[Professor Kelli's Guide to Finding a Husband](#) - M. S. W. Kelli Miller 2010-05-22

I know what you're thinking.

You hate me. You got a glimpse of my ring and you're pissed. I know your kind because I was once your kind. Every time I saw a happy couple I could feel last night's dinner coming up. When I saw wedding magazines I wanted to take a blowtorch to each one of them. Engagement rings? The only way you could talk to me about Okrats was if you were going to feed one to your pet rabbit. Yes, I was sick. Sick of set-ups, match-ups, and break-ups. I'd been on blind dates and I've been on dates where I wish I were blind. But I finally did find Mr. Right. And I'm going to show you how. Through humor, empowerment, and basic common sense clinical social worker "Professor Kelli" instills confidence in women, makes them laugh at their

situation (or the men theyOve dated), and teaches them the process of letting go and staying present. Sure, it's about finding a husband but it's more about finding you first.
