[The War of the Dragon Lady](#) - John Wilcox
2012-01-30

The year is 1900 and once again China is plunged into barbaric chaos. The Boxers, a cult of young peasants who blame the foreign barbarians living in their country - particularly the missionaries - for the nation's ills, are rampaging through the country, killing foreigners. China's Dowager Empress - 'The Dragon Lady' - secretly encourages them. Into this maelstrom land former captain and army scout Simon Fonthill, his wife Alice and '352' Jenkins, Fonthill's former batman and trusted comrade, to visit Alice's uncle, a country missionary. Threatened by the Boxers, the three escort the missionary and his family to the safety of Peking. En route, the party is attacked by the red-bannered Boxers and the missionary is killed. The survivors reach Peking only to find that the capital is no sanctuary. The Legations of the foreign ministers within the city is surrounded and the Siege of Peking begins. Fonthill, Jenkins and Chang, the missionary's adopted son, volunteer to slip through the enemy lines to bring help. It proves to be Fonthill's most dangerous mission...

The Oxford Dictionary of Phrase and Fable - Elizabeth Knowles 2006-10-12

This Dictionary is part of the Oxford Reference Collection: using sustainable print-on-demand technology to make the acclaimed backlist of the Oxford Reference programme perennially available in hardback format. What is a ham-and-egger? What are Anglo-Saxon attitudes? Who or what is liable to jump the shark? Who first tried to nail jelly to the wall? The answers to these

and many more questions are in this fascinating book. Here in one volume you can track down the stories behind the names and sayings you meet, whether in classic literature or today's news. Drawing on Oxford's unrivalled bank of reference and language online resources, this dictionary covers classical and other mythologies, history, religion, folk customs, superstitions, science and technology, philosophy, and popular culture. Extensive cross referencing makes it easy to trace specific information, while every page points to further paths to explore. A fascinating slice of cultural history, and a browser's delight from start to finish. What is the fog of war? Who first wanted to spend more time with one's family? When was the Dreamtime? How long since the first cry of Women and children first? Where might you find dark matter? Would you want the Midas touch? Should you worry about grey goo?

[Window Dressing on the Set](#) - United States Commission on Civil Rights 1977

The Unlikely Yarn of the Dragon Lady - Sharon J. Mondragón 2021-09-21

A knitting group's change of scenery changes lives in unexpected ways Margaret, Rose, Jane, and Fran had a good thing going: meet every week in the quiet of their peaceful chapel and knit prayer shawls. No muss, just ministry. That is, until their pastor boots them out of the church in his last-ditch effort to revive the dwindling congregation. Uptight Margaret isn't having it. Knitting prayer shawls where people can watch is the most ridiculous idea she's ever heard of, and she's heard plenty. Prayer belongs in the church, not out among the heathen masses. How are they supposed to knit holiness into these shawls if they're constantly distracted by the public? But with no choice, the others embrace the challenge. They pack their knitting bags and drag Margaret—grumbling the whole way—to the mall with them. She can't wait to prove them all wrong when it fails miserably, and show the pastor that she always knows best.

Without the familiar mold the group has been stuck in, their own losses, pain, and struggles rise to the surface. And the people and situations they encounter every time they try to sit quietly and knit are taking them a lot further out of their comfort zone than they ever imagined. Can they find the courage to tackle the increasing number of knotty issues they learn about in the community--or will the tangle be too much to unravel? Sharon J. Mondragon's debut is warm and delightful, full of real laughter, grief, and personality. It beautifully illustrates the power of women across generations to reach people for Christ.

The F*ckhead Guide to Astrology - Fckhead 2005-05

The F*ckhead Guide to Astrology is the ultimate antidote for all you boring yuppies, neo-hipsters and punk wannabes who think there might be some validity to spirituality/western philosophy/astrology but are just too fed up with the WE-ARE-ONE, GOD-IS-LOVE, WE-ARE-ALL-GOD-N-WE-ARE-ALL-LOVE post-hippie claptrap still controlling the market, and all who wanna barf at the mention of L. Ron Hubbard (we feel you). In under 200 pages, underground author/Tourette's Syndrome survivor F*CKHEAD lovingly yet ruthlessly dissects the pop psychology dumping ground that is Astrology: signs are described, signs are decried, signs are dismantled, F*ckhead tells you how to pick up chicks (assuming, of course, you somehow know their signs to begin with, in which case you probably wouldn't need his help) and Tom Hanks is made fun of. HILARITY ENSUES. The F*ckhead Guide to Astrology is absolutely guaranteed to heal marriages, tame children, cure lepers, end hunger, establish world peace etc. (though we are still waiting on endorsement from Dr. Phil). Literarily, kinda bullshit but a helluva lot better than blowing your money on "How to Spot A Bastard By His Star Sign". So buy it now, suckers, 'cause if you keep standing in the New Age section the clerks are gonna stare at you.

Mannix Dragon Shifters - Lori Whyte

Dragons need mates. It should be simple. But nothing is simple when it comes to mating. This is the complete series! All five stories in one bundle. THEIR RUNAWAY MATE Jasmine is just an ordinary girl in an extraordinary world. She

bakes, she loves her aunt, and she has vivid nightmares about dragons. So, when she is selected to be "sacrificed" to the beasts, she does the only thing she can... she runs. She runs and runs... straight into the heart of dragon country. How could she not have known? And now she is being pursued by two of the creatures... Except they really don't seem like "creatures" at all. Particularly when they take their human form. They are sexy and muscled. They are full of heat. And the bastards promise to protect her. How is she supposed to resist all that? SNOWBOUND AT SOLSTICE: A CHRISTMAS NOVELLA A second chance with two sexy dragons is exactly what Holly wants for Christmas. Even if she's too scared to admit it to herself. After all, she's missed her chance and she should really just suck it up and accept it. But when real dangers escalate around her, her dragons, Ryder and Garryck, prove they will do anything to protect her. And that just makes her desire for them burn hotter than ever... Definitely hot enough to keep her warm during the blizzard that leaves them snowbound. MATING OF CONVENIENCE Calla has to protect herself. She doesn't have a choice. And the only way to survive a forced trip into dragon country is to go in with the scents of two powerful dragons on her already. Her plan? Seduce Xander and Kolz, the hottest dragons she's ever met. Easy peasy, right? What could possibly go wrong? Ha! The answer - EVERYTHING! Starting with the fact that the dragons don't want a woman for just one night... They want to take a mate. And they want that mate to be her. LOVING HER DRAGONS It's been a shitty few days. It started with an attack... which led to her being abducted by dragons. And all of that is bad enough, but then she has to go and make things worse. Because suddenly stupid things fall out of Rose's mouth. Like her saying that Zale and Maryk are interested in becoming her mates. Oh... and don't forget that Zale and Maryk hate one another. Sworn enemies, etc., etc. Right. This has happily-ever-after written all over it. HER DRAGONS, HER MATES: A CHRISTMAS NOVELLA Heather is a freaking anomaly. An unmated woman in the heart of dragon country. A woman that no one, not even Jay and Bryan, the dragons she lives with, want as a mate.

Everyone—and especially her dragons—protect her like she's fragile. Well, enough is enough. She wants more. So, she makes a decision: Jay and Bryan are hers. They will be her mates, even if they haven't realized it yet. But she is running out of time. Other women are circling her dragons, and she only has until the solstice to stake her claim. ONLY READ IF: You want to read stories where every mate is pursued by two hot dragons. ~~~ Keywords: shifter, happily ever after, mfm, menage, shapeshifter romance, dragon shifter, instant attraction, heat level, paranormal fiction series, shifter mates, steamy romance, steamy paranormal romance, fantasy romance, sexy shifter books, sexy paranormal romance book, two men and one woman, paranormal romance with sex, pnr, curvy, hot shifter romance, bbw heroine, romance books, romance series, steamy, sexy, kissing books, hot, adult romance, mature romance, marriage of convenience, curvy girl romance, complete series, full series, Christmas romance.

Ash Man - Patricia A. Gray 2012-04

No one should play with the dead, especially when Raymond Faustanetti is around. For twenty-four years, the veteran cremator has burned bodies at the old cemetery; it's a job he takes very seriously. However, not everyone shares his dedication to the deceased. His new boss, Everett Cochran, pompous son of the wealthy, new owner, doesn't get Ray at all and insists on aggravating his freak employee whenever possible. But the cremator won't back down. And that dark determination often creates sparks between them that rival the flames roasting the corpses. When an attractive girl named Alex wanders among the tombstones, both men are drawn to her. Ray refuses his primal urges to keep his haunted past buried. But nothing stops Everett who is determined to have her. With Dad's money as bait, he seems to get his wish. Soon, a twisted relationship develops, and Ray senses impending trouble for the girl. All he wants is to be left alone, but circumstances thrust him into real life with every bit of evil that goes with it. As the demons of his past are reawakened, Ray must decide if vengeance is truly history or whether protecting the dead requires eliminating the living.

[The New Chinese Astrology](#) - Suzanne White 2008

Lively, accessible and witty, this book applies the art of Chinese astrology to modern life. Whether you are a seasoned expert or just curious about your own or your loved ones' signs, 'The New Chinese Astrology' is designed to help you in your quest for higher understanding.

The American Heritage Dictionary of Idioms

- Christine Ammer 2013-05-07

From “all systems go” to “senior moment”—a comprehensive reference to idiomatic English. The American Heritage® Dictionary of Idioms explores the meanings and origins of idioms that may not make literal sense but play an important role in the language—including phrasal verbs such as kick back, proverbs such as too many cooks spoil the broth, interjections such as tough beans, and figures of speech such as elephant in the room. With extensive revisions that reflect new historical scholarship and changes in the English language, this second edition defines over 10,000 idiomatic expressions in greater detail than any other dictionary available today—a remarkable reference for those studying the English language, or anyone who enjoys learning its many wonderful quirks and expressions. “Invaluable as a teaching tool.” —School Library Journal

Feng Shui - Bhojraj Dwivedi 2002-05

The Dragon Lady Gets Her Due - Barbara Barrett 2020-11-10

When the dragon lady down the street invites Sydney Bonner's husband to join the block's holiday lighting extravaganza, Syd figures the venture will distract him while she manages Sheriff Rick Formero's election campaign. But Trip's merry mission ends abruptly when the diva suffers a dramatic demise. Syd and her mah jongg friends Marianne, Micki and Kat see a chance to make their amateur sleuthing official with their contributions to Sheriff Rick's campaign platform. But they're just as interested in why the skipper of the spectacular light show met her shocking end. Putting their political proposal into action, Syd rides shotgun with Rick as they interview a stocking full of suspects. Serendipity Springs' secrets come to light as they unravel the mystery against the backdrop of a contentious campaign. From the standoffish widower to the resentful volunteers, it seems everyone on the committee had a problem with the queen of Christmas. As the naughty list grows and the neighbors string the investigators along, can Syd and her friends nail the evil elf before a deadly decorator turns out their lights for good?

The Dragon's Queen - Michelle M. Pillow 2014-08-01

Mede is a strong-willed dragon shifter who refuses to marry. Prince Llyr wants her for himself — but with enemies gathering and time running out, can he persuade her to become his queen? Mede knows three things for a fact: As the only female dragon-shifter of her people, she is special. She can kick the backside of any man. And she absolutely doesn't want to marry. Mede has spent a lifetime trying to prove she's as strong as any male warrior. Unfortunately, being the special, rare creature she is, she's been claimed as the future bride to nearly three dozen dragons—each one confident that when they come for her hand in marriage, fate will choose

them. When the men aren't bragging about how they're going to marry her, they're acting like she's a delicate rare flower in need of their protection. But Mede is far from a shrinking solarflower. Prince Llyr knows four things for a fact: He is the future king of the dragon shifters. He must act honorably in all ways. He absolutely, positively is meant to marry Lady Mede. And she is dead set against marriage. Llyr's fate rests in the hands of a woman determined not to have any man. With a new threat emerging amongst their cat-shifting neighbors, a threat whose eyes are focused firmly on Mede, time may be running out. It is up to the prince to convince her to be his dragon queen. Book Nine of the Dragon Lords series: This is the original Dragon Lords series by NY Times and USA TODAY Bestselling Author, Michelle M. Pillow. A Prequel Story. "The Dragon's Queen is one Kick-Butt romantic story of the woman everyone considers a rare and precious gem and the one man who sees beyond the 'fairy tale' to the hardcore goddess she really is... I enjoyed this book from start to finish, watching both Llyr and Mede change and move towards each other as who they are meant to be." Kris, Insightful Mind Reviews (2014)

About the Dragon Lords Series With very few words spoken and the shortest, most bizarre courtship in history, these dragons will bond to their women forever. And once bonded, these men won't let go... Praise For The Dragon's Queen 5 Stars! "A book you can't put down!" Theresa Menendez, BookBub (2018) 5 Stars! "A captivating read, great characters and plot" Sue, Sue B. Reviews (2021) Dragon Lords series: Barbarian Prince Perfect Prince Dark Prince Warrior Prince His Highness the Duke The Stubborn Lord The Reluctant Lord The Impatient Lord The Dragon's Queen A Qurilixen World Novel The Qurilixen World is an extensive collection of paranormal, fantasy, and science fiction romance novels by award-winning author, Michelle M. Pillow, and includes several series installments: Dragon Lords, Lords of the Var®, Space Lords, Captured by a Dragon-shifter, Galaxy Alien Mail Order Brides, Dynasty Lords, Qurilixen Lords, and more. They want a man who has strength and character, who is in possession of a remarkable set of principles, ethics and values. If this is something you think is important, then get a copy of How to Become the Ultimate Male Who Attracts the Most Irresistible Women now and see how you can transform yourself into a

magnetic, irresistible and legendary man today!
Backwards, in High Heels - Thomas J. Carty,
Ph.D. 2012-10-19

ÓGinger Rogers did everything that Fred Astaire did,Ó so the saying goes, Óbut she did it backwards and in high heels.Ó Faith Whittlesey popularized this quotation during the 1980s, and many books attribute the line to her. The message clearly resonated with a generation of American men and women coming to age in the late 20th century, when all things seemed possible. In this book Faith Whittlesey gives concrete meaning to the quotation through her life and career as an effective ÓMadam AmbassadorÓ in the worlds of both money and politics. Raised in western New York State by highly motivated Irish-American parents of limited means, she worked to reach an eminent position as Ronald ReaganÓs Ambassador to Switzerland (twice), and to serve as the highest-ranking woman on ReaganÓs White House staff from 1983Ð1985. There she occupied the West Wing office soon to be Hillary ClintonÓs, and as a widow (since 1974) with three children provided a female influence of her own to a presidential culture well before it was fashionable. In addition to her activities in U.S. policy and politics, for more than 30 years Whittlesey has proven to be one of the most important liaisons between the United States and Switzerland, a sister republic as well as financial superpower. Whether operating from her second floor office in the White HouseÓs West Wing or the bucolic AmbassadorÓs residence in Bern, Switzerland, Whittlesey made a practice to advocate ReaganÓs policies through thoughtful debate and persuasive argumentation. After leaving government service, she practiced private-sector diplomacy, serving from 1989 as Chairman and then Emeritus of the American Swiss Foundation, which endeavors to promote understanding between the two nations, organizing several private high-level delegations to visit China, and participating, both publicly and also at times Óbehind the scenes,Ó in discussion of the most significant public policy issues of recent decades. This book provides a fascinating look into how one woman, despite daunting obstacles, was able to achieve exceptional influence, thence use her position for the

furtherance of common good.

Dragon Lady - Autumn Bardot 2019-08-01

Prostitution required the violation of my body. Piracy required my soul. The first enslaved me. The second set me free. The triumph of the notorious Zheng Yi Sao is the fierce and unflinching adventure of how a prostitute became the most powerful and successful pirate in the world. Xianggu is sold into slavery to work on a floating brothel, her virginity bought by the highest bidder. Determined to rise above her poverty and lowly status, she learns the business from the madam. But a violent midnight pirate raid destroys her ambitions. Kidnapped by the powerful pirate boss, Xianggu embarks on a journey that demands beauty, brains and brawn. She must do more than learn to wield a sword, sail a ship, and swim across the bay if she hopes to survive. She must prove her worth to the Red Flag fleet. The winds never blow in the same direction and tragedy forces Xianggu to make a risky decision that changes not only her life but the lives of thousands of pirates. Surrounded by jealous men, devious women, ancient prejudices, and the Qing navy, Xianggu battles to save her empire, her family, and her own heart. In 18th century China, when men made and enforced the rules, the *Dragon Lady* lived by her own.

Meanwhile... - R.C. Harvey 2007-07-12

The comprehensive biography of one of the 20th century's most influential cartoonists, the legendary creator of *Steve Canyon* and *Terry and the Pirates*. This book analyzes his storytelling techniques, examines his artistic innovations and work routines, and serves as a history of the medium. Milton Caniff was one of the most influential American cartoonists of the 20th century. He rose to prominence during World War II when he took the characters in his *Terry and the Pirates* strip into the war. The trenchant pragmatic patriotism of the strip warmed hearts and steeled nerves on the home front as well as the battlefield (one of his strips was read into the Congressional Record). He went on to create *Steve Canyon*, which was syndicated from 1947 to Caniff's death in 1988. *Meanwhile...* traces Caniff's life from the cradle

to the grave, examining the artistic innovations and work routines of a nationally distributed cartoonist whose career was central to the development of the art form, and marking the milestones in the development of the comic strip that Caniff established. Caniff reshaped the medium and set standards by which all storytelling strips were subsequently judged. He created many colorful characters, including the stalwart Pat Ryan from *Terry and the Pirates*, Burma the shady lady, and, most memorable of all, the *Dragon Lady*, a beautiful but mysteriously menacing pirate queen who turned Chinese patriot during the War.

WhileMeanwhile... provides a biography of Caniff and analyzes his storytelling techniques, it also serves as a history of the medium and reveals the inner workings of the syndicate business (at which Caniff was as expert as he was at cartooning). The book charts Caniff's rise to fame and fortune, then recounts the decline of his strip *Steve Canyon's* popularity (whose protagonist served as an unofficial spokesman for the U.S. Air Force from the Korean War until the end of the strip in 1988) when the same brand of patriotism that had inspired admiration during World War II provoked protest during Vietnam, a bittersweet conclusion to a career spent producing a daily feature for 55 years, a record that would stand for a generation. A 2008 Eisner Award Nominee: Best Comics-Related Book; a 2008 Harvey Award Nominee: Best Biographical, Historical or Journalistic Presentation.

Heaven-slaughtering Sovereign - Qi LianXue 2020-05-15

The mysterious youth had a slim chance of survival. Killing the black dragon, forming a spirit monkey, eating the spirit fruit by mistake, all of this greatly increased his strength. From then on, he would tread on a path that defied the heavens! Since there is no path to heaven and earth, I shall kill the heavens and destroy the earth, and restore the true face of the world ... Immortals and Buddha are merciless. If I were to continue on the path of ruthlessness, I will not take the normal path. I will destroy the Heavenly Dreams in the Sacred Diagram ...
