A Love Story for Bewildered Girls - Emma Morgan 2019-02-07

Grace loves a woman. Annie loves a man. Violet isn't quite sure. But you'll love them all... Grace has what one might call a 'full and interesting life' which is code for not married and has no kids. Her life is the envy of her friends, who assume she doesn't want the trappings of married life. But all this time she has been waiting in secret for someone to hit her so hard that she would run out of breath, like the way a wave in a rough sea knocks you over... When Grace meets a beautiful woman at a party, she falls suddenly and desperately in love. At the same party, lawyer Annie meets the man of her dreams - the only man she's ever met whose table manners are up to her mother's standards. And across the city, Violet, who is mostly afraid of everything, is making another discovery of her own: that for the first time in her life she's falling in love with a woman. A Love Story for Bewildered Girls is a hilarious and heart-warming novel tale of female friendship and first love in all its guises. 'I absolutely loved this book by Emma Morgan which follows 3 women's very different love lives... I inhaled it' Emma Gannon, Sunday Times best-selling author and host of the podcast Ctrl-Alt-Delete *The Elves* - Ludwig Tieck 1871

The Arc of Love - Aaron Ben-Ze'ev 2019-06-11

Is love best when it is fresh? For many, the answer is a resounding "yes." The intense experiences that characterize new love are impossible to replicate, leading to wistful reflection and even a repeated pursuit of such ecstatic beginnings. Aaron Ben-Ze'ev takes these experiences seriously, but he's also here to remind us of the benefits of profound love—an emotion that can only develop with time. In *The Arc of Love*, he provides an in-depth, philosophical account of the experiences that arise in early, intense love—sexual passion, novelty, change—as well as the benefits of cultivating long-term, profound love—stability, development, calmness. Ben-Ze'ev analyzes the core of emotions many experience in early love and the challenges they encounter, and he offers pointers for weathering these challenges. Deploying the rigorous analysis of a philosopher, but writing clearly and in an often humorous style with an eye to lived experience, he takes on topics like compromise, commitment, polyamory, choosing a partner, online dating, and when to say "I love you." Ultimately, Ben-Ze'ev assures us, while love is indeed best when fresh, if we tend to it carefully, it can become more delicious and nourishing even as time marches on.

The Shy Guy's Guide to Talking to Girls (and Having Girls

Absolutely Love You for It) - Dominic Mann 2017-06-23

Are you the kind of guy who seems to clam up and become painfully shy around pretty girls? You know how it is. You're perfectly comfortable around your friends and... *ahem*... ugly women... ... but as soon as a pretty girl walks by, you just seem to clam up and become painfully shy. It's like you're a whole different person! And it's frustrating as hell! If you wish you could stop being so damn shy around beautiful women and instead start being confident, sexy, and able to charm her socks (and other articles of clothing...) off, then this book will show you how. Learn step-by-step how to go from uncomfortably shy to confident, irresistible lady-charmer In the last year I've been on 60 dates with 60 different girls. Even if you're not a professional mathematician, you can probably agree with me that that's a lot of dates. I'm definitely not the most prolific dater of all time, but I'm definitely not your average wallflower either. At least, not anymore. I used to be terribly shy. If you put me in the same room with a girl I'd clam up and have absolutely no idea what to do. I wouldn't open my mouth if you paid me a million dollars. And I might very well crap my pants on the spot. Which doesn't necessarily

make a great first impression. I wrote this book for people like me.

People that are great once you get to know them... but have a really hard time with first impressions and talking to new girls for the first time. If you've got a great personality but have a hard time opening your mouth and breaking out of your shell... you're in the right place. This book will show you how to get it on with the ladies totally nail an interaction with any girl. The Guyde - Howie Reith 2016-11-19

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of *The Guyde* deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.
