**THE HEART TRANSPLANT OF MY GIRLFRIEND** - Ajay Sharma 2019-10-21

It was 9th of February 2014, in Maa Kalkaa's temple, when Zindagi asked me to write our story in the form of a novel. I was utterly astounded to see such a wish coming from her, but such was my love for her that it didn't take me even seconds to say a yes. When I wanted to prove my love to her by writing this novel, nowhere in my mind had I thought that my love story would take such a tragic turn. The Heart Transplant of my Girlfriend is just a small attempt to fulfil the promise that I made to the most beautiful girl of my life. "Sometimes, promises are also kept in people's absence."

**My Senior Year** - Michael Fitzgibbons 2000-12

Hey! I'm John Sullivan, a recent high school graduate who collected his thoughts and dreams and hopes and fears and all kinds of other stuff in a year-long diary through his senior year. When I finished on graduation day, I realized I had quite a collection, as a matter of fact, I had more than 400 pages! So I thought about it and realized that it had a beginning, a middle, and an end, so therefore it told a complete story, which I think might be a book if I remember my sophomore literature class correctly. I am NOT saying it is literature (ha-ha), but I do think it is a book. That is where you come in. I don't think it is much of a book if I'm the only one who reads it. It is just a diary then, that will remain on the floppy disk in my computer desk in my bedroom. Instead, you could read it. And tell me what you think. And then I will know if I should have left it in that computer desk. Or not. If you do read it, you'll find that I didn't leave anything out, even the stuff that might embarrass me. I could even still get into some trouble about some of it, but I think I'm ok because I don't think my parents will want to read it because they were there for almost all of it, so it would be a rerun for them. I don't think reruns are bad, but they already lived through this once, so they probably don't want to get all upset all over again. So, go ahead and click away. It was an adventure for me - come on along for the ride! John Sullivan is right. This is quite an undertaking for a senior in high school. But that is what it is - a diary, a coming of age novel, a satire, and, incredibly, a love story. It is a unique look at one of the most important developmental periods in a person's life.

**30 Life Lessons My Boys Learned from Baseball** - Andy Norwood 2010-07-30

Using America's favorite pastime as an analogy, this collection of essays teaches children how to apply the lessons learned in baseball to everyday situations. This guide, filled with invaluable advice, enables adolescents to grow into adults while providing perspective on the sport and the complexities of life. The essays are derived from common themes in baseball but relate to dilemmas experienced off the field. The chapter "Some Days You're the Bat, Some Days You're the Ball" is an allusion to good days versus bad and reminds children that some rules have reasons, although they will probably question them. The sage guidance offers ways to control your emotions by channeling them into better efforts and tips to summon courage whether you are standing at the bat, undergoing surgery, or delivering a speech. The importance of paying attention to detail and respect for authority, along with advice on how to deal with adversity, is included in this indispensable compilation. Andy Norwood underscores the significance of teamwork, self-sacrifice, and the humility experienced after a loss. Each lesson is preceded by a quote from such celebrities as Jay Leno, Maya Angelou, and Albert Einstein. The work incorporates anecdotes from Major League Baseball and significant moments in the sport's history, making this book an enjoyable read for adults and their children.

**A Mental Metamorphosis of Mind** - SUNIL AD 2023-07-27

Does life have any purpose? We see that all organisms have two fundamental objectives in their lives; one is reproduction, and another is to stay alive as long as possible. But when we talk about humans, we are more complex; the level of consciousness present in humans is higher than that of any other organisms and inanimate things. However, all humans are not conscious equally. Why is someone poor, wretched, and depressed, whereas the other is healthy, prosperous, and happy? Everything is vibrating; thoughts produce specific frequencies of the wave. The frequency of love, affection, and prosperity is different from hate, affliction, and adversity. Human minds act as the tuning fork; when something vibrates with a particular frequency, the mind catches the same vibration without coming into physical touch. This means our mind can attract health, wealth, and wisdom if it is introduced with those. Thoughts arise in the mind and shape our behaviors. Thoughts as energy cannot be destroyed but can be transferred into reality through actions. A Mental Metamorphosis of Mind offers all proven exercises, backed up with academic research Journals, to permanently transform all areas of one's life. 100% guarantee for: · Accessing the Subconscious mind for health, wealth, and innovative ideas. · Growing dendrites in neurons and reverse aging. · Fast repairing of impaired cells. · Becoming emotionally unshakable. · Transforming one's mental vibration permanently. · Connecting one's mind with the Akashic record for profound knowledge. · Spiritual awakening and enhancing the imagination. · Becoming invincible from powerless. · Repairing aura and becoming the center of attraction.
