Fierce Marriage - Ryan Frederick 2018-04-17

Ryan and Selena Frederick were newlyweds when they landed in Switzerland to pursue Selena's dream of training horses. Neither of them knew at the time that Ryan was living out a death sentence brought on by a worsening genetic heart defect. Soon it became clear he needed major surgery that could either save his life--or result in his death on the operating table. The young couple prepared for the worst. When

Ryan survived, they both realized that they still had a future together. But the near loss changed the way they saw all that would lie ahead. They would live and love fiercely, fighting for each other and for a Christ-centered marriage, every step of the way. Fierce Marriage is their story, but more than that, it is a call for married couples to put God first in their relationship, to measure everything they do and say to each other against what Christ did for them, and to see marriage not just as a relationship they should try to keep healthy but also as one worth fighting for in every situation. With the gospel as their foundation, Ryan and Selena offer hope and practical help for common struggles in marriage, including communication problems, sexual frustration, financial stress, family tension, screen-time disconnection, and unrealistic expectations.

Be prepared and write your most valuable thoughts in this notebook so that you can back to them and enjoy your notes! Let this notebook serve you in a wonderful way :) - 90 Pages - Simple and elegant notebook - Clear white pages with lines - Dimensions: 6" x 9" My Wife Doesn't Love Me Any More - Andrew G Marshall 2012-11-16

Your wife has not only fallen out of love but, worse still, she is refusing point blank to try and fix things. She says 'she can't change her feelings', she needs 'space' and the children should know - even though it will break their hearts. You've told her how much you love her, you've begged for a second chance but everything is falling on deaf ears. The situation might seem bleak but help is at hand. Marital

therapist, Andrew G Marshall has spent over twenty-five years helping couples find love again and he has a message of HOPE. You can help your wife to fall back in love, even if you're separated or suspect there's another man in the background. In this practical book, he explains: The six worst and the six best reactions to discovering your wife doesn't love you any more. How to get to the bottom of why she's fallen out of love. Five things you think will save your marriage but are just pushing your wife further away. Five strategies to instantly improve the atmosphere at home. How to keep going in the face of disinterest and rejection. Why most men give up too soon. How to know when to accept the inevitable and when to keep trying.

To Love, Honor, and Vacuum - Sheila Wray Gregoire 2014

"Sheila speaks to both the heart and habits of the woman who is wife and mother. The lessons in this book are biblical, doable, and affordable!"--Margaret B. Buchanan From advertisements to mommy blogs to Pinterest, scenes of domestic bliss abound, painting a picture of perfection and expectation nearly impossible to live up to. Why can't you work a full-time job, stylishly clothe yourself and your children, plan a party for twelve with handmade decorations, keep your house sparkling clean without chemicals, and bake a gourmet meal in the same day? Everyone else is doing it! For many women, housework has become more than chores that need to be done; it is a symbol of identity. Sheila Wray Gregoire wants to stop that thinking in its tracks and help women back to a life of balance--for their sakes and for their families. She encourages women to shift their focus from housekeeping to relationships and shows them how to foster responsibility and respect in all family members. The second edition retains the helpful, concrete advice on everyday situations such as strategies for tackling chores and budgets and tips on effective communication, while incorporating the wisdom Sheila has gained through her interaction with thousands of readers of her blog and through her speaking ministry over the past ten years. Through the principles in To Love, Honor, and Vacuum, Gregoire promises readers they can grow and thrive in the midst of their hectic lives--even if their circumstances stay the same.

501 Practical Ways to Love Your Wife and Kids - Roger Sonnenberg 1996

Find out how much you can say through simple expressions of love like sticking a note on your child's mirror with a special message from Dad. Help your kids place a special "I love you, Mom" advertisement in the classifieds. Many more ideas are included.

The Five Love Languages - Gary Chapman
2009-12-17

Marriage should be based on love, right? But does it seem as though you and your spouse are speaking two different languages? #1 New York Times bestselling author Dr. Gary Chapman guides couples in identifying, understanding, and speaking their spouse's primary love language-quality time, words of affirmation, gifts, acts of service, or physical touch. By learning the five love languages, you and your spouse will discover your unique love languages and learn practical steps in truly loving each other. Chapters are categorized by love language for easy reference, and each one ends with simple steps to express a specific language to your spouse and guide your marriage in the right direction. A newly designed love languages assessment will help you understand and strengthen your relationship. You can build a lasting, loving marriage together. Gary Chapman hosts a nationally syndicated daily radio program called A Love Language Minute that can be heard on more than 150 radio stations as well as the weekly syndicated program Building Relationships with Gary Chapman, which can both be heard on fivelovelanguages.com. The Five Love Languages is a consistent New York Times bestseller - with over 5 million copies sold and translated into 38 languages. This book is a sales phenomenon, with each year outselling the prior for 16 years running!

If My Husband Would Change, I'd Be Happy - Rhonda Stoppe 2015-08-01

Like most brides on their wedding day, you no doubt were filled with love for your husband and the hope of a happy life together. But perhaps today, as the realities of life together have settled in, those happy expectations are going unfulfilled. And it's tempting to think, "If only my husband would change, I'd be happy." That myth is but one of many that Rhonda Stoppe dispels in her easy-to-read exploration of what it takes to experience a truly happy marriage. In the process, she addresses such important topics as understanding your husband's need for your unconditional respect rekindling the love that drew you to your husband in the first place refusing to believe the lie that you'd be happier married to someone else learning to be content in the midst of financial struggles thinking about sex from a biblical worldview If you desire to rekindle the love and hope you felt on your wedding day, this book will go a long way toward making that dream come true. Contains discussion questions and personal reflections at the end of each chapter.
