01

In this remarkably candid book, the author has taken a hard look at Pakistan, in his words our difficult neighbour and analysed the reasons as to why the two countries have never been friends and probably will not be in the future, at least not in the immediate one. The author attributes India's failure to neutralise Pakistan to its kind of near constant Gandhian (passive) approach to India's security interests. The author believes that the future of Muslims in India is bright and that it would be quite a lusterless country without them. It is a matter of time before India has its first Muslim Prime Minister but this will happen when the latter represents interests of all Indians and not

merely those of the Muslims. His study of Muslims is spread of a wide range of inter related perspectives. What has been written comes through the author's personal knowledge, not through any ideological prism and also secondary observations of other people and least of all through rose tinted glasses. He has spared no one who he believes is guilty of committing crimes against the Nation. It is a passionate book that ends on an optimistic note.

Beete Hue Din (Forgotten Memories of Hindi Cinema) - Shishir Krishna Sharma
2020-01-06

Huge amount of information is available about Hindi films on the internet. Unfortunately, not all of it is reliable. Mistakes range from honest clerical errors to outright made-up interviews with famous people. In this book the author describes his real interactions with Hindi film actresses who were active in the 40s to 60s. Most had been away from the industry for a long time and were living anonymously. The author

Downloaded from
legacy.opendemocracy.net on 2020-07-07
by guest

made great effort to seek them out and interviewed them. He has obtained much rare and authentic information, clarifying many misconceptions and finding elaborations of other well-known facts about them. We hope that the readers will enjoy reading about them as much as the author has writing about the interviews.

Silent Sentinels of Ranthambhore - Bina Kak 2018-09

* Tiger populations the world over are endangered* A unique look at individual tigers and family groups* Written and photographed by a former government official, actress and photographer well-versed in Ranthambhore's more remote locationsRanthambhore National Park is a vast wildlife reserve in Rajasthan, northern India. It is a former royal hunting ground and home to tigers, leopards and marsh crocodiles. Its landmarks - both natural and manmade - include the imposing 10th-century Ranthambhore Fort, the Ganesh Mandir temple, and Padam Talao Lake, known for its abundance

of water lilies. It is one of the world's finest places to view wildlife. The Park is also a crucial tiger habitat. As Rajasthan's former Minister for Tourism, as well as for Forests and the Environment, Bina Kak had unprecedented access to the Park. There she focused on individual tigers, tigresses, and tiger families. Unlike other photography books on the Park, this book focuses on the unique traits - or personalities - of single animals or groups, for example how a male tiger mothered his cubs when they were separated from the tigress. Her stunning photographs include views not easily accessible or are completely unavailable to other photographers, and will certainly appeal to conservationists, environmentalists, travelers, those interested in nature photography, or anyone engaged with the future of these magnificent animals.

The Case for Marriage - Linda Waite 2002-03-05
A groundbreaking look at marriage, one of the most basic and universal of all human

Downloaded from
legacy.opendemocracy.net on 2020-07-07
by guest

institutions, which reveals the emotional, physical, economic, and sexual benefits that marriage brings to individuals and society as a whole. *The Case for Marriage* is a critically important intervention in the national debate about the future of family. Based on the authoritative research of family sociologist Linda J. Waite, journalist Maggie Gallagher, and a number of other scholars, this book's findings dramatically contradict the anti-marriage myths that have become the common sense of most Americans. Today a broad consensus holds that marriage is a bad deal for women, that divorce is better for children when parents are unhappy, and that marriage is essentially a private choice, not a public institution. Waite and Gallagher flatly contradict these assumptions, arguing instead that by a broad range of indices, marriage is actually better for you than being single or divorced- physically, materially, and spiritually. They contend that married people live longer, have better health, earn more

money, accumulate more wealth, feel more fulfillment in their lives, enjoy more satisfying sexual relationships, and have happier and more successful children than those who remain single, cohabit, or get divorced. *The Case for Marriage* combines clearheaded analysis, penetrating cultural criticism, and practical advice for strengthening the institution of marriage, and provides clear, essential guidelines for reestablishing marriage as the foundation for a healthy and happy society. "A compelling defense of a sacred union. *The Case for Marriage* is well written and well argued, empirically rigorous and learned, practical and commonsensical." -- William J. Bennett, author of *The Book of Virtues* "Makes the absolutely critical point that marriage has been misrepresented and misunderstood." -- *The Wall Street Journal* www.broadwaybooks.com
