What We Talk About When We Talk About Love Raymond Carver 2016-01-28 This powerful collection of stories, set in the mid-West among the lonely men and women who drink, fish and play cards to ease the passing of time, was the first by Raymond Carver to be published in the UK. With its spare, colloquial narration and razor-sharp sense of how people really communicate, the collection was to become one of the most influential literary works of the 1980s.

Talking to Girls about Duran Duran Rob Sheffield 2010 The best-selling author of *Love Is a Mix Tape* traces his adolescence in the 1980s, a journey during which pop culture trends marked his transformation from a reclusive geek to an independent young man with a first girlfriend.

The Charisma Myth Olivia Fox Cabane 2013-03-26 What if charisma could be taught? The charisma myth is the idea that charisma is a fundamental, inborn quality—you either have it (Bill Clinton, Steve Jobs, Oprah) or you don't. But that's simply not true, as Olivia Fox Cabane reveals. Charismatic behaviors can be learned and perfected by anyone. Drawing on techniques she originally developed for Harvard and MIT, Cabane breaks charisma down into its components. Becoming more charismatic doesn't mean transforming your fundamental personality. It's about adopting a series of specific practices that fit in with the personality you already have. The *Charisma Myth* shows you how to become more influential, more persuasive, and more inspiring.

The Girls I've Been Tess Sharpe 2021-01-26 Soon to be a Netflix film starring *Stranger Things*' Millie Bobby Brown - this must-read psychological thriller, perfect for fans of *One of Us Is Lying*, will leave you guessing until the final page. 'Unlike anything I've read before... immediate, gripping, incredibly tense, heart-breaking, heart-warming and FUN!' - Holly Jackson, author of *A Good Girl's Guide to Murder* As an ex con artist, Nora has always got herself out of tricky situations. But the ultimate test lies in wait when she's taken hostage in a bank heist. And this time, Nora doesn't have an escape plan ... Meet Nora. Also known as Rebecca, Samantha, Haley, Katie and Ashley - the girls she's been. Nora didn't choose a life of deception - she was born into it. As the daughter of a con artist who targeted criminal men, Nora always had to play a part. But when her mother fell for one of the men instead of conning him, Nora pulled the ultimate con herself: escape. For five years Nora's been playing at normal - but things are far from it when she finds herself held at gunpoint in the middle of a bank heist, along with Wes (her ex-boyfriend) and Iris (her secret new girlfriend and mutual friend of Wes ... awkward). Now it will take all of Nora's con artistry skills to get them out alive. Because the gunmen have no idea who she really is - that girl has been in hiding for far too long ... 'Slick, stylish and full of suspense' - Sophie McKenzie, author of *Girl, Missing* 'A powerful gut-punch of a book that will leave you reeling long after its final pages. I couldn't put it down!' - Chelsea Pitcher, author of *This Lie Will Kill You* 'I could hardly breathe until I finished. The tension! Absolutely loved it.' - Emily Barr, author of *The One Memory of Flora Banks*

The Guyde Howie Reith 2016-11-19 The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

True Love Dates Debra K. Fileta 2013-10-08 It is possible to find true love through dating. In True Love Dates, Debra Fileta encourages singles not to "kiss dating goodbye" but instead to experience a season of dating as a way to find real love. Through powerful, real-life stories and Fileta's personal journey, this book offers profound insights from the expertise of a professional counselor. Christians are looking for answers to finding true love. They are disillusioned with the church that has provided little practical application in the area of love and relationships. They're bombarded by Christian books that shun dating, idolize courting, fixate on spirituality, and in the end, offer little real relationship help. True Love Dates provides honest help for dating by providing a guide into vital relationship essentials. Debra is a professional Christian counselor who reaches millions with her popular blog, Truelovedates.com, and her book offers sound advice grounded in Christian spirituality. She delivers insight, direction, and counsel when it comes to entering the world of dating and learning to do it right the first time around. Drawing on the stories and struggles of hundreds of young men and women who have pursued the search for true love, Fileta helps readers bypass unnecessary pain while focusing on the things that really matter in the world of dating.

The Dream World Collective Ben Y. Faroe 2015-12-21 Five friends quit their jobs to chase what they love. Rent looms. Hilarity ensues. What if you had no daily grind, no soul-sucking job, and a few smart, passionate friends to watch your back and split the bills? Could you find a way to make ends meet and then pour every moment into what you really love? Five friends take the plunge to find out. Sushi and her roommate Summer are tired of working dead-end jobs for corporate drone bosses. So when their friend Alex quits his job and his roommate Zen proposes a grand experiment, they rope in their geeky friend Otto and move in together to build a life of art and freedom and tea and scheming. Of course, they still have to make rent, and the evil next door neighbor is hell-bent on getting them kicked out, and Summer may be just a little bit hopelessly in love with Alex. But it should all work out. Right? By turns silly and deep, daring and sweet, The Dream World Collective is a cozy romp for anyone who cares about creativity, community, and muffins.

Alice in Wonderland Lewis Carroll 2009-01-01 Alice in Wonderland (also known as Alice's Adventures in Wonderland), from 1865, is the peculiar and imaginative tale of a girl who falls down a rabbit-hole into a bizarre world of eccentric and unusual creatures. Lewis Carroll's prominent example of the genre of "literary nonsense" has endured in popularity with its clever way of playing with logic and a narrative structure that has influence generations of fiction writing.

Women Talking Miriam Toews 2019-04-02 The basis of the Oscar-winning film from writer/director Sarah Polley, starring Rooney Mara, Claire Foy, Jessie Buckley, with Ben Whishaw and Frances McDormand. INTERNATIONAL BESTSELLER "This amazing, sad, shocking, but touching novel, based on a real-life event, could be right out of The Handmaid's Tale." -Margaret Atwood, on Twitter "Scorching . . . a wry, freewheeling novel of ideas that touches on the nature of evil, questions of free will, collective responsibility, cultural determinism, and, above all, forgiveness." -New York Times Book Review, Editors' Choice One evening, eight Mennonite women climb into a hay loft to conduct a secret meeting. For the past two years, each of these women, and more than a hundred other girls in their colony, has been repeatedly violated in the night by demons coming to punish them for their sins. Now that the women have learned they were in fact drugged and attacked by a group of men from their own community, they are determined to protect themselves and their daughters from future harm. While the men of the colony are off in the city, attempting to raise enough money to bail out the rapists and bring them home, these women—all illiterate, without any knowledge of the world outside their community and unable even to speak the language of the country they live in—have very little time to make a choice: Should they stay in the only world they've ever known or should they dare to escape? Based on real events and told through the "minutes" of the women's all-female symposium, Toews's masterful novel uses wry, politically engaged humor to relate this tale of women claiming their own power to decide.

Get Over Yourself! Patti Novak 2008-12-30 True love doesn't just happen, notes professional matchmaker Patti Novak. You have to work for it—and want it. Forget eight-minute speed dates or online dating sites with twenty-page questionnaires that promise a scientifically calculated perfect match. The fact that you both like golf, stamp collecting, and pizza with anchovies is great, but it won't mean a thing if you don't feel that zing. But before there can be sparks, there have to be dates. And before the first date, you need to get over yourself! Taking a tough-love approach, and in her signature straight-shooting style, Patti will show you how to fix what needs to be fixed, reach your core, and identify who you are and what you want in a partner. She uses a three-part common-sense formula: • Getting Over What? Assess your dating weaknesses, recognize what's not working, and adjust your expectations. Delve into your personal history and past relationships, and pinpoint the issues that have been holding you back. • Almost Over It Fine-tune your attitude, your look, and your behavior to maximize your dating chances. Novak lays out strategies to help you deal with the brutal dating monsters you find along the way. • Over It Learn the do's and don'ts of the first date, the second date, and beyond. Remember, it's not a job interview or therapy session. Pretend you're meeting a new friend, not a prospective husband or wife. Finding your one and only isn't about having the right shoes or a flat stomach. It's about being true to yourself, being vulnerable, and being ready for love. Whether you're new to the dating scene, divorced and looking, or just trying to reach that second date, Get Over Yourself! will help you get the love you've always wanted and deserve.

Medical Heroes and Heretics Wayne Martin 1977 Orthodox science -- particularly in the medical profession -- has for centuries resisted change. It traces back at least as far as Socrates who was done to death for corrupting youth with his innovative ideas. In recent times, practically all the great advances in medicine have been made against a powerfully entrenched orthodoxy. Wayne Martin's book is about some of the men involved -- then and now: Oliver Wendell Holmes, Sr., who made physicians wash their hands; Louis Pasteur, who postulated the connection between bacteria and certain diseases; Frederick Banting, who discovered insulin; Jonas Salk, who solved the mystery of polio, to mention but a few. These men all braved the wrath of the medical establishment of their day. Heretics they were, but Heroes they became. Similarly, today a group of brave pioneers are fighting the same fight. They are, says the author, the heroes of tomorrow: Ernst Krebs, Jr., Evan Shute, Dean Burk, Denis Burkitt, Virginia Livingston and a dozen others, all of whose careers and findings are described here by a man who has pursued his topic for the past ten years.

Modern Romance Aziz Ansari 2015-06-16 The #1 New York Times Bestseller "An engaging look at the often head-scratching, frequently infuriating mating behaviors that shape our love lives." —Refinery 29 A hilarious, thoughtful, and in-depth exploration of the pleasures and perils of modern romance from Aziz Ansari, the star of *Master of None* and one of this generation's sharpest comedic voices At some point, every one of us embarks on a journey to find love. We meet people, date, get into and out of relationships, all with the hope of finding someone with whom we share a deep connection. This seems standard now, but it's wildly different from what people did even just decades ago. Single people today have more romantic options than at any point in human history. With technology, our abilities to connect with and sort through these options are staggering. So why are so many people frustrated? Some of our problems are unique to our time. "Why did this guy just text me an emoji of a pizza?" "Should I go out with this girl even though she listed Combos as one of her favorite snack foods? Combos?!" "My girlfriend just got a message from some dude named Nathan. Who's Nathan? Did he just send her a photo of his penis? Should I check just to be sure?" But the transformation of our romantic lives can't be explained by technology alone. In a short period of time, the whole culture of finding love has changed dramatically. A few decades ago, people would find a decent person who lived in their neighborhood. Their families would meet and, after deciding neither party seemed like a murderer, they would get married and soon have a kid, all by the time they were twenty-four. Today, people marry later than ever and spend years of their lives on a quest to find the perfect person, a soul mate. For years, Aziz Ansari has been aiming his comic insight at modern romance, but for *Modern Romance*, the book, he decided he needed to take things to another level. He teamed up with NYU sociologist Eric Klinenberg and designed a massive research project, including hundreds of interviews and focus groups conducted everywhere from Tokyo to Buenos Aires to Wichita. They analyzed behavioral data and surveys and created their own online research forum on Reddit, which drew thousands of messages. They enlisted the world's leading social scientists, including Andrew Cherlin, Eli Finkel, Helen Fisher, Sheena Iyengar, Barry Schwartz, Sherry Turkle, and Robb Willer. The result is unlike any social science or humor book we've seen before. In *Modern Romance*, Ansari combines his irreverent humor with cutting-edge social science to give us an unforgettable tour of our new romantic world.

Pocket Book of Hospital Care for Children World Health Organization 2013 The Pocket Book is for use by doctors nurses and other health workers who are responsible for the care of young children at the first level referral hospitals. This second edition is based on evidence from several WHO updated and published clinical guidelines. It is for use in both inpatient and outpatient care in small hospitals with basic laboratory facilities and essential medicines. In some settings these guidelines can be used in any facilities where sick children are admitted for inpatient care. The Pocket Book is one of a series of documents and tools that support the Integrated Managem.

Top Girls Caryl Churchill 2018-02-22 Marlene thinks the eighties are going to be stupendous. Her sister Joyce has her doubts. Her daughter Angie is just frightened. Since its premiere in 1982, *Top Girls* has become a seminal play of the modern theatre. Set during a period of British politics dominated by the presence of the newly elected Prime Minister Margaret Thatcher, Churchill's play prompts us to question our notions of women's success and solidarity. Its sharp look at the society and politics of the 1980s is combined with a timeless examination of women's choices and restrictions regarding career and family. This new Student Edition features an introduction by Sophie Bush, Senior Lecturer at Sheffield Hallam University, UK prepared with the contemporary student in mind. METHUEN DRAMA STUDENT EDITIONS are expertly annotated texts of a wide range of plays from the modern and classic repertoires. A well as the complete text of the play itself, this volume contains: · A chronology of the play and the playwright's life and work · an introductory discussion of the social, political, cultural and economic context in which the play was originally conceived and created · a succinct overview of the creation processes followed and subsequent performance history of the piece · an analysis of, and commentary on, some of the major themes and specific issues addressed by the text · a bibliography of suggested primary and secondary materials for further study.

Dating Sucks, But You Don't Connell Barrett 2021-05-11 From renowned international dating coach comes an essential, must-have dating guide for men looking to gain confidence and find lasting love in the #MeToo era. Rejection. Ghosting. Not knowing how to talk to women. For many men, dating just sucks. But it doesn't have to. There's a simple, yet powerful, way to gain instant confidence and attract a great girlfriend: Be authentic. Whether you want to confidently approach women, get quality matches on dating apps, or learn how to avoid the "friend zone," *Dating Sucks, but You Don't* is your step-by-step blueprint for landing your soulmate. Using the power of "radical authenticity," you'll unlock your most awesome self and learn how to: -Be magnetic as you...even if you're not rich, tall, or great-looking -Always know what to say to ignite chemistry -Get dates and connect with great women without using creepy "pickup artist" tricks -Conquer fear and anxiety and confidently approach women (in a way they love) -Get great matches and dates on Tinder, Bumble, Match, Hinge, or any other dating app -Be a true gentleman of the #MeToo era who respects women and understands the boundaries surrounding consent -Create a healthy, supportive relationship with someone who loves you for you You definitely don't suck. And when you have total self-confidence and great results, neither does dating.

Fix Her Up Tessa Bailey 2019-06-11 The first in a spicy, hilarious HGTV-inspired romantic comedy trilogy from the #1 New York Times bestselling author of *It Happened One Summer* and *Hook, Line, and Sinker!* Georgette Castle's family runs the best home renovation business in town, but she picked balloons instead of blueprints and they haven't taken her seriously since. Frankly, she's over it. Georgie loves planning children's birthday parties and making people laugh, just not at her own expense. She's determined to fix herself up into a Woman of the World... whatever that means. Phase one: new framework for her business (a website from this decade, perhaps?) Phase two: a gut-reno on her wardrobe (fyi, leggings are pants.) Phase three: updates to her exterior (do people still wax?) Phase four: put herself on the market (and stop crushing

on Travis Ford!) Living her best life means facing the truth: Georgie hasn't been on a date since, well, ever. Nobody's asking the town clown out for a night of hot sex, that's for sure. Maybe if people think she's having a steamy love affair, they'll acknowledge she's not just the "little sister" who paints faces for a living. And who better to help demolish that image than the resident sports star and tabloid favorite? Travis Ford was major league baseball's hottest rookie when an injury ended his career. Now he's flipping houses to keep busy and trying to forget his glory days. But he can't even cross the street without someone recapping his greatest hits. Or making a joke about his... bat. And then there's Georgie, his best friend's sister, who is not a kid anymore. When she proposes a wild scheme—that they pretend to date, to shock her family and help him land a new job—he agrees. What's the harm? It's not like it's real. But the girl Travis used to tease is now a funny, full-of-life woman and there's nothing fake about how much he wants her... "Her voice feels as fresh and contemporary as a Netflix rom-com." —Entertainment Weekly "Fix Her Up ticks all my romance boxes. Not only is it hilarious, it's sweet, endearing, heartwarming and downright sexy. It's a recipe for the perfect love story." - Helena Hunting, New York Times bestselling author of Meet Cute

The Spanish Love Deception Elena Armas 2022-02-08 A wedding. A trip to Spain. The most infuriating man. And three days of pretending. Or in other words, a plan that will never work. Catalina Martín, finally, not single. Her family is happy to announce that she will bring her American boyfriend to her sister's wedding. Everyone is invited to come and witness the most magical event of the year. That would certainly be tomorrow's headline in the local newspaper of the small Spanish town I came from. Or the epitaph on my tombstone, seeing the turn my life had taken in the span of a phone call. Four weeks wasn't a lot of time to find someone willing to cross the Atlantic-from NYC and all the way to Spain-for a wedding. Let alone, someone eager to play along with my charade. But that didn't mean I was desperate enough to bring the 6'4 blue eyed pain in my ass standing before me, Aaron Blackford. The man whose main occupation was making my blood boil had just offered himself to be my date. Right after inserting his nose in my business, calling me delusional, and calling himself my best option. See? Outrageous. Aggravating. Blood boiling. And much to my total despair, also right. Which left me with a surly and extra large dilemma in my hands. Was it worth the suffering to bring my colleague and bane of my existence as my fake boyfriend to my sister's wedding? Or was I better off coming clean and facing the consequences of my panic induced lie? Like my abuela would say, que dios nos pille confesados. The Spanish Love Deception is an enemies-to-lovers, fake-dating.

Love Her or Lose Her Tessa Bailey 2020-01-14 The #1 New York Times bestselling author of It Happened One Summer and Hook, Line, and Sinker returns with a unique, sexy rom-com about a young married couple whose rocky relationship needs a serious renovation... Rosie and Dominic Vega are the perfect couple: high school sweethearts, best friends, madly in love. Well, they used to be anyway. Now Rosie's lucky to get a caveman grunt from the ex-soldier every time she walks in the door. Dom is faithful and a great provider, but the man she fell in love with ten years ago is nowhere to be found. When her girlfriends encourage Rosie to demand more out of life and pursue her dream of opening a restaurant, she decides to demand more out of love, too. Three words: marriage boot camp. Never in a million years did Rosie believe her stoic, too-manly-to-emote husband would actually agree to relationship rehab with a weed-smoking hippie. Dom talking about feelings? Sitting on pillows? Communing with nature? Learning love languages? Nope. But to her surprise, he's all in, and it forces her to admit her own role in their cracked foundation. As they complete one ridiculous—yet surprisingly helpful—assignment after another, their remodeled relationship gets stronger than ever. Except just as they're getting back on track, Rosie discovers Dom has a secret... and it could demolish everything. "Her voice feels as fresh and contemporary as a Netflix rom-com." —Entertainment Weekly *Named one of the Best Romances of 2020 by Insider and Oprah Magazine + Marie Claire's Best New Books of 2020*

How to Talk to Hot Women Mehow 2013-07-03 You've seen those guys. The ones who have all the right lines and the kind of charm women flock to — the guys who always seem to lead beautiful women out the door of the coffee shop or out of the club at the end of the night, time after time. The guys who know how to reel in women and keep them. Be one of those guys. You don't have to be young, attractive, or rich to get the woman of your dreams — you just have to know how to talk to her. Mehow®, legendary pickup artist and creator of Mehow, Inc., used to be that insecure schlub at the bar with no classic good looks or smooth moves to fall back on. Rejected repeatedly, Mehow always settled for the first woman who didn't turn him down. Sound familiar? Whether you're in need of major help or just need a little push, Mehow's lessons can improve any man's game. Trained in the seduction fundamentals by the infamous pickup artists Mystery (The Game and VH1's The Pickup Artist) and Lovedrop, Mehow surpassed the masters in the pickup game, and in *How to Talk to Hot Women*, he shows how you can too. Provocative and entertaining, it's the definitive system for rescuing your sex life, your relationship status, and your swagger. In these pages, Mehow distills charm into a simple, easy-to-use formula that renders "dating tips" obsolete. Learn the nine essential secrets to building immediate chemistry with attractive women, along with practical, field-tested techniques that leave you with the knowledge to transform your dating reality from nonexistent to nonstop. Mehow's one-of-a-kind system shows you exactly how to be yourself and succeed when you meet women, no matter how or where, or if you simply want the woman you already have to stay totally addicted to you. Packed with specific advice on what to do, examples of what to say, and tips on how to develop your own game, *How to Talk to Hot Women* will allow you to reach new levels of freedom and confidence to date the woman you really want — whether she is the "perfect 10" for the next hour, the night, or the rest of your life.
