The summer you turn sixteen is supposed to be unforgettable. It's the stuff of John Hughes movies and classic songs, of

heart-stopping kisses and sudden revelations. But life isn't always like the movies. . . For Sean Jackson, sixteen is off to an inauspicious start. His options: take a landscaping job in Georgia with his father, or stay in his small New Hampshire hometown, where the only place hiring is the local ice cream shop. Donning a pink t-shirt to scoop sundaes for tourists and seniors promises to be a colder, stickier version of hell. Still, he opts to stay home. On his first day at work, Sean meets Becky, a wickedly funny New York transplant. The store manager, Jay, is eighteen, effortlessly cool, and according to Becky, "likes" Sean the way Sean's starting to like him. But before he can clear a path to the world that's waiting, Sean will have to deal with his overprotective mother, his sweet, popular girlfriend, Lisa, his absentee father, and all his own uncertainties and budding confusions. Tender and achingly funny, this coming-of-age story will resonate with anyone who is--or has ever

been--a teenager, when the only thing you can count on is how little you really know, and the next glance, or touch, or breathless night can be the one that changes everything. . .

"Woodward writes from the heart--a genuine, honest story about the joys and pains of first love, and realizing that no one is as alone as it sometimes seems." -Robin Reardon "A touching story about navigating the sometimes treacherous waters of first love."--J.H. Trumble Timothy Woodward grew up in a small town in the White Mountains of New Hampshire, where Saturday evening trips to the local ice cream shop were a town ritual. Later he moved to the city where he was a high school teacher and an advocate for GLBT youth with Greater Boston PFLAG, and where ice cream shops have been replaced by frozen yogurt stores. But Timothy still goes back to his hometown for their ice cream. His favorite flavor is, of course, Purple Cow.

life. He's rich, beautiful and smart, and he vacations each year on the same island with the same circle of friends: entitled Adonis Trent; acerbic Claudia; practical Dana; and frivolous Carly. Haunted by the ghosts of a tragedy that took place in his youth, Kyle is more sensitive than his privileged friends. He understands loss, and secrets. When he meets Jack Averill, a quiet, bookish boy, his fateful 18th summer on the island, Kyle falls hopelessly, heedlessly in love. As he befriends and attempts to woo Jack — and tries to integrate him into his tight-knit yet troubled circle — he's pursued himself by another summer boy, Trey, who will stop at nothing to win Kyle's love, all while Trent toys with the affections of an island girl. Amid mounting familial, sexual and peer pressures, all four young men make heartbreaking decisions that will steal their innocence, destroy lives and consume them forever. Until September is not just another gay romance, coming-out or

If you like *Brokeback Mountain* and *Call Me By Your Name*, you'll fall in love with Kyle as he navigates his own summer of love.
