**Get Over Yourself!** Patti Novak 2008-12-30 True love doesn't just happen, notes professional matchmaker Patti Novak. You have to work for it—and want it. Forget eight-minute speed dates or online dating sites with twenty-page questionnaires that promise a scientifically calculated perfect match. The fact that you both like golf, stamp collecting, and pizza with anchovies is great, but it won't mean a thing if you don't feel that zing. But before there can be sparks, there have to be dates. And before the first date, you need to get over yourself! Taking a tough-love approach, and in her signature straight-shooting style, Patti will show you how to fix what needs to be fixed, reach your core, and identify who you are and what you want in a partner. She uses a three-part common-sense formula: • **Getting Over What?** Assess your dating weaknesses, recognize what's not working, and adjust your expectations. Delve into your personal history and past relationships, and pinpoint the issues that have been holding you back. • **Almost Over It** Fine-tune your attitude, your look, and your behavior to maximize your dating chances. Novak lays out strategies to help you deal with the brutal dating monsters you find along the way. • **Over It** Learn the do's and don'ts of the first date, the second date, and beyond. Remember, it's not a job interview or therapy session. Pretend you're meeting a new friend, not a prospective husband or wife. Finding your one and only isn't about having the right shoes or a flat stomach. It's about being true to yourself, being vulnerable, and being ready for love. Whether you're new to the dating scene, divorced and looking, or just trying to reach that second date, *Get Over Yourself!* will help you get the love you've always wanted and deserve.

**Magnetic Partners** Stephen Betchen 2010-05-18 Do you and your partner argue about the same things over and over again? Are you often confused about why your partner is so angry with you? Are things getting worse and worse even though you've tried everything you can think of to make them better? In this breakthrough guide to repairing romantic relationships, therapist and marriage researcher Dr. Stephen Betchen presents a powerful new explanation of what leads to this kind of escalating conflict in couples and how you can repair your relationship and find a whole new level of happiness. Based on his extensive experience as a couples' therapist, Dr. Betchen has discovered that the prevailing idea that opposites attract is wrong. Instead, one of the strongest forces that attracts people to one another is that they share a hidden, inner conflict in their lives—an unconscious struggle within themselves that each of them developed growing up—which he calls a "master conflict." The fact that a couple shares a master conflict acts as an almost magnetic force of attraction, but, over time, master conflicts often begin to push a pair apart—many of the very things you most appreciated about each other start to grate on you, producing increasing hostility. The good news is that by identifying the master conflict that you share, you and your partner can take the steps to break the cycle of fighting and come to a new place of understanding and happiness in your relationship. Often, just the realization that you have this hidden conflict acts as a powerful cure, allowing you to appreciate each other once again and to be empathetic about the things that have been irritating you both. From his years of work with couples, Betchen has identified the nineteen most common master conflicts—such as getting your needs met vs. caretaking; giving vs. withholding; commitment vs. freedom; power vs. passivity—and for each he provides vivid stories of couples who have struggled with them, as well as simple tests that help you to:

- Identify the core master conflict that is causing your relationship problems
- Understand the origins of your conflict and how it drew you to your partner
- Diagnose how the conflict is now pushing you apart
- Come to new terms with the conflict to save your relationship

As Dr. Betchen writes, knowledge of a master conflict is power, and *Magnetic Partners* is an empowering guide that will help you not only to identify and control your master conflict, but also to bring your relationship to a new level based on deeper understanding, ultimately leading to greater fulfillment and long-term resilience. Win Your Partner Back After A Break Up? Louisa Jackson 2021-05-08 Those that go searching for love only make manifest their own lovelessness - D.H. Lawrence If you're going through the agony of a break up and you long, desperately, to reunite with your partner - this book is for you. Perhaps you're still with your partner but they're losing interest or pulling away - this book is also for you. Not all relationships can be saved. However, given the right inner conditions, some relationships can - and do - heal. Here you will learn precisely how to cultivate those conditions. Author, Louisa Jackson, describes how her life spiralled downwards after the break-up of a relationship. This triggered a long and intense period of study. Immersed in quantum physics, spirituality and Law of Attraction principles, she started to experiment with these concepts in her day-to-day life. Slowly, her intense suffering transformed into deep peace and happiness. A completely new way of living emerged and miraculous changes to all areas of her life then followed. Her long-term battle with depression, social anxiety and bulimia came to an end. Financial and family difficulties also resolved. So, too, did the cycle of toxic and dysfunctional relationships that she kept repeating over and over. Louisa now enjoys a happy, long-term, relationship - one which was successfully rekindled after applying the techniques and principles outlined in this book. The focus here is what's going on inside you, rather than on the outer circumstances of your life. For when you transform your inner world, you'll find that your outer world transforms in equal measure - sometimes in miraculous ways. As you'll see, this isn't merely a spiritual concept but is backed up by quantum physics principles. This book gets right to the heart of your beliefs about love, happiness and the fundamental nature of reality. It's faulty beliefs in these areas which are so often at the root of dysfunctional relationships. You'll learn what real happiness is, and how to cultivate it. You'll also discover techniques for sustaining the honeymoon period and how to prevent a repeating pattern of heartbreak. With practice, you'll stop needing love and instead start to radiate love. When this happens, you cannot help but attract love, whether that's from your existing partner or a new one. This is a new way of 'being' which will radiate out into all areas of your life. Whether you want to save a long-term marriage or a short-term romance, the same formula applies. You may even find after reading this book that you no longer want, or need, your partner to return.

How to Get Your Ex Girlfriend Back C. Powell 2012-01-24 The answer to the question 'can i get my girlfriend back?' is yes... probably. You see if your girl still loves you, no matter how much you've messed up in the past, she will more than likely be receptive to you if you can prove to her that she won't be wasting her time and that she won't get hurt again. No one wants to be hurt and no one wants to set themselves up to be hurt by trusting someone who has already proven they can't be trusted. For this reason you will probably be able to win her back but you had better expect an uphill climb. The first step is to give her a little time and space. Don't rush her or expect everything to happen quickly. It takes a lot longer to rebuild trust than it took to tear it apart.
