Tell Me Again How A Crush Should Feel Sara Farizan 2014-10-07 With the heart of Judy Blume and wit of Alison Bechdel, Sara Farizan brings the authenticity and humour that distinguished her debut novel, *If You Could Be Mine*, to her second work of fiction for teens *Leila* has made it most of the way through high school without having a crush on anyone, which comes as something of a relief. Her Persian heritage makes her different enough; if word got out that Leila liked girls, life would be twice as hard. And what would her parents think? It's bad enough she's not even going to become a doctor. But when a sophisticated, beautiful new girl, Saskia, shows up, Leila starts to take risks she never dreamed of, especially when it looks as if the attraction between them is mutual. Jane Doe #9 Lizzette Martinez 2021-10-26 "Lizzette Martinez's story embodies the fire energy that gives light and life to survivors all around her! Survivors need to see strength and perseverance despite opposition, and Lizzette models just that." —Melissa Schuman, actress and singer In January of 1995, 17-year-old Lizzette Martinez met Grammy-winning musician and record producer R. KELLY at Aventura Mall in Florida where he was performing. At first, it seemed that her hopes of becoming a professional singer were about to come true when he offered to help boost her career. However, this mentorship quickly turned into sexual grooming, leading to years of physical, emotional, and sexual abuse. After struggling to free herself of the relationship and rebuild on her own, Lizzette's successful new life, far away from the entertainment industry, was interrupted in 2017 by allegations against R. Kelly by other women. This led her to coming forward to the authorities with her own history of abuse by the music icon. In January 2019, she participated with other survivors in a documentary series with Lifetime called "Surviving R. Kelly." It should have been a healing experience but instead left them feeling abandoned and fearful for their lives. In August 2021, Kelly went on trial in New York on racketeering and sex trafficking charges and was found guilty of all charges. In *JANE DOE #9* by Lizzette Martinez and Keelin MacGregor, readers

get a no-holds-barred look at Martinez's relationship with Kelly, her efforts to break free and pursue her dreams, and courage to take on her abuser and seek justice. "Lizzette has been very courageous and persistent in her battle to make sure that R. Kelly was held accountable. I am honored to represent her." - Gloria Allred, women's rights attorney and National Women's Hall Of Fame inductee "In twenty-one years of reporting on R. Kelly abusing his wealth and fame to prey on so many girls and young women—and it was their bravery in speaking out that finally stopped the worst predator in the history of popular music—Lizzette Martinez has always struck me as one of the strongest and most courageous. I could not admire her more, and I am eager indeed to read her story in her own words. She is an inspiration." -Jim DeRogatis, music critic, journalist, and author of *Soulless: The Case Against R. Kelly*

How to Fall in Love with Anyone Mandy Len Catron 2018-02-01 In 2014, 33-year-old Mandy Len Catron went on a date with an acquaintance. They decided to try an experiment: inspired by a study designed to create romantic feelings, Mandy and Mark spent the evening asking each other 36 increasingly intimate questions, wondering if it would lead to them falling in love. In *How to Fall in Love with Anyone*, this experiment is Catron's starting point for investigating what it means to love someone and to be loved, and how we present our love to the world. What makes love last? Can love ever work the way it seems to in films, books and social media? Is there a "right" way to fall in love? In these candid, charming and wise essays, Catron blends memoir with cultural and social commentary on the psychology, biology, history and literature of love. *How to Fall in Love with Anyone* is a deeply personal, yet universal investigation into the one thing we all want—or think we want—more than anything. Includes "To Fall in Love with Anyone, Do This", one of the most popular essays to appear in the New York Times' "Modern Love" column "In our age of total romantic confusion, Mandy Len Catron is a voice of good sense, warm humor, and consoling wisdom. Through the lens of her own relationships, she teaches us—with a deft, convincing intelligence—some of the vital moves in the art of love." —Alain de Botton, internationally bestselling author of *How Proust Can Change Your Life* and *The Course of Love* MANDY LEN CATRON lives in Vancouver, British Columbia. Her writing has appeared in the New York Times and the Washington Post. She writes about love and love stories at The Love Story Project, and teaches English and creative writing at the University of British Columbia.

The Guyde Howie Reith 2016-11-19 The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to

shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

Travel photographer Winter Knowles and archeology professor Logan Spencer dislike each other at first sight. Stuck together into the wild, these two unwilling teammates will bicker and banter their way through a laugh-packed treasure hunt. After years of searching, a new mapping technology has given Logan a clue to the location of the legendary Lost City of Gold. A discovery that could make his career. So the last thing he needs on this life-changing expedition is for his team to get distracted by a pair of long legs. When Winter accepted the assignment on a tropical island she didn't sign up for a brooding team leader who'd clearly prefer to run a boys-only club. Never one to back down from a challenge, Winter is ready to show him she's no damsel in distress. But when a treasure like no other is uncovered and ruthless enemies will want to keep it for themselves, it'll be up to the two of them to save the day. Left alone to fight in the jungle, they will soon discover their lives might not be the only thing at stake—their hearts could be too. Get ready for the adventure of a lifetime. You May Kiss the Bridesmaid Archibald Hill is handsome, single, and he's going to his best friend's wedding ready to make a conquest or two. After all, everyone knows weddings are the perfect setting to get lucky. Summer Knowles used to have a life—friends, family, a sister who'd do anything for her—until she blew it all away with a terrible mistake. Now, attending her twin's wedding as the party's undesirable number one seems like more than she can handle. So, when a tall stranger with smoldering ice-blue eyes offers her a therapy of seven nights of no-strings-attached fun, she might even ignore that he has a beard and accept. Problem is, Summer has never been good at keeping sex and feelings separated... What readers are saying: A fun read filled with humor, heart, and love big enough to reach... to the stars and back. Talk to Me Like I'm Someone You Love Nancy Dreyfus, Psy.D. 2009-12-24 "The most crucial relationship advice book since Men Are from Mars."—Erin Meanley, *Glamour.com* A groundbreaking, interactive relationship tool that literally places in the hands of couples the power to transform chronically frustrating relationship dynamics. We've all been there. A conversation with a loved one escalates into conflict. Voices rise to a fever pitch and angry, accusative words fly through the air. At times like these, it seems impossible to find the magic words that will lead to healing. Enter *Talk to Me Like I'm Someone You Love*. A psychotherapist with decades of experience in counseling couples, Nancy Dreyfus hit upon the revolutionary practice outlined in this book during a couples-therapy session in which a wife's unrelenting criticism of her husband was causing him to become emotionally withdrawn. In the midst of this, Dreyfus found herself scribbling on a scrap of paper, "Talk to me like I'm someone you love," and gestured to the husband that he should hold it up. He did and within seconds the familiar power differential between the two shifted, and a gentler, more genuine connection emerged. Dreyfus was startled, then intrigued, and then motivated to create a tool that could help others. This book features more than one hundred of Dreyfus's "flash cards for real life," written statements that express what we wish we could communicate to the person we love, but either can't find the right words or the right tone in which to say it. The statements include: • Taking responsibility: "I realize I'm overreacting. Can you give me a minute to get sane again?" • Apologizing: "I know I've really hurt you. What can I do to help you trust me again?" • Loving: "You are precious, and I get that I haven't been treating you like you are." A one-of-a-kind, practical relationship tool, *Talk to Me Like I'm Someone You Love* will help couples to stop arguing and begin healing.
