

How To Get Rid Of A Womens Facial Hair

Plucked - Rebecca M. Herzig 2016-11

"From using clamshell razors and homemade lye depilatories in the colonial era to using diode lasers and prescription pharmaceuticals in the twenty-first century, Americans have gone to great lengths to remove body hair deemed unsightly, unattractive, or unhealthy. In *Plucked*, Rebecca M. Herzig examines both the causes and consequences of routine hair removal in the U.S. *Plucked* illuminates some of the broad social and environmental effects of seemingly 'personal' choices: widespread experimentation on animals, exploitation of workers, exacerbation of racial divisions, and more. An engrossing, multidimensional history of cultural attitudes toward body hair and the increasingly sophisticated tools used to remove it, *Plucked* reveals the complex political significance of even the most mundane activities of modern life."-- Back cover.

Straight Talk - Gerry Wright 2001

Finally! A Man Speaks to Men. Never have books promised to pry men away from their six-packs and remote controls to take a two-part course on the sport of seduction. As an author who has given new meaning to the word 'touch down', he shows you how to 'touch her'. No subject is off-limits --- or out of bounds. So ladies, get ready to play ball!! *Straight Talk: Volume One Playing For Keeps* ***How To Love A Woman And Make Her Love You Back*** *Round One - The Try-Outs* In this first of two sizzling volumes, Wright gives raw tutorials on winning a woman's affections. In locker room voice former pro basketball player Gerry Wright answers all the questions that aspiring Casanovas are dying (but too proud) to ask. From what to wear, to how to smell, to how to equip the bachelor pad, *Volume I* gets a man to first base ---without striking out. Loaded with clever, hard-nosed information, *Straight Talk* elevates men from sitting on life's bleachers as all of the quality babes walk by to becoming an All-Star at love. Unlike books like *Men Are From Mars, Women Are From Venus*, this two-book series deals with the real world,

and gives the low down of what women really want --- in "guy talk"! Crammed with nuggets of practical information spiked with sporting terms, *Playing For Keeps* is savvy, sexy, and funny. *Straight Talk: Volume Two Papa's Got A Brand New Bag* ***A Man's Guide To Lovin' His Woman Down*** *Round Two - The Knockout Volume I* *Straight Talk: Playing For Keeps* got a fellow's foot in the door and into her head --- *Volume II Papa's Got A Brand New Bag* pitches step-by-step details on how to perform in her bed. Gerry Wright, personal trainer and former pro basketball player gets straight to the point --- most men are lousy lovers. Perceptive, real and wise, in *Volume II* Wright teaches men the blow-by-blow moves that leave a woman crying "time-out!" In the same no-holds-barred locker room style of *Volume I*, Wright explicitly coaches mankind on the sensual techniques to win over the opposite sex. Based on the shared experiences on different continents as Wright played basketball, he delivers the low down on the sexual "left hooks" and "curve balls" - that American women are dying for men to throw. More than a primer on body parts (and yes) oral sex the book also instructs men to listen to their partners. Perceptive, clever, and graphic --- Wright's instincts brand him as America's personal trainer at love. Wright's hand size (a full 11 1/4 inches spread) afforded him the ability to earn *Sports Illustrated* notoriety as a slam-dunk king. In two erotically raw volumes he gives tips that will have women in the palm of your hand (regardless of how many inches you're wielding). Wright's coaching a new team of men --- and, frankly fellows, she won't be trading you to another team after you read Wright's *Straight Talk*. Letter to Gerry Wright: Dear Mr. Wright, I went to a little book store called "Consider The Alternatives" on Thursday, April 19, looking for a book about relationships. I told Judy, the owner, that I have read many books to try to understand my man. And I couldn't seem to find one about women for men to read that wasn't just about sex. She called me at my home the very next day

and left me a message that two books came in about the subject we were discussing and would I mind coming and taking them to read and review. I went to the store the very next day and read the cover letter, then the contents of the books. I immediately took them home to read. I am 2/3 through Volume 1 and I can't put it down. You must promote this book every where. Your book is heroic to all of us who have been criticized for saying the things you had the balls to say and say it straight. These two books must be marketed ASAP. Get

Of Beards and Men - Christopher Oldstone-Moore 2017-03-21

Beards—they're all the rage these days. Take a look around: from hip urbanites to rustic outdoorsmen, well-groomed metrosexuals to post-season hockey players, facial hair is everywhere. The New York Times traces this hairy trend to Big Apple hipsters circa 2005 and reports that today some New Yorkers pay thousands of dollars for facial hair transplants to disguise patchy, juvenile beards. And in 2014, blogger Nicki Daniels excoriated bearded hipsters for turning a symbol of manliness and power into a flimsy fashion statement. The beard, she said, has turned into the padded bra of masculinity. Of Beards and Men makes the case that today's bearded renaissance is part of a centuries-long cycle in which facial hairstyles have varied in response to changing ideals of masculinity. Christopher Oldstone-Moore explains that the clean-shaven face has been the default style throughout Western history—see Alexander the Great's beardless face, for example, as the Greek heroic ideal. But the primacy of razors has been challenged over the years by four great bearded movements, beginning with Hadrian in the second century and stretching to today's bristled resurgence. The clean-shaven face today, Oldstone-Moore says, has come to signify a virtuous and sociable man, whereas the beard marks someone as self-reliant and unconventional. History, then, has established specific meanings for facial hair, which both inspire and constrain a man's choices in how he presents himself to the world. This fascinating and erudite history of facial hair cracks the masculine hair code, shedding light on the choices men make as they shape the hair on their faces. Oldstone-Moore adeptly lays to

rest common misperceptions about beards and vividly illustrates the connection between grooming, identity, culture, and masculinity. To a surprising degree, we find, the history of men is written on their faces.

God Has Your B.A.Q. - Mark Hamric 2013-12

Have you ever taken the time to ask God some important questions about life or personal matters, or just asked for a little help in understanding the Bible? These are real questions from people of all walks of life; some of these questions are of a serious nature, and some are challenges to faith. I believe God has helped me to answer them from a biblical perspective. My own rocky walk through this valley of the shadow of death has taught me many things. Even as a Christian who has learned to rely on God, I still have my challenges; however, I can say with some confidence that the Lord is indeed my shepherd, and the answers I provide in this book come from that experience. My hope is that you will be awakened to deeper things and greater understanding of the God who loves you.
