*Find a Good Man and Keep Him* - Satch U. Ejike 2008-09  
A lady once said that finding a good man is like looking for a needle in a haystack. This is not and should not be the case. True love is all around you if earnestly you desire it. The book suggests functional

approaches to true love as an alternative to the hit-and-miss approach that almost always ends in divorce or heartbreak. The book is for the married or single woman. It is for the married woman who, perhaps, already has a good man and necessarily must keep him. It is

for the single woman who now is in search of a good man for a lifetime of joyful romance and companionship. The book examines the good man's qualifying attributes, the meaning of romantic love, the concrete manifestations of love and, importantly, how you recognize and sustain true love when it comes your way. Find a Good Man and Keep Him is a practical guide that leads you through and away from the hurtful tumbles and stumbles of a failed relationship onto the path of manifest love with a good man.

**Husband Magnet** - Dr. Barba Maulana Koroma Phd 2020-11-15

One of the biggest decisions you will make in life is to pair

up in marriage. While this is an important consideration for both men and women, it is an especially important one for women. This is because the number of eligible women surpasses that of eligible men in most communities. Secondly, men tend to take longer to decide on settling down in marriage, which makes test-driving relationships that end nowhere frustrating for women. But, if you have been looking and Mr. Right has yet to come knocking at your door, what do you do? Simply, you don't leave it all to chance as though you expect him to fall from the sky, you do your homework. As you do, please don't chase a man, attract him! Are you tired of being played by men who won't commit? Do you look forward to the day when you are the bride rather than the bridesmaid? Have you had enough of being bumped by less endowed women time and again? Do you believe that it is time for you to be the main show in the arms of your own man? If the answer to any of these questions is "yes", for

you, a friend, schoolmate, family member, coworker, churchmate, or friend of a friend, then look no further. This is your moment to act and the tool you need. Husband Magnet will not only help a single woman fast-track to success in attracting a worthy man for marriage, it is a handy companion for a married woman who wishes to spice up her marriage. This book will teach you how to be a husband magnet.

*ALPHA MALE DATING The Essential Playbook* - Sean Wayne

□There's no reason in the world

why you can't have that fine woman on the other side of the room. If you were aware of her body language and had you been prepared mentally, you'd know exactly how to seduce her□ If you had read *Alpha Male Dating The Essential Playbook*, you wouldn't be across the room right now, not way over there, staring at her like an imbecile. You'd know exactly what to do and you'd have all the confidence to turn a lonely night into an exciting evening, or a long-term relationship. No woman is too good for you. You've watched her, observed her moves and know exactly what to do. Now she's in your sights. What's more, she's unaware that you're about to sweep her off her feet. You know all these things because you've been reading her body language, and you're aware she's into you because you've been reading her like a book. Here's just an excerpt of what you'll discover inside: □ There's no mystery how you're going to make initial contact, scoop her up and take her to the night of her

dreams. □ You carry yourself like a man, like an Alpha Male, confident, assured and with purpose. □ There's no stutter step or miscue. She's simply astonished at how you came into her presence and maneuvered your way expertly into her full attention. □ You speak eloquently and you're respectful through and through. □ You're dressed well, full of interesting things to say. □ She's never met a man like you, a man who listens with intent and responds smartly. □ Moreover, you're respectful, know your boundaries and you know how to keep her attention. You're irresistible. □ You know all this because you know the Law of Attraction and Love Hypnosis. That's how you were able to sweep her off her feet then and now that you've been dating, she still can't get enough of you. All this because you read this essential playbook on dating and you are fully aware how to keep your relationship and take it to the next level; marriage ...if you want. Your relationship is full of confidence and awareness of

her. She couldn't have been luckier that night, when you walked across the room and into her life. You've done all this because you know how an Alpha Male builds a relationship. You know all this because you know her interests and nobody makes her feel more like a queen than her king, you. But you didn't do this by being an alpha bully, you did all this by being aware and knowing how to compromise without ever compromising yourself. Because you read this playbook, you know how to take your dating game to the home game that is never dull or without passion. □ You're her King and you make her feel like a Queen. □ You're not jealous, but confident, always. □ You're passionate but you don't overwhelm her. □ You know exactly how to touch her, reach her hot spots and after years of being together, making love to you is always fresh, fun and new. □ This is how an Alpha Male dates and builds his game into a long-term relationship, if he

chooses, with confidence. You know what you want. You know how to get it. You know because you've read Alpha Male Dating The Essential Playbook. Don't Hesitate! Scroll Up, Click "Buy Now" and Invest In Yourself Today!

**Marry Him** - Lori Gottlieb  
2011-01-31

Wonder why you're still single? Had you imagined you'd be settled down with the perfect man and family by now? Afraid time is running out? You might want to listen to what Lori Gottlieb has to say. When Lori found herself forty and still single, she came to an uncomfortable realisation. If so many of her friends were very happily married to 'good enough' guys, the type of men who might not make you weak in the knees but made great partners and fathers, maybe she had been looking for the wrong man. Could her Mr Right have been, well, right in front of her all along? Funny, confronting and very very real, Marry Him is Lori Gottlieb's account of her search for a partner and the adjustments

she had to make to her own expectations in order to find happiness.

**How to Date Today's Modern Woman** - Izzy Wryght  
2006-10-02

If you have a good sense of humor and can appreciate a politically incorrect point of view of how the politics of the modern social dating process works, you will surely enjoy and value this book. From a socio/political point of view, the philosophy of this book tilts slightly to the right of Attila the Hun! As a straight American male, you love women. Its your natural desires that motivate you to be with a woman for fun, relaxation, sex, companionship, and at the extreme, marriage. You will choose a female for any one or all of these reasons, depending on how that woman affects you. So why is it, that in todays dating culture, it has become increasingly difficult to find a normal, traditional woman, a female who you can share a pleasant and meaningful relationship with, a relationship that can possibly

evolve in to a traditional family lifestyle. The reason is, because today's modern women have changed the rules of behavior for social dating. And this means, you need protection! If you have been seeking a female who has a firm grip on reality, and does not come into a dating situation with a political axe to grind, you have come to the right place for guidance and advice.

*Why You're Not Married... Yet* - Tracy McMillan 2012-06-01  
With three marriages under her belt, Tracy McMillan KNOWS how to get married, and she knows exactly why so many other women still aren't. In *Why You're Not Married...*

Yet, she pulls no punches telling the modern woman precisely what she's doing wrong. Based on Tracy's Valentine's Day Huffington Post article of the same title, her new book explores how and why women are standing in their own way when it comes to tying the knot. Shortly after its publication, the article went viral, garnering 1,404,533 views, and now stands as the Huffington Post's second most viewed article of all time - and probably one of its most rebutted, having spawned strong response articles on CNN.com, The Frisky, and countless blogs. With chapters like 'You're a bitch,' 'You're Godless,' and 'You're selfish,' Tracy details in straightforward language ten reasons why single women are still single. But it's not all tough love; she also offers up seriously sage advice, along with insight into how her desperate search for security as a child in foster care taught her to look for very specific traits in the men she dated - traits that just so happen to lead to marriage a

surprisingly high percentage of the time. Tracy doesn't pretend to be an expert on lasting relationships - and says as much to whomever will listen - but she WILL get women down the aisle, with biting humor, wicked smarts, and heart to spare.

*Getting Married After 40* -  
Carmen Anthony 1999

Many single women believe that a woman's chances of getting married are next to nothing once they've reached age 40. The media loves to play on their fears, with stories comparing the odds to being struck by lightning, or kidnapped by terrorists. Yet each year some 275,000 American women age 40 or older marry or remarry. In *Getting Married After 40*, 100 women who have beaten the odds share their stories of how they managed to meet men, overcame their fears and hang-

ups, survived the first dates, handled potential step-kids, and other crucial dating and mating issues. These women, all savvy, self-confident, and articulate, don't pretend, that it isn't difficult to adjust to life with a man after years of being on their own. But the rewards, they insist, are well worth it for any woman willing to take the plunge. In *Getting Married After 40*, they reveal the pleasures -- as well as the pitfalls -- and offer practical, step-by-step advice and encouragement to other women who want to find a good man to love.
